Computer facilities moved to accommodate new VAX system

In preparation for the installation of a new VAX 11/785 computer system, the faculty, staff and graduate student computer workroom has been moved from 128 Math-Science Bldg. to 102 Hayes Hall. In addition, the DEC 2060 terminals have been moved from 240 Math-Science Bldg. to 128 Math-Science Bldg.

Equipment available in the faculty, staff and graduate student workroom in 102 Hayes Hall includes:
- 1 IBM PC (256K, 1 drive);
- 1 IBM PC (256K, 2 drives, color monitor, dot matrix printer);
- 1 IBM PC for job submission to the IBM 4341 mainframe;
- 1 APPLE Macintosh (128K, 1 drive, Imagewriter printer);
- 1 APPLE IIe (64K, 2 drives, communications capability from DEC-2060, C.Itoh letter quality printer);
- 1 VT 240 monochrome graphics terminal for the VAX 11/785;
- 1 VT 241 color graphics terminal for the VAX 11700;
- 1 VT 1 terminal for the VAX 11700;
- 2 VT 101 terminals for the DEC-2060;
- 1 L343 hardcopy terminal for the VAX 11700;
- 1 L344 dot-matrix printer;
- 1 3M self-service scanner.

In addition, the following terminals used in microcomputer product demonstrations are available for use at all times except 9-10:30 a.m. on Tuesdays and Fridays and 10:30 a.m. to noon Wednesdays and Thursdays:
- 1 APPLE Lisa (1024K, 10 meg hard disk, Imagewriter printer);
- 1 APPLE Macintosh (128K, 2 drives, Imagewriter printer);
- 1 IBM PC (512K, 2 drives, color or monochrome monitor, dot matrix printer);
- 1 IBM PC jr (128K, 1 drive, color display).

Software currently available in the faculty, staff and graduate student workroom includes:
- APPLE Lisa: 7/7 office system;
- APPLE Macintosh: MacWrite, MacPaint;
- APPLE IIe: Softterm 2, Applewriter, PFS, Viscal, PKASO, DOS, CP/M, BASIC, DOS and APPLE Pilot;
- IBM PC: DOS, LOTUS 1-2-3, Multimate, PC-File III, BASIC, Personal Editor;
- IBM PC jr: BASIC, DOS;
- a variety of reference manuals and free documentation handouts also are available.

The DEC laboratory, now located in 128 Math-Science Bldg., is equipped with 33 DEC-2060 terminals (3 of which are hardcopy) and 12 VAX terminals (VAX terminals for use by faculty, staff and graduate students only).

A list of dates for the installation of a new DEC VT 240 and VT 241 terminals will be added when the VAX 785 system is installed.

Board of Trustees to meet Jan. 18

The January meeting of the Board of Trustees, originally scheduled on Friday, Jan. 11, has been postponed until Friday, Jan. 18.

The meeting will begin at 10 a.m. in the McFall Center Assembly Room.

Kaplan to direct Health Center

Joshua E. Kaplan, formerly a physician in the emergency department at Marshall Hall Memorial Hospital in San Francisco, has been appointed physician and director of the Student Health Center.

Dr. Kaplan fills a position which has been vacant at the University for approximately one year. In the interim, Robert Desmond, a Health Center physician, has served as acting director.

According to Mary Edmonds, vice president for student affairs, Dr. Kaplan will be in charge of all day-to-day operations of the Health Center, including setting policy and procedures for the faculty. He also will treat patients.

"Dr. Kaplan agrees with the philosophy that we have been trying to carry out in the operation of the center," Dr. Edmonds said, adding that he supports the wellness concept of medicine and is an advocate of women's health programs. "He is genuinely knowledgeable about and interested in the health of adolescents and young adults," she said.

As director of the Health Center, he will report directly to the vice president for student affairs and will be actively involved in the Ohio College Health Association. Dr. Edmonds emphasized that he also will work closely with the University's Student Health Advisory Board and the current Health Center staff in implementing new programs.

Dr. Kaplan received a bachelor's degree from Princeton University in 1967 and earned his M.D. degree from the Stanford University of New York system in 1971.

He interned at San Francisco's Presbyterian Hospital and completed his medicine residency at St. Luke's Hospital in Denver. In 1978 he was certified by the American Board of Internal Medicine.

A member of the American College of Emergency Physicians, he has been a staff member of emergency departments at several California hospitals.
Administrative Staff Council

Mary Edmonds, vice president for students, has announced the newly revised Student Code to members of Administrative Staff Council at the Council’s December meeting.

In presenting the revised document, Dr. Edmonds, who was a guest at the meeting, noted that the code basically explains the rights and responsibilities of students and that the revision represents nearly 70 hours of work by the committee which reviewed the former code.

The Council also heard a report from the Handbook Review Committee which will be chaired by Paul Yon, Center for Archival Collections, and will be renamed the Personnel and Welfare Committee.

Among the items to be considered by that committee are review of the Administrative Staff Handbook for clarity and continuity; vacancy and leave policies and the grievance policy.

During a report from the Council’s Professional Development Committee it was noted that the Administrative Council has approved three workshops to be offered by ASC and Administrative Staff Personnel Services. Workshop topics will be microcomputers, performance evaluation and “getting organized.”

After considerable discussion relative to attendance at professional development seminars, council approved a motion that requires vice presidential approval to attend a workshop held on campus during working hours.

In other business it was announced that Marshall Rose, placement services, resigned from the Council. Peace Chair, educational development, will fill his post;

— that the Council would request budgeting of $1,520 for the coming year (the same amount as budgeted for 1984-85);

— that the Council’s Financial Exigency Committee continues to review the exigency policy;

— that ASC will seek to appoint a liaison to the Faculty Senate and Classified Staff Advisory Committee.

Rec Center passes on sale Jan. 7

Spring semester memberships to the Student Recreation Center go on sale Monday (Jan. 7) in the Rec Center office. The memberships are valid immediately through May 10.

Faculty, staff, alumni and members of the Presidents Club may purchase a single membership for $42. A family membership is available for $63.

Also on sale are LIFT (Limited Fitness Tickets) at a cost of $21 per semester. The LIFT ticket allows limited access to the center facilities and is valid only during the times when classes are in session (Jan. 14-May 10). The spouse of a LIFT member may purchase a LIFT ticket for $10.50.

Spring/summer memberships also can be purchased at a cost of $54 for a single member and $126 for a family.

For further information contact the Rec Center office at 372-2711. Although hours for the Rec Center this week (Jan. 7-13) remain the same, on Monday through Friday, the office will be open during regular business hours for those who wish to purchase a membership.

Rec Center members should also note that the whirlpool spa in the Club Pool will be closed for maintenance until Monday, Jan. 14.
