MINUTES

Dr. Platt referred to Motion No. 43-85, page four of the March 8, 1985, minutes as distributed to the Board, and asked that her name be deleted from the record of a roll call vote on the Auxiliary Capital Improvements totaling $468,700. She stated that she had by mistake voted in favor of the allocation of funds for the University Union Renovations for which she had already cast a negative vote.

No. 54-85 Mr. Hanna moved and Mr. Dyckes seconded that the minutes of the meeting of March 8, 1985, be approved as corrected. The motion was approved.

PRESIDENT’S REPORT

Dr. Olscamp reported as follows:

Student Fatalities

We are indeed saddened by the death of two of Bowling Green’s finest students — Steven Hanna and Kevin Ross. Greg Hadley, also a BGSU student, was seriously injured in the same automobile accident. These students, along with numerous young people, were on their way to Florida for the traditional Spring Break. Mr. Ross was a senior accounting major and Mr. Hanna was a senior finance major. Both students maintained a high grade point average, were very active in the Pi Kappa Phi fraternity, the Undergraduate Student Government, and were highly regarded by their peers and by the Faculty. Dr. Clark informs me that Mr. Hanna and Mr. Ross will be awarded their respective degrees posthumously (with cum laude honors) at the May, 1985, commencement exercises. Mr. Hadley has been working with the Journalism Department relative to his status and his plans for graduation.

Introduction of Dr. William McGraw

I am pleased to introduce to you this morning the new dean of the Firelands Campus, Dr. William McGraw. Dr. McGraw’s appointment was effective March 6, 1985. He has been Dean of the College of Fine and Performing Arts at Youngstown State University for the past 10 years. He brings to this new appointment a strong background in administrative experience and academic excellence. He has held significant administrative positions in higher education in Ohio and West Virginia. I am confident that Dr. McGraw will be a very effective leader and advocate for Firelands College. Dr. McGraw, welcome to Bowling Green State University and to the Firelands Campus.

1985 Fall Semester Admissions Update

To date we have received 7,874 applications from freshmen seeking admission to the 1985 Fall Semester and/or Summer Session. At this time last year we had 8,010 which represents a decrease of 136 students or 1.70%. Transfer applications number 803 compared with 908 students last year, which is a decrease of 105 or 11.56%. Based upon current applicant flow, we expect 3,300 new freshmen and 450 transfers to begin their studies at Bowling Green this Fall Semester. Corresponding figures for Fall, 1984, were 2,990 new freshmen and 501 transfer students.

Graduate Admissions Update

For the reporting period July 1, 1984, through March 31, 1985, the number of new applications received by the Graduate College totaled 2,244. This pattern of increase represents an increase of 98 applications or 5% from the same reporting period last year.

Applications to degree programs continued to indicate an upward trend during the month of March. A total of 1,691 applications to degree programs were received indicating an increase of 115 or 7%. The 553 applications for non-degree status represent a decrease of 17 part-time students (or 3%) applying to the Graduate College compared to the same reporting period last year.

Enrollment Update

As of April 10, 1985, 2,069 registration requests have been received for Summer Term 1985. This figure is 345 less than the number of registration requests received for Summer Term 1984 at a corresponding time in the registration process.

Columbus Developments

$550,000 of the $730,000 (20%) required from local sources for completion of the Business Administration addition has been placed into the Budget Bill in the House Finance Committee of the House. The Bill still must be approved by the full House, Senate Finance Committee, full Senate, conference Committee and the Governor. This is indeed a positive step in the right direction, and we will of course continue to seek support for this amendment to the Bill for BGSU.

Bowling Green State University Receives Computer Equipment from INTEL CORPORATION

More than $125,450 worth of computers and software has been given to the Bowling Green State University School of Technology by INTEL CORPORATION, the first manufacturer of computer microchips in the world.

This award provides six faculty members at the School with equipment to implement high-level technology via computer in manufacturing processes.

The School of Technology's ultimate goal is to develop and demonstrate appropriate hardware configurations and software packages to teach the concepts of computer integrated manufacturing (CIM) for preparing technical personnel. We also hope to make, to some degree, the hardware and software packages transportable to Industry.

Computer Services Area

A new microcomputer laboratory, located in the William T. Jerome Library, opened on March 18 and it includes 25 IBM PC's and 18 Apple Macintosh microcomputers. Any University instructor wishing to utilize spreadsheet, word processing, statistics, modeling, or any other software package can use this new laboratory. The laboratory also will be used by the Library staff and patrons to review Library documents and reference material which is arriving now on computer diskettes.

