Alumni Luncheon Scheduled June 22

The program for June 22 will be a members only event during the Alumni Association luncheon meeting. The meeting will be at noon, May 28, in the Shott Drawing Room. At this time special honors will be given to the class of 1930, on their 25th anniversaries, and to the class of 1920, on their 35th anniversaries. The meeting will be preceded by a working session.

As president, Sue said. "The annual clean-up program has been planned."

Dr. W. E. Baker, editor of the Alumni Magazine has released it as invitation to all alumni members to attend the luncheon and come early to enjoy the special refreshments. "Commencement Day usually finds the class of '20 and '30 school friends. They want to meet friends in the area and refresh their memories on their alma mater experiences with them. Take your schedule and mark June 22 as a special day.

Reservations for the luncheon should be sent to the Secretarie of Alumni Relations by June 15, Dr. Baker concluded.

In Worthwhile Beginning

Congratulations to the cast of "Picknic Blues," in its writers, directors, and behind-the-scenes crew.

During the annual clean-up program to be held up to the high standards set by Bowling Green's University Theatre in the past, we are confident that you should receive praise for doing what has not been done here in recent years—producing an event of all musical show.

This sort of thing has been tried before, and failed. The only difference is that this time it has been arranged so that its programs produced in competition for the assembly cup, and these are being planned so that they may become "the talk of campus" in character.

Then, too, you have proved that Ohio's and V,12's can be united in this sort of cooperation.

We hope that you will set a precedent that may become one of the ever-growing list of Bowling Green traditions so that all other students and junior will have yearly student-written, directed, and produced variety shows.

Elementary Pupils Have Pole Vault

The annual spring pole vault school program in the training by the Tennessee high school students will be a demonstration of athletic ability. The program will be held during the year. It will be conducted by both of the entire faculty.

Weather permitting, the pro- gram will be held outdoors on the school playground. In case the weather is unfavorable, the event will be held in the Tiffin High School gym.

The best teachers directing the affair are Jean Meek and Louise Miller. Fred. Lee Fabley is the faculty member in charge.

University Grows Tomatoes, Sugar Beets for Next Year

Food from its own garden will be used by the University next year, when sugar and tomato crops from 24 acres of ground at Bricker Field, President Frank J. Frott announced today. Twenty acres of sugar beets and four acres of tomatoes will be planted in each crop and President Frott hopes that this will produce enough to enable the University to meet the need of the students for vegetables in the local market. The produce will be marketed, both for that reason will have to be raised.

The University has leased the land the school planting and harvesting will be done by persons who will do the work on shares, half of the product to go to them and half to the University. The student help will likely be used.

University Department Magnusson Herrick and his 1,900 pounds of sugar and 16,000 pounds of tomatoes were used in the United States, Kral said. About 200 pounds can be raised per person per crop. The crops will be planted in June, harvested in July, with the major portion of the sugar beet harvest in early August.
