ARTICLE 6

GRIEVANCE PROCEDURE

Section 6.10. A grievance is defined as any dispute regarding the interpretation or application of this Agreement between the University and an individual member or members of the Union. Pending a decision on a grievance, the University’s order shall be followed as given with regard to the employee(s) involved.

Section 6.20. The Union and the University agree that it is important that complaints and grievances be processed as quickly as possible at each administrative level set forth below. To that end, the number of days indicated herein shall be considered a maximum. The time limit specified may, however, be extended by mutual written agreement between the University and the employee or his designated union representative.

Section 6.30. If a grievance is not presented within seven (7) workdays after the employee knew or reasonably should have known of its occurrence, it shall be considered not to have existed or occurred. In the event that the University does not respond to a grievance within the specified time limits, the grievance may be appealed to the next step of the grievance procedure.

Section 6.40. Nothing contained in this Agreement shall be construed to limit the individual right of a bargaining unit member having a complaint or problem to discuss the matter informally with members of the University administration through usual channels of communication.
Section 6.50. **Step One:** The grievant(s) should first discuss his/her problem or grievance on an informal basis with his/her immediate supervisor. The immediate supervisor shall then attempt to adjust the matter informally and shall respond to the grievant(s) within seven (7) workdays.

Section 6.60. **Step Two:** If the grievance has not been settled after Step One, it may be presented in writing on a University form prepared for that purpose to the Director of Public Safety within seven (7) workdays after the immediate supervisor's response is due. The grievant, a Union representative, or the Director (or his/her designee) may request a meeting to discuss the written grievance appeal. If such a meeting is requested, it shall be held within seven (7) workdays following receipt by the Director of the written grievance appeal. The grievant and, at his/her option, a Union representative, shall attend such meeting. The Director (or his/her designee) shall render a decision in writing to the employee within seven (7) workdays following the meeting or receipt of the written grievance, whichever occurred later. A copy of the Director's decision is to be sent to the Executive Director of Human Resources and the local Union president.

Section 6.70. **Step Three:** If the grievance still remains unadjusted after Step Two, it may be presented in writing to the Executive Director of Human Resources (or his/her designee) within seven (7) workdays after the response of the Director (or his/her designee) is due. The grievant, a Union representative, or the Executive Director of Human Resources (or his/her designee) may request a meeting to discuss the written grievance appeal. If such a meeting is requested, it shall be held within seven (7) workdays following receipt by the Executive Director of Human Resources (or his/her designee) of the written grievance appeal. The grievant and, at his/her option, a Union representative shall attend such meeting. The Executive Director of Human Resources (or his/her designee) shall render a decision in writing to the grievant(s) within seven (7) workdays following the meeting or receipt of the written grievance, whichever occurred later.

Section 6.80. **Arbitration:** Any grievance which is not resolved through the grievance procedure may, at the request of the Union, be submitted to arbitration. Notice of the request for arbitration must be served on the University in writing, within fifteen (15) workdays from the date on which the Union received the Executive Director of Human Resources' (or his/her designee's) written decision in Step Three.

Section 6.81. Within fifteen (15) workdays following the University's receipt of the Union's request for arbitration, the parties shall request the Federal Mediation and Conciliation Services (FMCS) to submit a list of seven (7) potential arbitrators, all of whom shall be members of the National Academy of Arbitrators. Selection of the arbitrators will be accomplished by alternate striking of names from the list with the Union striking the first name. If the arbitrator thus chosen cannot serve, the parties shall request a new list and shall begin the selection process anew.