On March 25, much of the University's research computing was transferred from the Digital Equipment Corporation (DEC) VAX 780 computer system to the new DEC VAX 785. The DEC VAX 785 is now the largest computer on campus. This system was purchased last summer for $555,000 of which $250,000 was donated by DEC (matching grant). This move will permit the transfer of some instructional computing from the heavily used, seven-year old DEC 2060 to the VAX 780.

The new VAX 785 system not only provides a valuable enhancement to our research computing, but also provides a base upon which to build a high quality research graphics facility. These changes were recommended in the Computer Task Force report dated May, 1984.

Social Philosophy and Policy Center

The Social Philosophy and Policy Center has received two more grants. The Carthage Foundation has awarded $65,000.00 in support of the Visiting Scholars Program of which the Distinguished Research Fellowship Program is a part. With this grant, the Visiting Scholars Program has attracted a total of $133,000.00 in support. Furthermore, the Pfizer Corporation has made a contribution of $4,000.00 in support of the Center's general operations. The Center has now received 38 grants and contracts, totaling $1,213,463.00.

Continuing Education

Dr. Cormier, Dean of Continuing Education, informs me that some of Continuing Education's publications have won awards from the National University Continuing Education Association (NUCEA). The results of this national competition will be announced on April 14 at the Annual Meeting of the organization to be held this year in Louisville, Kentucky. We received a first place award in the category of Institutional Identity for a series of publications displaying the Continuing Education logo. We also received a second place award in the category of best tabloid publication for the Winter-Spring 1985 class schedule.

Instructional Television Fixed System

As we shall see later in the meeting today the Instructional Television Fixed System is now operational. Dr. William R. McGraw, Dean of Firelands College, has stated that there are a variety of ways in which the new television linkage might be utilized. All programming will be aimed toward fulfilling the mission of Firelands College by enhancing its current curricular offerings and bringing those educational resources within reach of more people in the region. Dr. McGraw will appoint a committee composed of faculty members and administrators from Firelands campus as well as staff from WGBU-TV whose function will be to develop policy for the operation of the system and to establish programmatic priorities.

New Academic Program

Of particular interest to you, Mr. Chairman, is an event which we hope is going on in Columbus at this time - the Ohio Board of Regents is considering our request to institute the Bachelor of Science in Hospitality Management, which will be housed in the College of Business Administration at the University. We anticipate that approval will be forthcoming and a director for this new and important program will be hired in the near future. We have high hopes that the new program will get significant financial support from the hospitality industry.

Spring Commencement 1985

The Spring Commencement is scheduled for May 11, 1985. Mr. Charles McDowell of the Richmond Times-Dispatch, Washington, D.C., will be the Commencement speaker. Mr. McDowell has been a Washington correspondent and columnist since 1965, and is widely known as an excellent speaker.
75th Anniversary Keynote Speaker

Dr. Charles E. Parry, BGSU alumnus, will be the keynote speaker for the 75th Anniversary celebration on November 10, 1985. Chuck is the Vice Chairman, Chief Executive Officer and Partner of Golden Bear International - Jack Nicklaus Companies.

MAC Championship for Women's Gymnastics Team

The Women's Gymnastics Team under the able leadership of Charles Simpson captured its third MAC Championship in the past five years on March 16, 1985. Bowling Green has now won three of the five gymnastics championships the MAC has sponsored.

Mr. Chairman, this concludes my report.

PERSONNEL/FACILITIES COMMITTEE

Mr. Spengler reported that the Committee met on Thursday evening at the Sawmill Creek Lodge to consider a number of action agenda items.

Personnel Changes since March 8, 1985, meeting -
Including Promotion/Tenure Recommendations for 1985-86

Mr. Spengler said the Personnel Changes were found to be in order and the Committee considered recommendations for promotion/tenure for 1985-86 at a special session on Monday, April 8, with complete information having been provided for each member. He commended Vice President Clark and her staff for the completeness of the background information submitted for each faculty member being recommended for promotion/tenure. He added that the Board members are impressed with the caliber of the teaching staff at Bowling Green.

No. 55-85 Mr. Spengler moved and Mrs. Russell seconded that approval be given to the Personnel Changes as listed, including Promotion/Tenure Recommendations for 1985-86. The motion was approved with no negative votes.

