Boughton reappointed physics dept. chair

Robert I. Boughton, physics and astronomy, has been reappointed to a four-year term as chair of that department. Dr. Boughton joined the Bowling Green faculty in 1980 as chair of physics and astronomy, coming to Bowling Green from Northeastern University in Boston. He received a bachelor's degree in engineering from Ohio State University and both master's and doctoral degrees in physics from Ohio State.

In Brief

REMEMBER, NO STEAM
The Central Heating Plant will be shut down for necessary repairs from 6 p.m. Friday, Aug. 17, until 6:30 a.m. Tuesday, Aug. 21.
During this period there will be no steam available for any purpose. This will affect building heating, air conditioning, pool temperature, laboratory cleaning, dishwashing and any other activities that require hot water.
The steam supply will be limited from Sunday, Aug. 12, until the shutdown on Aug. 17. There will be no air conditioning in the technology building, O'Keefe Tower, or the business administration building.
The heating plant shutdown will not affect any buildings east of Mercer Road, south of Wooster Street or north of the technology building. All other buildings on campus should prepare accordingly.

BOOKS ARE DUE
Faculty and administrative staff who have borrowed books from the University libraries are reminded that all materials currently on their loan must be returned or renewed by the end of the academic term on Aug. 17.
Instructions for return and renewal are being mailed to appropriate faculty and staff along with a list of pending charges for library materials.
Renewal may be completed by phone or through the campus mail. Books should be returned to the library from which they were borrowed.

QUESTIONS ABOUT PROCEDURES FOR returning or renewing books should be directed to the supervisor on duty at the Jerome Library (372-2051) or the Ogg Science Library (372-1591) circulation desks.

SUMMER IS ENDING
The Office of Personnel Support Services has issued a reminder that the four- and one-half-day work week schedule will end on Friday, Aug. 17.
Beginning Monday, Aug. 20, regular work hours will resume. In most cases, offices will be open from 8 a.m. to noon and 1:30 p.m. to 5 p.m., Monday through Friday.

STAFF RECORDS DUE
Administrative staff are reminded to complete their annual vacation/sick leave records and return them to the Office of Administrative Staff Personnel Services as soon as possible.
Copies of the form are available in that office.

FOR SALE
The Office of Public Relations has for immediate sale two new Personal Editor software packages for the IBM PC computer. The packages are priced at $70 each.
For further information contact Shirley at 372-516.

Armo executive to receive honorary degree Aug. 18

An executive of one of Ohio's largest corporations will be presented an honorary degree during summer commencement exercises Saturday (Aug. 18). Nearly 1,000 students are expected to receive degrees.
John G. Jenkins, vice president for corporate government and international affairs of Armco Inc. of Middletown, will be awarded an honorary doctor of public affairs degree during 10 a.m. ceremonies on the lawn west of University Hall. He also will be the commencement speaker.
In event of rain, graduation will be held in Anderson Arena.
The honorary degree will be Jenkins' second from the University. A retired U.S. Foreign Service officer with more than 30 years of experience in Europe, the Near East, western Latin America, he earned a bachelor's degree in international relations from Bowling Green in 1948. In 1950 he received a master's degree in international studies from George Washington University, and in 1959 he received a second master's degree in public administration from Harvard University. In 1972 the University Alumni Association presented him the Distinguished Alumnus Award.
From 1968 to 1981 when he joined Armco, Jenkins served in the U.S. Foreign Service where he worked as assistant secretary of state for congressional relations, deputy assistant secretary of commerce for East-West trade and assistant director of the U.S. Information Agency for Soviet-East European information programs.
In addition to filling posts in Bangkok, Caracas, Munich, Hanover and Hamburg, he has served as a specialist on East German politics, aide to the head of the American political officer in the Moscow Embassy, a former lecturer at Georgetown University, he was president of the U.S.-U.S.S.R. Trade and Economic Council in 1980.

Psychology professor dies in Indiana

Lowell Schipper, a professor of psychology at the University since 1971, died Aug. 17 in South Bend, Ind. He was returning to Bowling Green after spending the summer at Williams Air Force Base in Arizona where he was conducting research.
Dr. Schipper received bachelor's, master's and doctoral degrees from the University, was on the faculty and held faculty positions at Ohio State, Rutgers, Kansas State and Pennsylvania State universities before coming to Bowling Green. He was involved in early human factors research in the air traffic control system and had held consulting arrangements with numerous organizations, including Boeing and IBM.
During 1979-79 and 1979-80 Dr. Schipper was on leave from the University, serving as a civilian scientist at Williams Air Force Base. He was a fellow of the American Association for the Advancement of Science and a member of the American Psychological Association and numerous other scientific societies.

Newman receives Marshall Fund award

David S. Newman, chemistry, has received an award of approximately $4,000 from the Norwegian Marshall Fund in Oslo to support his research in Norway during the coming academic year.

Newman will leave in September for the University of Trondheim's Institute for Inorganic Chemistry, one of the foremost research centers of its kind. At the institute he will study the structure and properties of molten salts - the same kinds of ionic liquids which are used as electrolytes in some batteries and are also an effective medium for liqifying coal.

His work will be funded primarily through a Senior Fulbright Fellowship. From the additional financial support from the University of Trondheim.

Dr. Newman will remain in Norway for at least 10 months, returning to campus within the next year.

Parking decals expire Aug. 18

Facuity and staff are reminded by the parking and traffic office that all parking decals currently in use will expire Aug. 18. New decals will be needed on all vehicles at the start of the next academic year.

New decals can be obtained during the week of Aug. 20-24 in the following locations:

Administration Building (west lobby area), 7:30 a.m. to 9 a.m.; Plant Operations and Maintenance Building (conference room), 1-5 p.m. Aug. 20 and 21.

Life Sciences Building (east lobby, main floor), 7:30 a.m. to 9 a.m.; University Union (second floor corridor of the Grand Ballroom), 8 a.m. to noon Aug. 24.

When registering, employees must present a fee waiver signed by their budget administrator and a completed motor vehicle registration form also available from the budget administrator.

The cost of registering a second vehicle is $55. This amount will be charged to the individual's account in the bursar's office.

Faculty and staff are encouraged to utilize the satellite registration centers to obtain their decals. However, registration can also be completed beginning Monday (Aug. 13) at the Parking and Traffic Office which will be open weekdays from 7 a.m. to 7 p.m. through Aug. 27. After Aug. 27 the office will be open 7 a.m. to 9 p.m. weekdays and 8 a.m. to 4 p.m. Saturdays and Sundays.

The policy for visitor parking registration also has changed. Visitors will no longer be required to display parking permits when parked in metered spaces. To avoid a ticket, proper coins must be deposited in the meters. Visitors who do not park in a metered area must obtain a parking permit.

Questions about the new regulations or the procedures for obtaining decals should be directed to the parking and traffic division of the department of public safety, 372-2776.