Section 6.82. The costs of any proof produced at the direction of the arbitrator, the fee of the arbitrator, and the rent, if any, for the hearing room shall be borne equally by the parties. The expenses of any nonemployee witnesses shall be borne, if at all, by the party calling them. Any affected bargaining unit member in attendance for such hearing shall not lose pay or any benefits to the extent such hearing hours are during his normally-scheduled working hours on the day of the hearing.
Section 6.83. The arbitrator shall conduct a fair and impartial hearing on the grievance. It is expressly understood that the ruling and decision of the arbitrator, within his function as described herein, shall be final and binding, providing such decision does not exceed the jurisdiction or authority of the arbitrator set forth in this Section. Only disputes involving issues subject to resolution through the grievance procedure based upon the facts presented shall be subject to arbitration. The arbitrator shall have no power to add to, subtract from, or modify any of the terms of this Agreement.

Section 6.84. For purposes of this Article, workdays shall be defined to exclude Saturdays, Sundays and holidays recognized in this Agreement.

ARTICLE 7

Section 7.20. No member of the bargaining unit shall instigate or participate, directly or indirectly, in any strike, picketing, handbilling, sympathy strike, slowdown, work stoppage, sick-out or any interruption or interference with the normal operations of the University. Violation of this provision shall be just cause for disciplinary action, up to and including discharge, as determined by the University, subject to appeal only to the grievance procedure, with the only issue to be determined by the arbitrator being whether a violation of this Section actually occurred.

Section 7.30. In the event any violation of this Section occurs, upon notice from the University, the Union shall actively discourage and endeavor to prevent or terminate any violation by using its best efforts to immediately notify all bargaining unit members that the strike, picketing, handbilling, sympathy strike, slowdown, work stoppage, sick-out or other interference with normal University operations is prohibited and is not in any way sanctioned or approved by the Union. Furthermore, the Union shall use its best efforts to immediately instruct members of the bargaining unit to return to their duties at once.

Section 9.12. the appropriate rate of pay. Interrogation sessions shall be for reasonable periods of time, and time shall be allowed during the questioning for rest periods or for other physical necessities.

Section 9.14. The employee shall be informed of the nature of the investigation prior to any questioning.

Prompt notice must be provided to the employee when upon inquiry the Employer divulges the fact that an employee is under investigation.

Section 9.17. An employee who has been charged with a violation of any University policies, procedures and rules shall upon request be provided the opportunity to inspect and obtain written statements and any other material as a condition to its use at a hearing on such charge.

Section 9.18. No hearing that may result in the dismissal, demotion, suspension or reprimand shall be held unless the employee is notified of the hearing and the reasons for it at least seven (7) calendar days prior thereto.

Section 9.19. Only a certified expert from an accredited polygraph school that would be recognized by the Ohio Association of Polygraph Examiners will be used to conduct polygraph examinations.

The Union acknowledges that circumstances such as employee absenteeism, leaves of absence, manning levels, and other unforeseen circumstances affect the University’s ability to achieve the above goals. The above reference to regular workweek does not guarantee a forty (40) hour workweek.

Section 10.40. Special Events. The University shall continue its practice of allowing bargaining unit members the first opportunity to distribute among themselves opportunities to work special events, prior to utilization of nonbargaining unit security forces. For special events worked during the term of the Agreement, members shall receive the straight-time hourly rate of pay in effect for such employee at the time the work is performed. The University continues to reserve the right to utilize nonbargaining unit security forces in those special events for which a sufficient number of bargaining unit members cannot be assigned. The named holidays are: New Year's Day (January 1), Martin Luther King Day (third Monday in January), Presidents' Day (third Monday in February), Memorial Day (last Monday in May), Independence Day (July 4), Labor Day (first Monday in September), Columbus Day (second Monday in October), Veterans' Day (November 11), Thanksgiving Day (fourth Thursday in November) and Christmas Day (December 25). The University reserves the right to reassign Presidents' Day and Columbus Day to other days of the year to coincide better with the academic calendar. These two days become a holiday on the day they are reassigned to.

Section 17.20. Each holiday shall be observed on the date noted in Section 17.10. If a holiday falls on a Sunday, it shall be observed on the following Monday. If a holiday falls on a Saturday, it shall be observed on the preceding Friday.