Proposed Racial and Ethnic Harassment Policy

Mrs. Russell reported that the policy statement has been in the process of being developed for over a year; the statement is all-campus encompassing and a very well-defined document. She added that the policy has been well thought out and complimented those individuals responsible for formulation and acceptance of the guidelines.

No. 59-85  Mrs. Russell moved and Mr. Spengler seconded that approval be given to the Racial and Ethnic Harassment Policy for Bowling Green State University as approved by the Equal Opportunity Committee on January 24, 1985, the Faculty Senate on March 18, 1985, with final revisions approved by the Equal Opportunity Committee on March 25, 1985. The motion was approved with no negative votes.

The Racial and Ethnic Harassment Policy Saga

Spring, 1984  Equal Opportunity Committee (an all-university committee) established a subcommittee to formulate a racial harassment policy

Spring, 1984  Committee B of President's Task Force on Minority Students recommended a policy be developed

Spring, 1984  Administrative Retreat - policy was mentioned as being "in the works"

Summer, 1984  Discussion of policy with members of Equal Opportunity Committee who were still on campus; gathering of racial harassment incidents

September, 1984  Draft of racial harassment policy presented - discussion and suggestions made for revision - sent to the Vice President for Student Affairs

October, 1984  Discussion and revisions adopted by Equal Opportunity Committee

November, 1984  Published in Monitor for comments by University Community

December, 1984  Comments from faculty, staff, students were reviewed and adopted or rejected. Student groups specifically identified for comments: Black Student Union, Latin Student Union, Undergraduate Student Government, Graduate Student Association, Third World Graduate Students. Members of Equal Opportunity Committee meet with student groups.

January, 1985  Revised policy and sent to Vice President for Student Affairs

February, 1985  Submitted policy to Administrative Council, revised and submitted to Faculty Senate
At this writing, the Equal Opportunity Committee feels an opportunity for input on the *Racial and Ethnic Harassment Policy* has been given to the entire University community. The Committee has taken seriously the comments and reworked the policy numerous times. There has been legal consultation on the policy. We are indeed hopeful that the policy, as it stands, will be adopted for inclusion into the governance documents of Bowling Green State University.

**Racial and Ethnic Harassment Policy**
Bowling Green State University

The policy of Bowling Green State University is that racial and ethnic harassment will not be condoned. Moreover, the University will use its influence to encourage the community—at-large to treat its students, faculty and staff and affiliated visitors consistent with the principles of this policy. The policy is in keeping with the spirit and intent of federal, state, municipal and University guidelines governing racial discrimination.

I. Definition

Racial and ethnic harassment constitutes any physical or verbal behavior that subjects an individual to an intimidating, hostile or offensive educational, employment or living environment. Such harassment:

A) denigrates or stereotypes an individual because of his or her racial or ethnic affiliation;

B) demeans or slurs an individual through pictorial illustrations, graffiti or written documents or material because of his or her racial or ethnic affiliation;

C) makes unwarranted and disparaging references or innuendos in attributing an individual’s personal conduct, habit or lifestyle to his or her racial or ethnic affiliation.

II. Regulations

A) It is a violation of University policy and the Student Code for any member of the faculty, administrative and classified staff or student body to engage in harassment, as is defined in Section I.

B) It is a violation of University policy to retaliate against anyone bringing forth an honestly perceived complaint of racial or ethnic harassment.

III. Responsibilities

A) On a University-wide basis, the Affirmative Action Office is responsible for the coordination and implementation of Bowling Green State University’s Racial and Ethnic Harassment Policy. This office will serve as the resource with regard to all matters of this nature.

B) Each dean, director, department chair, and administrative head of an operational unit is responsible for the dissemination and implementation of this policy within his or her area of responsibility. Persons at this level are also responsible for referring reported incidents of racial and ethnic harassment to the Affirmative Action Office.

C) As a University policy, it is the responsibility of each faculty member, administrative staff member and classified staff member to ensure adherence to this policy within his or her area of responsibility.

D) It is the responsibility of all members of the University community to discourage harassment, report such incidents and cooperate in any investigation which might result.

IV. Grievance Procedures

The procedures outlined below are designed to provide sufficient flexibility in which to deal with allegations of racial or ethnic harassment. They are intended to be responsive to particular situations and to be as formal or informal as allegations dictate.

