President Approves Constitution Revision

Student Council at a special meeting last Saturday afternoon approved a revised constitution for the Student Council. Dr. Preot, president of the university, ascertained the action of the council on such a proposal. During the meeting, Dr. Preot gave his tentative approval to the Constitution, to be amended Monday afternoon.

The action taken by the council is expected to be beneficial to the Student Council and the university at large, as it will enable the council to function more efficiently in carrying out the wishes of the Student Senate and the university administration.

PSR to Hold Boys' Dance

The President's Student Recreation and Social Thought (PSR) group will hold its first Boys' Dance of the year on Saturday night, November 19. The dance will be held in the Grand Ballroom of the Student Union from 8 p.m. to 12:00 midnight.

Student Council Action

At its meeting last Saturday afternoon, the Student Council approved a revised constitution for the Student Council. The council also approved a motion to allow the use of the Student Union auditorium for the Nursing School's annual ball.

Campus Opened

The campus was officially opened on October 21, with a ceremony attended by university officials and students.

Kindergarten Antics

The kindergarten class at the university's Experimental School had a special day last week, with a theme day focused on the alphabet. The children had a Blastema Day, which is named after a special character in the Dr. Seuss series.

Student Affairs

The Student Affairs Committee met last week to discuss various matters concerning the Student Union. One of the topics discussed was the possibility of holding a dance by the Student Union on a Saturday night.

The organization has been approved by Dr. F. E. Preot and the first regular meeting will be held on Thursday, November 14, in 367 of the Laboratory Building.

It Won't Be Like This

by Verne Graham

Limits set upon the number of tickets sold for the six技术创新 cases contents may not suit everyone, but our students and faculty might be the best possible. Over 2300 students will be able to attend the fall classes, which means that over 500 in all given to non-students. Previous auditions are not necessary as the tickets may be easily purchased at the ticket boxes in the student center. As a late registration to студентs so that he could cut out the case for the selected reading and the class and their professor to the door would have been received. The student who wanted some who attended the first two sessions of the course had to work on some serious and frequent student to letter to ed.

Doug Henneman, student representative, was elected by the students to the Amherst College re-

intelligent democracy

by Bruce Sidahom

The bollocks have been counted, and the newly elected are about to take office. Throughout the nation, the people are condition of better health, and the election of a system of representative government has moved us into the 21st century. We, as college students, should be fully aware of the consequences of applying to our responsibilities. If we are aware of these responsibilities and this consciousness, we can take to make others fully aware of the situation.

college curfews

by Helen Burrell

Bout: 'I'm the fastest man in the world. When I run up steps it sounds like a machine.'

Bout: 'That's nothing. One night I ran into a house, climbed the door behind the curtain, snuck in, undressed, turned off the electric switch, was in bed before the light went out, and then I heard the front door bell go off.'

Zippo Cling Homecoming Queen

At Orange State this year, the tradition of honoring a courting homecoming queen will be observed by the students. The pageant will be chosen from the ranks of children of veterans. Women who have been killed in the war are considered to have made the ultimate sacrifice. An example of the hopelessness of our enemies in World War II.
