Homecoming Begins Friday

Contestants Chosen For Discussion

The entries for the extemporaneous speaking contests which have been de- clared Monday, stated Dr. Howard Thompson, with the following students eligible for the preliminaries: Jacob Schubitz, Robert Daum, Norman Klee, Mary Ann Koepp, Ruth Willey, Phyllis Crunchall, Helen Swinn, and Virginia Schwinn.

The topic for this contest is, "What would you best be served by the election of Mr. Roosevelt or Mr. Dewey?"

The preliminary contests will be held Thursday evening in the auditorium. The first round will consist in the choice to compete in the final, Wednesday, October 11, along with Aurelia Christea, first place holderover from the July discussion. The final round will consist of determining finalists for these discussions which would automatically ad- vance the holders of first, second, and third place in the July finals to compete in the final round along with three other contestents to be chosen in this month's preliminary.

Due to the fact that the sec- ond and third place winners of the July discussion are not attending school now, it will be necessary to choose five contestants in the Oct- ober preliminaries. The preliminaries will consist of a thirty minute group discussion. The final will be a five minute extempore speech by each contestant, and a thirty minute discussion by the judges.

Tickets will go on sale at the Centre Drug Store in Bowling Green tomorrow morning, and may be purchased at 50c each at any time during the regular hours of the store through 6 p.m. Friday, October 13. Those unable to get to either box office or Centre Drug Store may call 2825 for reservations.

BRUCE THOMAS

Bruce Thomas, war correspon- dent, will speak at the assembly program October 8. Mr. Thomas is an authority on commando raids and will give an inside story about the part they have played in the war. He is just returning from Europe this week so we are among the first to hear him.

Emilie Hartman Accepts Position

Miss Emilie Hartman, formerly on the Physical Education faculty here, has accepted a position at Sargent College of Physical Educa- tion for Women, Boston Univer- sity, as associate professor.

Sargent is one of the original physical education colleges for women. Miss Hartman will begin her new work October 2. Her address is 9 Everett Street, Cam- bridge, Massachusetts.

Radio Man Added to Speeeh Dept.

Aust. Prof. Sidney Stone from Ames, Iowa, will join the speech department staff this fall. He will work with Prof. Stone, who attended Ohio Wesleyan in 1929. He later received his master's degree from the same school. Prof. Stone did graduate work at Northwestern and Cornell Universities.

He has been associated with the public speaking department of Iowa State since 1930. For several years he specialized in radio. During the last two and one half years he has been on the staff of the college radio sta- tion WHO. He was a radio drama director at that station that last year, last spring. He has worked as master of ceremonies at the local USO in Ames.

Prof. Stone says that his hobby is his work. He calls himself a "jack-of-all-trades." During the short time Prof. Stone has been here he has been working as a phonograph record platter, been in charge of one of the many skills required in radio.

Prof. Elden T. Smith and Prof. and Mrs. Jesse C. Currier attended Ohio State last week at the time Prof. Stone did.

Prof. Stone says, "I believe there are great opportunities for teaching radio in that department here."
**Homecoming**

This year's Homecoming will place an obligation on all students enrolled in the University. With Homecoming for the alumni during a summer term, all of us must join in the festivities of the weekend. Certainly the various committees' chairmen have done their part to arrange an entertaining program.

The University Homecoming during the warm days, modified and streamlined, but the traditional spirit and gaiety must still abound.

Show the alumni that the "Spirit of Bowling Green" has not changed despite the changes only a small amount of meat.

"Green" has not changed despite the changes abundant in proteins and fats. The next day they were given steaks, bread, butter, eggs, and other foods to eat. Carthage was a disappointment, but the ruins of Tin-...

We heard the "Starlight" was plagued and everything was going according to plan. We are happy for his quick release from sick bay.

**NEWS OF THE WEEK**

Girls: If you don't mind your making love to me, but couldn't you be a little more subtle? . . .

"I hear they chased Alice from the nudist colony.

"Yeah, they discovered he had something running around Southern street sign: "No U-turn."

"I suppose," a girl in Penn.