A) Procedure for the Complainant

1. Any individual who believes that he or she has been racially or ethnically harassed should contact the Affirmative Action Office. Staff in this office initially will discuss the matter with the complainant to ascertain, as fully as possible, the validity of the charges and the scope of the problem. At this time, it will be determined if there is a basis for investigation.

2. Initial discussions with staff in the Affirmative Action Office should not make reference to the name of any accused person unless the complainant is ready-to file a formal complaint and proceed with an investigation.

3. Before the Office can begin its investigation, the allegations must be submitted, in writing, to the Director of Affirmative Action. Until this occurs, the matter will not be discussed with anyone other than the complainant.

4. An Investigation will be conducted by a staff person in the Affirmative Action Office only if the complainant has filed a formal, written complaint.

5. The role of the Affirmative Action Office in the processing of the complaint will include, but is not limited to the following:
   a. consultation with the complainant,
   b. discussion with appropriate persons suggested by the complainant who may have knowledge of the situation and can be of assistance in establishing the facts of the complaint.
c. preparing a complete investigative report of the complaint. This report will include recommendations for resolution. It will be submitted, in writing, to the appropriate Vice President for administrative action. A copy will also be sent to the complainant and the respondent.

6. If the complainant is not satisfied with the action taken by the Vice President, he or she may appeal, in writing, to the President of the University. The appeal must be filed within seven (7) calendar days of notification of the appropriate Vice President's action. The President will review the appeal and respond, in writing, to all parties—respondent, complainant, Director of Affirmative Action, and the Vice President—concerning his or her disposition of the appeal. This must be done within ten calendar days after receiving the appeal.

B) Procedure for the Respondent

1. Investigations regarding alleged instances of harassment will be conducted by staff in the Affirmative Action Office only if a formal, written complaint has been filed with the Director of Affirmative Action.

2. The role of the Affirmative Action Office in the processing of the complaint will include, but is not limited to the following:
   a. consultation with the respondent,
   b. discussion with appropriate persons suggested by the respondent who may have knowledge of the situation and can be of assistance in establishing the facts of the complaint,
   c. preparing a complete investigative report of the complaint. This report will include recommendations for resolution. It will be submitted, in writing, to the Vice President for appropriate administrative action. A copy will also be sent to the complainant and the respondent.

3. If the respondent is not satisfied with the action taken by the Vice President, he or she may appeal, in writing, to the President of the University. The appeal must be filed within seven (7) calendar days of the notification of the Vice President's action. The President will review the appeal and respond, in writing, to all parties—respondent, complainant, Director of Affirmative Action, and the Vice President—concerning his or her disposition of the appeal. This must be done within ten calendar days after the appeal.

C) Principles

In investigating complaints of racial or ethnic harassment, the following principles will be adhered to:

1. Each complaint will be handled on an individual, case-by-case basis, considering the complete record and all relevant circumstances.

2. Investigation will be conducted as fairly and expeditiously as possible.

3. In investigating complaints of racial or ethnic harassment, complete confidentiality will be maintained in consideration of both the complainant and the respondent.

4. An individual bringing forth a complaint of racial or ethnic harassment will not suffer any type of retaliation regardless of the outcome of the complaint.

5. The complaint will be resolved in a manner which is consistent with this policy and also fair and equitable to all parties concerned.

6. Nothing in this policy should be interpreted as interfering with the practice of academic freedom at Bowling Green State University.

7. The purpose of this policy is to end racial and ethnic harassment, and therefore it may not be used by a complainant to achieve personal goals not in conformity with the purpose of this policy.

Passed by Equal Opportunity Committee on 1/24/85.
Passed by Faculty Senate on 3/18/85.
Revisions passed by Equal Opportunity Committee on 3/25/85.

Dean William R. McGraw responded by welcoming the Board of Trustees to the Firelands Campus. He briefly presented his aims for the Firelands College after having been on duty just 30 days. He noted the following goals: 1) to serve the community and the region with the best possible education the Firelands College can provide; 2) to increase the visibility of the campus; 3) to work with the business and industry in the area; and 4) to continue to explore the offerings for traditional and nontraditional students. He urged the maintaining of high standards of academic excellence in a period of declining enrollment. He spoke of the "very fine" faculty and staff at Firelands and said all personnel had assisted him as he becomes adjusted in his position.
