The program will begin with a procession of the faculty in academic regalia to the Administration building. The faculty will then, following a review of the academic calendar and the student body, participate in the exercises.

There are plans for an address of welcome by the mayor of the town, the Maumee County fair, a program of the college, and a program of the student body.

When the exercises have been concluded, the students will return to the Administration building for a reception.

During the exercises, the students will be given an opportunity to express their appreciation for the work of the university.

The climax of the program will be a reception for the students and their guests in the Administration building.

May Day’s Celestial Theme

May Day, Bowling Green’s traditional music and dance festival, will be held in the University Amphitheater Thursday, May 24, weather permitting.

The program will be a celebratory ceremony, introduced by a candlelight ceremony of the students, leading to the presentation of the queen and her court.

In the event of rain, the program will be held the following evening under the stars. The ceremony of the "Queen of May" will be followed by the modern dance display of the social dances of the 1940s and the "Theod Chie" singing a song of songs. Interspersed with these scenes will be selections played by the Bowling Green University orchestra.

Special lighting arrangements will be made for a selection of the ceremony. The orchestra will be conducted by the faculty of the university.

The climax of the program this year will be the coronation ceremony of the queen and her court.

May Day has always been a high point of interest among students of Bowling Green. Last spring for the first time, the queen was chosen from the student body. This year, the coronation ceremony will be held in the Amphitheater.

Hats off to BGG's resale efforts and sports. Not one of them backed down on his agreement to perform for student groups when asked to. At 10:30, they arrived at the Ad Building steps. They were in the mood and ready to make a clean sweep of the Campus. The audience was as enthusiastic as the performers. It is a pity that the weather prevented most of the audience from being present. A very good performance was given by Bob Bashore, A.S. Mary Alice Beeler, Helen Dougherty, Virginia Marlon, Lois Manner, Betty Mundling, Tom Mercer, Lucille Pope, Jacque Shulte, Lori Smith, Judy Sungierer, Roeemarte Tomka, Pat Uhlman, Joanne Waudh, Edith Gilbert, Barbara Kern, Marlorle Keyerleber, Janet Moll, Virginia Paenow, Shirley Petkosek, Mary Jane Piper, Betty Loan and Ethel Whalicke.

Departmental awards for outstanding work is also rewarded. This has its advantages in the students' career achievement. More departments should consider this as an addition to the Honor Day exercises. A well appreciated of Bowling Green's annual affair is the book fair. It is a well known fact that awards and incentives serve to bring about more and better student work. It is easier to have cooperated to make the show a success. As we observed Mother's Day last week, it might be well to remember the rest of the year and to give her her birthday. It's a fact that a girl's idea of life is "I don't feel much like doing any homework for tonight."

Extravaganza was attended by a faithful coed reader. "It's hot!" He added this with the situation of the U.S., Russia, and the other nations of the world. This is done by the fraternities and sororities.
