Concert and Dance
On Week-end Program
A recording concert and "dance on" are on the social program for the week end, sponsored by the social committee.
Mr. E. C. Morris, chairman of the music department, with the assistance of students of the department, will be held in the ampitheatre Friday at 7:30 p.m. In event of rain, the concert will be held in the Book Hall.
The program will consist of classical and semi-classical selections, and will offer one fairly long and one fairly short program.
The dance will be at 9 Saturday night, in the Recital Building. Admission will be by activity cards. The policy of holding dances on Saturday nights this summer is to please servicemen to attend.

MISS GERTRUDE EPLER
Miss Gertrude Epler, director of women's physical education, is chairman of the summer social committee. The complete social program appears on page 2.

Record Concert Next

Friday evening a recorded concert featuring the "Unfinished Symphony" of Schubert will be given, also in the Amphi theatre, or in the Auditorium if weather is unfavorable. The public address system will be used for this and thus a large outdoor audience may be accommodated. The program will be of two parts, the first an overture and the symphony, and the second of semi-popular selections. A recording may also be included.

Falcon Grid Opener
Scheduled For Sept. 1

Seven games have been scheduled for the 1944 football season. Three of them will be at home, it was announced today. The fourth game is technically called a home game but it is a nocturnal affair with Miami and will be played at the Toledo Waite Stadium. Student activity cards will serve as tickets however. The game will be played September 9.

The season opens September 1 with Central Michigan at Mt. Pleasant. The game will be played at the schedule. The Falcons then travel to Delaware to meet t...

Returns In V-12

Wynold Gray, star of the 1943 Falcon basketball team, returned here last week as a member of the Navy V-12 unit.
Gray broke the state scoring record while here when he amassed a total of 663 points to break All-American Bob Gerber's record. Last season Gray was a member of the stellar Great Lakes team which handed the Falcons two of their defeats of the season.

war front in Burma. He has crossed the English Channel to France and the North Sea to Norway as a press observer on commando raids. Only a few days ago he returned to the war front, this time in Burma. He will not return to America until late in September, just in time to appear on your program. All assembly programs will be at 11 a.m.

Student Activity Cards will be required for admittance to all assembly programs.
Beverly Huntinger is visiting Mrs. Bob Huffer, the former Ann Rothenburger and in her spare time is working as life guard at a California pool.

Baseball to Highlight Athletics This Term

A varied sports program is being established for the summer, the athletic department announced today.

Baseball will be the only intercollegiate activity until the football season starts September 1. No games have been scheduled yet for the summer season but independent teams from the vicinity and teams from the Toledo Federation are prospective opponents.

The summer sports season will be an informal one with teams picking up games as the opportunity arises. There will be no regular practice session.

Nest Summer Hours
Given By Manager;
More Help Needed

The schedule of hours for the Nest were announced today by Miss Katherine Rauch, manager. The Nest will be open from 6:30 a.m. to 10 p.m. each school day; 10 a.m. to 12 p.m. Saturday; 2 p.m. to 10 p.m. Sunday. Meals will be served at noon beginning at 11:30, and from 5:30 to 7 p.m. Dancing will be permitted any time, including Sunday. If any student desires a certain record he may request it and it will be obtained if possible when the records are changed the following week.

Services of summer students are greatly needed at the Falcon's Nest, according to Miss Rauch, who is appealing to all students to cooperate in running this non-profit organization.

Students who appreciate the privileges the Nest offers should show it by their willingness to assist in any way they can, according to Miss Rauch.

Jack Lofland Made Pi K.A. President

A/S Jack Lofland, Dayton, was elected president of the Pi Kappa Alpha fraternity this week.
He succeeds Norman Kiesel, who is now secretary. Olan Dunlap was elected vice president and Professor Wayne Huffman was re-elected treasurer.
Lofland is the first serviceman to be leader of the PiKA chapter here.
The chapter will remain active through the summer and the chapter house on South-Prospect street will also remain open.

John Richwine was appointed chairman of the publicity committee, Howard Kane, chairman of the social committee. The co-chairmen for rushing are Warren Couger and Olan Dunlap.

rather put me on the spot, but I can say that this is a very deli-
guete place."

To greet the new commander and to celebrate the Fourth of July a review of the combined women and sailor V-12 units was held. This impressive sight of khaki and white marching across the green field in orderly ranks made the students ask for more such reviews. When asked why these reviews were not held more often the lieutenant replied that according to Naval regulations a review is to be held only upon the visit of a general, governor, or other distinguished visitor or the celebration of a national holiday. "Reviews cannot be held every three weeks or four weeks just to hold a review," he stated, "but each has a definite purpose for being given."

Lt. Comdr. Jennings Courts, the former commanding officer, has been assigned to head the V-12 unit at the University of Redlands, Redlands, Calif. This transfer will place him back in his home state again.

More than a thousand pilots, bombardiers, and navigators have had part of their training through the University airport facilities under the Civilian Aeronautics program and the Navy V-5 program.

The V-5 navy program is expected to be completed in early August and will permit resumption of civilian training at the airport. Construction of this new building will place the University in position to meet the demands for large command for this training that is expected to follow the war.

Five Coeds Take Marriage Vows Following Close Of June Term

Of wide interest to the campus are the weddings of five university girls, all of which have taken place since the close of the spring semester.

Announcements

TEACHERS

All students who expect to be eligible for a teaching certificate at the end of the first eight-week summer term, or the sixteen-week term, should fill out a form in the Registrar's Office indicating that they wish to be considered for eligibility for teaching certificates. The form is not to be submitted to the superintendents of schools in their respective school districts.

MRS. PAUL SMYTHE

The former Patricia Schwartz, 46, who served a year's apprenticeship as one of several coeds to be married at the Bowling Green airport, has accepted a position on the Junior Delta Delta Delta faculty at the University of Illinois. She was married to R. L. Jones, Jr., at the Ohio State University last week.
