## Commencement scheduled Aug. 20

More than 925 students will receive degrees at summer commencement exercises scheduled for 10 a.m. Saturday (Aug. 20) on the lawn just west of University Hall.

In addition, Harold A. McMaster of Perrysburg and William H. Eels of Delaware will each receive honorary degrees.

McMaster, founder and president of Glasstech Inc. in Perrysburg, will receive an honorary doctor of applied science degree in recognition of his achievements as a leading inventor and innovator in the glass manufacturing and processing industry.

Eels, Ford Motor Company's regional manager of governmental affairs for the Midwest states, will receive an honorary doctor of public service degree in recognition of his volunteer work, his encouragement of young people to become involved in political affairs, and his support of education and the arts.

Eels also will be the commencement speaker. Currently chair of the Ohio Advisory Council on College Preparatory Education appointed by the Ohio Board of Regents and the State Board of Education, he is expected to discuss education reform in the 1980s.

The graduates he will address will include 28 candidates for doctoral degrees; 391 candidates for master's degrees; 4 specialist degree candidates; 18 candidates for associate degrees and 486 candidates for bachelor's degrees.

## In Brief

### OFFICE MOVES

The Office of Standards and Procedures, directed by Derek Dickinson, has moved from 305 to 405A Student Services Building.

The new telephone number for that office is 372-2261, 2262.

### BOOKS ARE DUE!

Faculty and staff who borrowed books from the University libraries for the summer are reminded that all books are due on Aug. 19 and should be either returned or renewed by that date.

Materials can be renewed by telephone until Aug. 26 by calling the Science Library at 372-2591 or the Jerome Library at 372-2051. Renewal by phone must be done with the library supervisor on duty who will request call numbers of the books to be renewed.

Books can be renewed in person at the circulation desk in either the Jerome or Science libraries. They also can be returned to the circulation desks via campus mail.

### FOR SALE

The biological sciences department has for sale to University departments and offices an IBM Copier II, priced at \$900. For further information, contact the department at 372-2332.

## Parking registration is underway

With the start of a new academic year just a few weeks away, it is time to start thinking about parking registration.

Faculty and staff currently displaying **BROWN** decals on their vehicles will not be required to renew registrations this year. Brown decals were issued last year to all full-time, permanent faculty and staff, and departments will automatically be billed for their renewal.

Every employee should, however, inspect his/her decal at this time. If it has become unreadable or is mutilated, it should be removed and taken to the parking and traffic office where it will be replaced at no charge.

Faculty and staff currently displaying **GREEN** decals which expire on Aug. 20 will be required to register their vehicles at the parking and traffic office and obtain new decals for the 1983-84 academic year.

Green decals for one-year contract or

temporary employees can be obtained by presenting a completed blue fee waiver form signed by the budget administrator. The cost of the employee's *first* decal only will then be charged to the departmental budget.

Green decals for employees' *second* vehicles may be obtained at a cost of \$15 which will be billed to the employee's bursar account.

Jean Yarnell, director of parking and traffic, has requested that employees not register a second vehicle as a faculty/staff car if it is to be used by a son or daughter who is a student and will be driving that vehicle on campus. Students who are the sons/daughters of faculty/staff must register their vehicles as students and park in the appropriate student lots.

Questions about vehicle registration for 1983-84 should be directed to the parking and traffic office, 372-2776.

## Libraries extend 'open' hours

The University libraries will have extended hours during the 1983-84 academic year, thanks to increased support provided in this year's educational budget.

A total of seven hours per week have been added to the library hours during the regular academic year, meaning that the libraries will be accessible to faculty, students and staff a total of 98 hours per week this year. Most of the additional hours are weekend hours, added in response to requests from students for more "quiet hours" to pursue research.

Library hours will be as follows:

- Monday through Thursday: 8 a.m. to midnight;
- Friday: 8 a.m. to 10 p.m.;
- Saturday: 9 a.m. to 6 p.m.;
- Sunday: 11 a.m. to midnight.

The hours above are building hours only. Special collections in the Curriculum Resource Center, Government Documents, Music Library and Popular Culture Library will be staffed as follows:

- Monday through Thursday: 8 a.m. to 10 p.m.;
- Friday: 8 a.m. to 6 p.m.;
- Saturday: 10 a.m. to 6 p.m.;
- Sunday: 1-10 p.m.

The Map Library will be open on Monday, Wednesday, Thursday and Friday from 9 a.m. to 5 p.m.; Tuesday, 9 a.m. to 10 p.m.; Sunday, 1-10 p.m.

The Center for Archival Collections will be open Monday and Tuesday from 8:30 a.m. to 8 p.m. On Wednesday, Thursday and Friday the Center will be open from 8:30 a.m. to 4:30 p.m. It will be closed Saturday and Sunday.

Special collection hours may vary around holidays and during semester breaks. During those times, hours can be confirmed by calling individual departments. Library hours information is available 24 hours a day, year-round, by calling the library hotline at 372-2885.
