**Prout Warns That War Is Only Half Won As University Pauses For V-E Day Celebration**

Wednesday, May 23.

It will be held in the auditorium, weather permitting.

"Prout warned that war is only half won as the University pauses for V-E Day celebration."
The heat's on! And it's been on 24 hours a day for 180 days and 16 hours. According to Randolph Bank, University of Missouri.

3,231 Tons Coal is Burned To Keep University Warm
by Pauline Smith

Since November 20 the furnaces which heat the boilers in the central Heating Plant have been in continuous operation and they're still hot. From September 25 to April 23, 3,231.77 tons of coal will have been burned to keep the temperature of the heating plant up. The result is a saving of approximately $2,300.00. The heat so generated will also be used for some of the rooms in the residence halls.

Chinese Girls Visit Williams Hall
In an effort to promote a campaign among the Chinese students, a committee of Chinese students has been formed to have Chinese students visit Williams Hall, the women's dormitory. The purpose of this is to acquaint the Chinese students with American ways of living and to increase American money to be used for the care of these Chinese students. In order to carry out this purpose, two people, the William students will go to visit the dormitory.

Dinner at Williams Hall was held recently to make the guests feel at home, and great care was taken to make the dormitory comfortable. Mary Franzen, Ann, and Azza were taken on a tour of the dormitory and treated the Trible Clef concert. Before leaving, they made some remarks about their future.

The Chinese war relief committee in Williams Hall, however, was not concerned with the personal affairs of the guests. The Chinese were war relief committee in Williams Hall, and their main object was to make the Chinese students feel at home. Mary Frances sang a Chinese war song, and the dormitory students replied in English.

Radio Relief Group Plans
Plans have been made by the United War Relief committee for a display of one work each in the University of the United States to be shown in the Well next Wednesday. Live radio programs will be broadcast from the dormitory, and all those who attend will contribute to the war effort, which is mostly translated now.

Radio Head Lauds Trible Clef Club
The following letter, sent to the Trible Clef club, was signed by Miss Mary Frances, an American nurse in the United States. She backed the family car out of the garage right now, but come on in. A lot of the par- ticipants are girls, and if you can't make the performance, you can still contribute by giving to the war effort.

Falcon Nine Opens Season
With 8-2 Victory over Perry
by Wright Burnham, A/J
Tuesday, May 8, 1946 - Bowling Green State University baseball team opened its season with an 8-2 victory over Camp Perry at the national air force base.

The Falcons displayed very good form collecting nine hits and committing only one error. Captain Pat Michalk did a good job of pitching for Bee Gee in the ninth inning. He was given a well-deserved win by John Warshock who also looked good on the mound.

By the ninth inning the score was 18 to 7 in favor of the Falcons. Pat Michalk tossed a complete game, recording 11 strikeouts and giving up six hits.

In the fifth inning Mulvihill got a single and came home on Leo Kubiak’s two-bagger which tied the score at one all. In the seventh inning the Falcons collected three straight singles and a couple of solid bunts to account for two more runs. The Falcons took advantage of another fine pitching job, coming through with an eight run inning making the score 4-1.

Three errors, several steals, a failed force, and a couple of singles accounted for four runs in the ninth inning. The Falcons scored their fifth time at bat, and after Perry’s hopes for a come back were dashed, it looked as if the Falcons would bag their first win of the season.

Sorority Sister Writes About First Bowling Green Wedding

by William Brown

"Sleep on a piece of wedding cake, and dream of the man you will marry" sent a multitude of guests home from the Alpha Chi Omega house last Tuesday night dreamily clutching the crumbs of a cake.

Two thirty-five pledges cleaned a house from floor to ceiling, a bride frantically searched for her dress at the last minute for the ring, the groom wiped his hands on the box towels, and the best man slipped a bottle of silver polish into the pocket prepared. And a dream came true.

A coal tender from Findlay College and a Navy V-12 met at a Focus group and began to dream of the day when they would make an Alpha Chi wish come true to be a beautiful bride from the first start.

For the first time, a campus romance culminated in marriage here at Bowling Green. When Helen Gage Mon- ey, a senior, and Charles Brackney, the bride of Eva Grace J. Fisher, Beta Gamma Upsilon, in a double ring ceremony at the Alpha Chi House May 1.

Disregulating most of the acceptance rules, the couple rushed to the church on the morning of their wedding day, and spent the afternoon before the wedding clapping wedding gifts, polishing his shoes on the kitchen chairs, and carrying water for the flowers. Even the bride was not as upset as most of the guests, and personally planned the wedding dress. The best man was技术 trained throughout the rehearsal that "Follow me" was the wedding march but pianist Alda Douthett recommended her own composition, "Darktown Strutters' Ball.

In the church, the bride wore a white, velveteen organ gown that looked like a wedding dress, and the groom wore a blue, tailored suit. The best man fit the suit, and the ushers wore white shirts, black ties, and black top hats.

A cheery patch of astilbe, a strand of pearl wedding garland.

The Association of Childhood Education will offer a special program on May 13, at 6 p.m. in the women's club. The program will be of interest to all members and their husbands. The theme for the affair will be 'Miracles.'
