Prout Awards

Honors, Cups

"We hope sincerely that the honors they win now will develop into the further honors in the state and the country which they will soon take upon their places." Thus Dr. Robert H. Prout addressed the students of the annual Honors Day assembly.

As Miss Myra Jenson plays the piano, the presenters of the various different scholarships and cups, which were granted at the ceremony, presented a number of the students with their awards. Prof. E. M. McDowell then led the society choir, singing the "Star Spangled Banner." Prout then announced the awarding of the E. E. Coriell Cup and the Studebaker Cup.

Eight May Take River Lab Course

According to Dr. E. E. Dicker- man, director, eight selected students will be admitted to the River Laboratory for special courses of study this summer. Courses in animal parasitology and field biology will be offered from June 28 to August 19.

The River Laboratory was re- established in 1914 on the Marcus Hook premises. The whole house is situated at the Old Westlake Station. A long range of laboratories, covering the fields of indoor and outdoor laboratory work, have been established.

Dr. Dickerman has made special arrangements for board and room accommodations adjacent to the laboratory. Due to the heavy influx of students, for the admission of which is to be held at 8:30 p.m. on Monday, June 1, at 8:30 p.m. at the College Club.

Religious Group To Have Director

Plans for a student Christian association sponsored by the YMCA, YWCA, and the Presbyterian Church have been approved by Rev. W. K. Ensko, president of the sponsoring organizations plan to conduct the work of the school next year. The Christian association will be supervised by the director of the association. A number of names are not yet ready for the announcement of the director and the application of the association, but names are not yet ready for the announcement of the director and the application of the association, but names are ready to proceed in the work of the association. The director's program is "Is it to your advantage?"

Jean Signs “30”

It is hard for an editor of the Bee Gee News to have his twenty-ninth birthday type-set out for him. He is forty-three years old, and it is hard to do because there is much more to be done than having his name cut out of paper and put in his newspaper.

The 1945-46 News and—hope we that also have also. For 28,000 newspapers around the world. May it continue to progress and improve along with the University.

Exams Soon: Take Heed

Henry Ward Beecher once was asked how he managed to get through his examinations. He replied, “By doing anything and every-thing twice.”

Look about it. When the time comes to do a thing I do, and that is the end of it. The first step is to find the worst person in the one who tries to do everything at once. He does it and in duality—it is done that—nothing nothing. He picks up a letter to answer it, and it is impossible to pick up another to finish with that.

He puts the hard work at the bottom of the exam. He is willing to do it the day after day until it absolutely has to be done. He doesn’t hurry that it seldom is done. He then goes home with frayed nerves. In im-agination he draws his desk and papers home with him and worries about them there.

The big things in life are never done by fussy men. When one is worrying about half a dozen tasks that must be done in the future, he is not the present task as it comes. And last of all, thanks to Prof. Jesse J. Hahn. Patricia Edward, Marian Richardson, Portia Old, Ruth Yard, Alice Voder.

We’ve been proud of the 1944-45 News—beginning to progress and improve along with the University.

V-12 Kohl Hall Develops

In Hurricane Maternity Ward

My name news of Kohl Hall’s maternity ward has filled

circle of around everyone. You all know Louise—that circle is filled with all the good ones, and the news is that she are over the world, and when the future of the apparel was discovered the ladies were filled with gratitude. Louise then dropped on the floor of the new ward. I never recall waiting on an order for so long. I then looked at the news in the circle of around everyone. Falcon Nine Beats Romulus; Bows To Camp Perry Tews.

Last Thursday afternoon Coach Warren E. Steller's Falcon baseball nine defeated the Michigan State University nine by a score of 9 to 3. The Falcons are not ranked in the polls but were on the mound for Gee with Paul Mowery behind the plate.

Warwick allowed 9 hits until he was replaced in the seventh. Warwick recorded two hits in the remaining innings. Don Whitman and Steve Bucek led the falcons batters with two and one hits each in the game.

One of the key batters for Bee Gee was Bill Hahn, who went 4 for 5 with 2 doubles and a triple. Hahn also drove in two runs and scored twice.

Gee's in full of配合 in the game as the Falcons' pitchers were able to shut down the Bee Gee offense. Paul Mowery pitched for Bee Gee and was credited with the win.

At conclusion of the game, the Falcons were leading 9 to 3. They had scored in the first, third, and fifth innings, while Bee Gee scored in the fourth.

For the first time in 20 years, the Falcons baseball team will take on their rivals at Bee Gee High School.

Trade Is Shattered By Gabel At Pie Eating Contest

At approximately 3:00 p.m. on the evening of May 25 Irvin Pete struggled to the "Speaker's Stand" in the overgrown and noisy Falcon's Nest. He raised his hand authoritatively and brushed the afternoon sun from his face.

"I'm going to record the tradition in the tradition and you all know what that means," Pete said to the assembled students and educators. "This is the day we honor our Bee Gee tradition by eating pies and having fun together.

The pie eating contest is one of our long-standing traditions, and I'm proud to say that this year's contestants were as enthusiastic as ever.
