Pandemonium Reigns As Bee Gee News Staff Sweats to Put Out Issue

BY POLLY SIMEK

"Put the floor, and sit down," invites a harried proofreader. It's Monday night in the Bee Gee News office and the strain is really going to town.

About three of the labors would give the Lucky Strike auctioneers some hot competition if he could stand the strain. One of those laboriously lugged Amasonas clothes a piece of copy and then dreams away the night while the perspiring proofreader struggles to correct all the commas.

Second Speech Contest In Oct.

Dr. Wayne Thompson of the speech department has announced that another extemper-discussion is being planned for October. The topic for this contest will be: "Would the welfare of the country be best served by the election of Mr. Roosevelt or Mr. Dewey?"

The contest will close October 2 with preliminary speeches being held that week at the convenience of the contestants. The final contest will be held October 11.

To open up a possible misunderstanding of the story on the men's dorms which appeared in the last issue, it is announced that the fifteen house plan is a long range plan scheduled to be in operation several years. Actual plans have been completed for just the first of the five dormitories, a series of four to be held this year. The first contest of the series was held Wednesday.

The first place winner will receive a book of war stamps worth $2.50 as well as five dollars toward the grand championship. The winners of second and third place will receive five and three dollars respectively. All University civilian students are eligible to enter the contest. Service men cannot participate because of the military nature of the question. Entry blanks can be secured from the office of the Director of Forenaks, Room 10SA.

Students To Direct Plays Friday Night

Two one act plays, "Where the Grass Is Greener" and "Teenagers," will be presented Friday Night in the Auditorium.

Both of these plays were written by Eugene O'Neill and both will benefit the University production, "Papa Is All." The cast for this play includes Virginia Holbrook, Dean Ed Syvertson, and Olan Dunlap. Robert Marotz will direct "Papa." It is hoped that the cast of "Papa" will include members of the B-M fraternity.

The harmonized voices of Bob Maloney, Bob Bashore, Betty Ford, Jack Delora, and Galen Winter make up the cast of "Teenagers."

McDermott Elected Queen

Kay McDermott, a junior from Alliance, was crowned Homecoming Queen for 1944 in the election held last Friday evening.

Members of the court, who vied for the top honor with Queen McDermott, are Pati O'Leary, a sophomore from Cleves; Miss Sitterle, sophomore, Cincinnati, Ohio;oxelina Fagerlund, senior, Cincinnati, and Lois Ann Gaul of Sylvania.

The court, chosen from a field of eight, includes for this year's first time, two sisters, Mary Sitterle and Mickey Bittery Street. Queen McDermott is affiliated with Delta Gammas. Two of the court are independents, Pati O'Leary and Mary Sitterle. Mickey Street is Alpha Phi and Lois Ann Gaul is a Gamma Phi Beta.

The new queen will be crowned at the Homecoming football game sponsored by the Inter-Fraternity and Pan-Hellenic Councils on Saturday night, October 6, from 8:30 till 11:30 in the Men's gymnasium. The N Alvines will provide the music.

The Pan-Hellenic Council has busily been planning other ceremonies instead of the W.A.A. as in former years.

As is the custom, the new queen and her court will be presented before the game on the football field on Saturday afternoon. The Homecoming festivities will end with a movie at 8:15 in the Auditorium. "Wells Fargo," starring Joel McCrea, will be presented by the Social Committee.

Debate Team To Appear Soon

The University's debate team will make its first appearance in the term at Napoleon Thursday morning. September 21 will mark the beginning of the high school assembly. "The Build- ers," a group of young married people from the Bowling Green Presbyterian Church, will hear the debates on Friday evening, September 29. On Monday evening, October 2, the debates will appear before the Holgate P.T.A.

The members of the affirmative team are Robert Kniffin, Martha Trausan, Mary Ann Koeppe, and Patryce Meli. The negative side of the question will be debated by Olan Dunlap, Aurelia Christea, and Robert Milner.

"The question to be debated is, "Does the wearing of the legal voting age be reduced to eighteen." The debates will be forty minutes long.

Ferguson On Leave

L. Russell Ferguson is absent from the office today due to the Navy office announced today. He will return Monday.

Time for plans

With the approach of the end of the war in Europe, it seems that this is not too soon to start making plans for the days when the students of the University will celebrate V-E Day.

Many colleges and universities in the country have already completed their plans for the celebration. These plans include the dismissal of classes for the day, the scheduling of several assemblies to give thanks, and firework displays.

At the school here has made no announcement of any such plans. We feel that a plan of this sort does not signify an over-optimistic view. They are plans that can be fulfilled whenever the siren announces the end of hostilities in Europe, whether it be weeks, months or a year.

SCIENCE SAVING FLIERS

Ever since man began to fly he has found a limit to the heights that he could go safely, in regard both to his plane and his body. Classifying these hazards and testing new equipment and methods which will allow him to increase the roaming of the skyways with safety is the work of the Aero Medical Association of the U.S. At its 16th annual meeting this month, members reported on this year's discoveries to save the lives of our flyers. Some of them are:

Air Chokes: In a big steel decompression chamber a group of balloonists were exposed to a simulated altitude of 42,000 feet for a series of half-hour periods.

