**Telecommunications and Electricity**

Dr. J. O. Perrine, assistant vice-president of the American Telephone and Telegraph Co., will speak on the subject "Concerning Things Electrical" at assembly Tuesday at 11 a.m. in the American Telephone and Telegraph Co. connection with electrical equipment.

The talk will be accompanied by some operating experiments to illustrate what Dr. Perrine says. The experiments will be performed by Douglas C. Smith of the Ohio State University, in charge of lectures and demonstrations for the company.

The talk will have been scheduled for Wednesday, April 12, but it will be canceled if it rains, to be given by the Women's Board. It has been set for a later date.

**we're making traditions**

Old universities have charm because of their traditions, as much of a part of the school as the buildings, faculty, and administration. The new buildings can bring.

New students at Bowling Green—have a different kind of charm, the charm that comes from excitement about the future. With the past-to-date buildings can bring.

The students who attend the new universities must miss the fun of following traditions. The new students have another pleasure, perhaps even greater than the excitement of the future. They can start traditions; they can make the new buildings great. They can create traditions for many years to come.

Unfortunately, not a single student at the new University of Southern Illinois has seen any new ideas carried on for a few years until those ideas become a part of the University as the Will or the various classrooms. Our new students are not the first of these traditions, the Tip-Off dance, the StodenU of Bowling Green State.

Other traditions typical of Bowling Green are the Senior, the Freshman and Sophomore, the Freshman, and the Sophomore. Many traditions have been the project of a few years ago and have had a part in their formation.

**get spring fever??**

Feel like getting a good old-fashioned case of spring fever? Be ready to be, stop studying, and just enjoy life.

It does sound enticing, but first step to remember—be ready to be, stop studying, and just enjoy life. What happened to the others? We wonder where...

**Kadooling**

By CADET WILLIAM HAMILTON

We noticed that in the recent survey conducted by this publication an interesting item on Kadooling. Who are the service men stationed here. This column is the opposite of the Kadooling, the dreams, the pertinent facts and life-histories of V-D cadets. It's usually very nice here, honest, fellas. Poor Ken, he just doesn't believe it was honest. But the V-D cadets usually look smooth, don't they?

What if you were...?

Bob Ingraham and Jim Lewis of the Merchant Marine are on the other side. They said that a Kadooling is a kadooling, and why should we do it? We will do it.

The next is a letter from Bob Bowers, Sk. 2/c, USS Institute, 327, C.P. O., San Francisco, Calif. He says, "I think we will see better days in California. Here in Denver they are having a big transfer from Keesler Field, Miss. Pvt. McCon..."

Week-End Features Music And Dancing
By KATHRYN CARRAS
This week end you can plan to enjoy music while seated at the Delta Gamma House. This will be a memorial concert for Astra Boskey, who was a member of this group. The concert will be held on Friday night, April 14th, and will present its first program of the year.

This concert will be the first of its kind for the group. It will be held in the Delta Gamma House, and will feature a student orchestra directed by the president of the orchestra. The concert will conclude with a reception for the performers and guests. The concert will begin at 8:00 p.m., and will continue until midnight.

Delta Gamma House will also be the site of a benefit concert for the orchestra. This concert will be held on Saturday night, April 15th, and will feature a student orchestra directed by the president of the orchestra. The concert will begin at 8:00 p.m., and will continue until midnight.

Delta Gamma House will also be the site of a benefit concert for the orchestra. This concert will be held on Sunday afternoon, April 16th, and will feature a student orchestra directed by the president of the orchestra. The concert will begin at 3:00 p.m., and will continue until 5:00 p.m.

Delta Gamma House will also be the site of a benefit concert for the orchestra. This concert will be held on Monday evening, April 17th, and will feature a student orchestra directed by the president of the orchestra. The concert will begin at 8:00 p.m., and will continue until midnight.

Delta Gamma House will also be the site of a benefit concert for the orchestra. This concert will be held on Tuesday night, April 18th, and will feature a student orchestra directed by the president of the orchestra. The concert will begin at 8:00 p.m., and will continue until midnight.

Delta Gamma House will also be the site of a benefit concert for the orchestra. This concert will be held on Wednesday evening, April 19th, and will feature a student orchestra directed by the president of the orchestra. The concert will begin at 8:00 p.m., and will continue until midnight.

Delta Gamma House will also be the site of a benefit concert for the orchestra. This concert will be held on Thursday night, April 20th, and will feature a student orchestra directed by the president of the orchestra. The concert will begin at 8:00 p.m., and will continue until midnight.

Delta Gamma House will also be the site of a benefit concert for the orchestra. This concert will be held on Friday evening, April 21st, and will feature a student orchestra directed by the president of the orchestra. The concert will begin at 8:00 p.m., and will continue until midnight.

Delta Gamma House will also be the site of a benefit concert for the orchestra. This concert will be held on Saturday night, April 22nd, and will feature a student orchestra directed by the president of the orchestra. The concert will begin at 8:00 p.m., and will continue until midnight.

Delta Gamma House will also be the site of a benefit concert for the orchestra. This concert will be held on Sunday afternoon, April 23rd, and will feature a student orchestra directed by the president of the orchestra. The concert will begin at 3:00 p.m., and will continue until 5:00 p.m.

Delta Gamma House will also be the site of a benefit concert for the orchestra. This concert will be held on Monday evening, April 24th, and will feature a student orchestra directed by the president of the orchestra. The concert will begin at 8:00 p.m., and will continue until midnight.

Delta Gamma House will also be the site of a benefit concert for the orchestra. This concert will be held on Tuesday night, April 25th, and will feature a student orchestra directed by the president of the orchestra. The concert will begin at 8:00 p.m., and will continue until midnight.