"Well, I just dealt."

"What in the world makes your tongue so black?"

"Why?" declared the sailor.

"I've been looking . . ."

A colored preacher at the close of his sermon discovered . . . of one of his dozens of papers. He said, "We well now have a few minutes for prayer. Desmon Brown, will you lead?"

Desmon Brown skillfully re-

"What's your fave number, Baby?"

The bride walked down the aisle dragging "Four rows" very well.

She reads "Esquire." And does lots of things she

But see, she's my grandmother and I love her . . .

and last but not least the poor husbands staying at home with the children, working at a war plant on the side for $16 a week and then receiving that monthly allotment from the government for $50. Of course there are those unforgettable-few boy friends with girls overseas running around with U-13. But as fate would have it, this is not a woman's world and who am I to deny that it would be better that way. What do you think? What do you think?

**V-12 MUSES ON WOMAN WARRIORS**

**CONTRIBUTED**

What if by some quirk of fate this should be a woman's world? Can't you just imagine the Battle of North Africa being fought between the fanatical Naxi soldier-women for combat duty at the front (The M.A.C.s being the Marine Women's Army Corps.) There is much going on among those men left at home with their dependents.

Can't you see the complexities of persons not knowing . . .

"I just laughed it off."

Devcon Brown sleepily re-

Falcons Walk To Easy Win
As Alma Falters, 19-6

The Falcons won an unimpressive victory over Alma 19 to 6 before another hundred "high school" fans. Although the Falcons rolled up nine more first downs than the Scots, their play was far below par.

The first scoring break came shortly after the Scots when Pat Mulvihill, Bee Gee halfback, intercepted Jack Temple's pass on the Falcon 35 yard line and carried it to the 43. Mulvihill, Al DiMarco, Ed Lonjak, and Al Taves moved the ball to the Scots' 19 yard line via plays. DiMarco spiralled a pass to Mulvihill who was stopped on the one yard line. Lonjak plunged through the center on the one yard line. Lonjak carried the ball to the seven yard line. DiMarco spiralled the ball to the Scots' 19 yard line after a bad pass from Lonjak.

Bee Gee 36 yard line. After a three play drive the Falcons' final score came in the fourth quarter after the kickoff, when Pat Taves led the ball to the seven yard line. In three plays Lonjak carried the ball from the Alma 81 yard line to the 24 in two plays. Lonjak lost a yard, Al Taves carried the ball from the Alma 81 yard line to the 24 in two plays. Lonjak lost a yard, Al Taves plunged through the center. In three plays Lonjak carried the ball to the seven yard line. Lonjak plunged through the center. In three plays Lonjak carried the ball from the Alma 81 yard line to the 24 in two plays. Lonjak lost a yard, Al Taves plunged through the center. In three plays Lonjak carried the ball to the seven yard line. Lonjak plunged through the center. In three plays Lonjak carried the ball to the seven yard line. Lonjak plunged through the center. In three plays Lonjak carried the ball to the seven yard line. The highlight of the 1944 Bee Gee Homecoming festivities will come Saturday afternoon when the Falcons meet the "Battling Bishops" from Ohio Wesleyan in a return game. In their first encounter with the Bishops two weeks ago the Falcons won 13 to 6 in a well played contest.

Weslayan's record thus far this season is one win, two losses and one tie. The Bishops tied 7 to 7 with Case in the opener. They were defeated by the Falcons and the Big Red of Denison University in successive weeks. They hit the victory trail last Saturday by pounding out a 38 to 0 win over DePauw.

Coach George Gaither has built his team around Bernie Win- mels at fullback and Bob McFar- land at quarterback, with half- back Dick Swigart taking care of the passing duties.

The Falcons have not shown their full strength in any of their games to date and it is hoped they will be able to unleash their attack on the improving Bishops. The outcome of the final two games will depend on the caliber of ball the Falcons display in the Weslayan contest.

Falcons Try For Second Win Over Bishops Here

Two B. G. Stars
Nominated For
All-Star Team

Two of the Falcon's stellar cage- men, Howard Martin and Don "Bid" Otten, who played on the State Champion last year, were recently included in the 70 nominations for the 1944 College All-Star basketball squad, selected by the All-American board of coaches and sports editors.

