News, Key Form Policy Boards

A policy board for the Bee Gee News has been formed and meets every Thursday at 12:30 in the Administration Building. Its purpose is to handle student personnel problems, and give staff members a chance to discuss and solve their problems. A weekly board is held every two weeks.

Members of the News policy board are: Alice Martin, Shirley Petkosek, Berry Denow, Phyllis Petkosek, Marilyn Holley, Doris Smart, Jean Kerkert, Martha Ann Zoll, Robert Howard, Marilyn Ludington, Phyllis Layton, Glennie Beall, and Janet Schlager.

18 Will Graduate at End of Term

Eighteen students have given the Bee Gee News their congratulations and the best of luck for the coming year. The University will have 11 in the College of Education, 9 in the liberal arts, and 2 in administration. The last-named were not available for their congratulations.

No official statements of graduation will be made. Any students who wish to make statement of their stand should address their congratulatory notes to the key office.

Jen Eckert chosen SAE Sweetheart

Miss Audrey Kenyon Wilson, daughter of William and Bertha Wilson, is chosen the Sweetheart of the SAE fraternity. She will represent SAE and the university for the coming year.

The Walk in the Park will be held on the 26th of this month at 2 p.m. It is sponsored by the SAE fraternity, and tickets may be purchased for 50 cents at the SAE office in the Business Administration building.

Sweetheart of the SAE will be selected at the walk in the park. The winner will be announced at the SAE social to be held on the 28th of this month.

Time On My Hands? Is Theme Of Tom Downer, Wonder Man

by Willy Stone

"Vernissage" is the word for Tom Downer, junior, who just barely got his 40th birthday. Tom downer, a "glorified junior" with all his major requirements are certainly more than a year behind special problems.

As a student of the Bowling Green University, Tom works for Dr. Charles Oth. His major work is in the medical office, which deals with histology and various medical techniques. His tasks include blood counts and slides in the lab, and any other task assigned by his supervisor. When he isn't working, Tom enjoys playing tennis and spending time with his family.

Time On My Hands?

Tom is a senior at Bowling Green State University, majoring in Chemistry. His studies have led him to a position on the Medical School Board. His major project is working on the development of new medical techniques that can be used to improve health care.

Tom is also active in the community, serving on the Board of Directors for a local charity. He is passionate about improving health care and making a positive impact on the lives of others. He is a role model for those around him and is known for his dedication and hard work.

Tom is married and has two children. He enjoys spending time with his family, playing tennis, and working on his hobbies. He is always looking for new ways to stay active and healthy.

Tom's story is an inspiration to many. He is a true example of the power of hard work and dedication. His accomplishments are a testament to his commitment to a better future for all.

Here is the conclusion to the "How to Watch Basketball" article started last week in this column.
A combination of these two types of defensive systems is often used, but it is quite complicated to do it in the defense since you are constantly switching opponents.
There are several types of defensive styles employed. One of the most popular is the "ball screen," in which the defense presses the offensive styles employed. One of the most effective against any style is equally effective against any style.
