Shakespearean Comedy Tryouts Held Tonight in Auditorium

Tryouts for the next University production, "As You Like It" will be held tonight in Auditorium from 8 to 10 p.m. According to Director Edward T. Smith, "As You Like It" will be given May 6 by the University Players. The parts are for 15 men, and all University students interested are eligible to try out. Rehearsals will be scheduled so that actors will not be required to give up much time. Many of the parts are small.

Tryouts for "As You Like It" will continue tonight (Thursday) in the 500 Room. Professor Smith announced.

Criticism Is Made of Play, Not Director or Actors

If any criticism is made to be "Mr. Finn Panes By," it should be made of the play itself and not of the directing, technical work, or acting.

Presumably the University Players last Friday and Saturday nights, this English comedy written by A. A. Milne, a little too British for Bowling Green, was perfectly done, directed and played by Mrs. Ellen T. Smith, the setting, de- signed by W. M. Stiles, was faultless in detail.

The small cast, however, was cast for its own amusement. It is rather a pity that the cast that produced the play was not chosen from the student body, with which the play has an unequal distribution of talent, or some other ability development.