The All-Star team is scheduled to play the World Champion Fort Wayne Soliters in the Chicago Herald-American's fifth annual cage classic in the Chicago Stadi- um, Friday, Dec. 1.

At a future date the board will make the final selections for the team.

The two Bee Gee stars were nominated along with such other outstanding players as Bob Kur- land, from Oklahoma A & M, Dick Tripton and George Mikun, De- Paul, Dick Ives, Iowa, etc.

Former Falcon
At Notre Dame

Art Merganthal, former Xavier University and Bowling Green State University tackle who was named captain of the 1943 team, has been given a discharge from the United States Marine Corps last week has entered Notre Dame University at South Bend, Indiana.

"Mergy" gained fame as a bone crushing tackle on the 1942 Xavier team. He was elected captain of the 1943 team, but as a member of the Marine Reserves he was sent to Bowling Green for training. "Mergy" quickly gained the re- spect of fans and playing players as a member of the 1943 Falcon squad. He was named on the mythical All Ohio team at the close of last season.

"Mergy" had an offer from the Chicago Bears of the professional grid loop, but declined the offer to continue his education.

Baffled Denizens Of Wood County

Turn From Watches To Sun Dials

By SID FREEMAN

When the city fathers of Bowling Green decided to turn back the clocks an hour last Saturday night, they didn't realize the confusion it would cause out-of-town University students who weren't accustomed to such radical changes in their way of life. In this article we would like to attempt to explain this chronometric mix-up in an effort to help these bewildered people.

The first step in understanding the change in time is to realize that Bowling Green is near the line that separates Central War Time from Eastern War Time, and vice versa. This tends to make the mornings darker and the evenings lighter during the winter when the days are naturally shorter.

Of course, the mornings aren't really darker. It just seems that way because Eastern War Time is geared more to the Eastern part of the time zone. This makes the sun rise late in the morning in Bowling Green. Apparently this is where the trouble lies. Farmers, it is said, rise early in the morning to do the things that they must rise early in the morning to do. If it is dark out, their efficiency is decreased and the war effort suffers. Reports from Wood County alone have shown that 1,400 3/4 pails of milk have been wasted, or partially, thrown away because in the darkness, the milk looked dirty.

But what the farmers gain in efficiency, the student loses in time lost trying to figure out what time it is. The trains and buses run on "fast" time even though most of them are running slow these days. Most metropolitan cities in the East are still on Eastern War Time. Cities in the Central War Time zone are on Central Time. The birds are buzzing and the bees are singing.

Perhaps the only way to keep it straight is to wear several watches, each plainly marked "Toledo Time," "Bowling Green Time," "Train Time," "Chicago Time," and what have you. And then there's always the sun dial.

Overman is Back

Dr. J. B. Overman, dean of the College of Liberal Arts, returned to his office Monday after spending his summer vacation at St. Ignace, Mich.

Time from Eastern War Time, that Bowling Green is near the line that separates Central War Time from Eastern War Time. Cities in the East are still on Eastern War Time. Cities in the Central War Time zone are on Central Time. The birds are buzzing and the bees are singing.

Perhaps the only way to keep it straight is to wear several watches, each plainly marked "Toledo Time," "Bowling Green Time," "Train Time," "Chicago Time," and what have you. And then there's always the sun dial.

contested elections for this coveted role.

The W.A.A. has supervised the crowning ceremonies in the past, but because of the earlier date this year, the Student Council is not yet functioning and these duties have been given to the Inter-

Student Directed One Act Plays

To Be Given At Theatre Tonight

Three one-act plays, acted and directed by students of the University, will be presented tonight, beginning at 8 o'clock in the auditorium.

The first play will be "The Bedroom Suite," by Christopher Morley. Appearing in "The Bedroom Suite" are Jack McCabe, Gwen Kinsey, and Bob Lyon. The director is Dick Herring.

"Happy The Bride," by Ray-