2. Aerotitis media, the trapping of air in the ear by rapid air-pressure changes. The thin air reopened old, long-healed spots from the device in order to exhale, but the new one was so distinguished, but which is so rare today. My book can only be understood from this simple point of view.

Miracles Do Happen

One of China's most noted modern writers and philosophers, Dr. Lin Yutang has embodied in his book "My Country and My People" the entire wealth of the Chinese people and their spirit and philosophy as few writers on the subject have ever done before. Within the pages of his book, he has captured China as it is.

Dr. Lin Yutang writes simply and yet, very deeply, of his country and the character of his people. He expresses the warmth, interest, and the gradual change and tradition which make China the great country it is. He states in the preface to his book: "I write only for the men of simple common sense, that simple common sense which has always been the strength of ancient China was so distinguished, but which is so rare today. My book can only be understood from this simple point of view."

No better words to describe the excellent manner in which Lin Yutang has presented his country and his people could be found than the comments written by Pearl Buck in her introduction to the book. She writes: "It is, I think, the truest, most profound, the most complete, the most important book yet written about China. And, best of all, it is written by a Chinese, a modern, a writer whose words are firmly in the past, but whose rich flowering is in the present."

"You've no doubt heard about the Sootman who was nearly pummelled to death because he thought the sign on the door said "Laddies."

Life In China

B-W Hands Falcons Second
Defeat of Season 13 to 6

The fast stepping, shifty Yellow Jackets from Baldwin-Wallace outmaneuvered the Falcons 13 to 6 in Bee Gee's first official home game of the year.

Both teams charged deep into opposing territory the first quarter, but were unable to score. Ralph Benedict, Yellow Jacket quarterback, heard a pass from his own 40 yard line to fullback Lee Tresnel, who was stopped by Jim Kinser, Falcon fullback, on Bee Gee's 26 yard line. The Yellow Jackets then had the ball on downs to the Falcons.

After moving up to the 46 on successive plays, quarterback Al DiMarco pitched a long pass to right end Fred Scheck on the 25 yard line, who was stopped by Jim Kinser, Falcon fullback, on Bee Gee's 26 yard line. A penalty set the Yellows back to the 40 yard line, who was stopped on downs to the Firebase.

Paul Gerhardt of Company 3 Platoon 1 in the National "A" league doubled to bring in the winning run in an extra inning game as (3-5) beat Company 3 Platoon 2, 15 to 11.

Joe Callahan of Company 1 Platoon 1 in the American "A" league grounded out with the bases loaded in the last half of the ninth and tenth innings of the game as the runner from third base wasn't tagged at the plate, as (1-1) beat Company 3 Platoon 2, 15 to 11.

Softball League Games Played Over Week-End

The Intramural softball league schedule was shadowed for a loss of 10 yards to the Yellow Jackets 10 yard line, who was stopped on downs to the Firebase.

Alma Tavres
The "Scots" from Alma College in Michigan will be looking for their first victory in three starts when they meet the Falcons on the local gridiron Saturday at 2:30 p.m.

Alma lost to Central Michigan 20 to 14 in their inaugural of the season. The next week Denison's Big Red team rolled over them 46 to 0. In a return game with Central Michigan the Scots lost 28 to 13.

Nothing is known about the personnel of the team as a report from Alma was not received.

Two new gridders reported to Coach Whitaker last week. They are Don Speckman, a civilian freshman and A/S Jim Pace, a fresh man. Speckman is from Sidney where he earned a letter as an end. Pace is a Navy freshman from Montpelier and was a guard on the varsity for four years. Pace will not be eligible until the last game of the season.

The Falcons, barring injuries the remainder of the week, will go into the game with the full squad ready for action.

Two Coeds Added
To Cheer Squad

The addition of two new cheerleaders to the squad last week gave the University its most complete squad in two years.

The new members are Opal Coron, a sophomore from Canton, and Jane Kohls, a junior from Parma. Opal was a cheer leader in high school. Jane led cheers in high school and Bethany College where she attended before coming to Bowling Green.

The squad now numbers six in all. Opal and Jane on the ends while four Navy men, Wynn David, Don Carlgren, Bob Beech, and "Hutch" Hutchinson execute tumbling acts.

New maps were used at the game Saturday and new uniforms will be worn in the near future.

Rally Friday Night
There will be a Pop rally Friday night in front of the Administration Building at 9:30. All students are urged to attend.

Have a "Coke"- Welcome back

There's an easy way to make a soldier on furlough feel right at home. It's to offer him refreshing Coca-Cola. Have a "Coke" is always the home answer to say. In many homes it's the "Coke" they serve in the living room, Coca-Cola stands for the pause that refreshes, -has become a happy symbol of hospitality, at home as everywhere.