COMPENSATION

Section 18.10. Employees shall receive a 3.5 percent increase effective with the beginning of the first full payroll period following April 27, 2002.

Section 18.20. Employees shall receive a 3.0 percent increase effective with the beginning of the first full payroll period following April 27, 2003.

Section 18.41. The Employer may schedule each employee on a straight-time basis for up to fifty (50) hours per year for the purpose of training, and such training time shall not be regarded as hours worked for the purpose of computing overtime. The Employer shall maintain a current total of such hours which shall be available to bargaining unit members upon request.

Section 18.43. The Police Division of the Department of Public Safety shall maintain a uniform record keeping system for payroll purposes that is consistent with the federal Fair Labor Standards Act (FLSA).

**Section 18.51.** The probationary and base rates of pay for employees who were members of the bargaining unit prior to April 27, 2002 shall be as set forth in Appendix B to this Agreement.

**Section 18.52.** When a member of the bargaining unit is promoted into a higher classification, the bargaining unit member shall be placed at the starting rate of the pay table for the new position or receive a 4 percent increase, whichever is greater. After six (6) months, the employee shall receive an additional four percent (4%) increase.

**Section 18.53.** Total seniority, for the purposes of this article, shall mean continuous employment in the Employer’s Police Division of the Safety Department.

**Section 18.60.** Paid vacation time and compensatory time shall be considered as hours worked for the purpose of computing overtime.

**Section 18.70.** Compensatory Time. Employees may elect to accrue compensatory time in lieu of pay for overtime hours worked. Each overtime hour worked shall be equal to one and one-half (1 1/2) hours of compensatory time. An employee may accumulate a maximum of two hundred forty (240) hours in any fiscal year. When an employee is at the maximum accumulation limit for compensatory time, all overtime worked shall be paid. When an employee completes and submits his time report form on the Monday following completion of the previous payroll week, the employee must elect in writing to accrue compensatory time in lieu of pay for overtime hours worked. So long as it will not unduly disrupt the
operations of the Police Department or result in overtime, an employee will be permitted to take compensatory time off within a reasonable time after requesting it. Any request to take compensatory time off must be made at least forty-eight (48) hours in advance. Compensatory time off may be used in minimum increments of not less than one (1) hour.

Section 18.80. Compensatory time shall not be allowed for employees working outside their classification for another University Department or Division.

Section 18.90. The University shall pay a shift premium to employees as provided herein.

A shift premium of $.25 per hour worked shall be paid to any employee who is regularly scheduled to start work on or after 12:00 p.m. and before 7:00 p.m. Starting times between this period shall be known as the afternoon or “C” shift.

A shift premium of $.20 per hour worked shall be paid to any employee who is regularly scheduled to start work on or after 7:00 p.m. and before 3:00 a.m. Starting times between this period shall be known as the night or “A” shift.

ARTICLE 19

OVERTIME

Section 19.10. No overtime is scheduled or worked, except as determined by the Director of Public Safety or his designee. As necessary, members may be required to work overtime to the extent necessary to provide a staff of officers the University considers adequate.

Section 19.20. Overtime shall be assigned in the manner set forth in Appendix A to this Agreement.

ARTICLE 20

LEAVES

Section 20.10. The policies currently, or in the future, applicable to classified staff employees at the University regarding leave of absence, special leave, family leave, maternity leave, leave without pay, paternity/adoptive leave, personal leave, sick leave, vacation leave, jury duty and court leave shall apply to bargaining unit members, and shall be maintained at no less than current levels.
ARTICLE 21

PERFORMANCE EVALUATION/PROMOTION

Section 21.10. The University will endeavor to evaluate a bargaining unit member's work performance twice during the twelve (12) month probationary period. Each evaluation will be accompanied by an interview with the member's immediate supervisor. Thereafter, performance evaluations are conducted annually on or around April 1 of each year.

Section 21.20. Bargaining unit members must meet the necessary requirements to qualify for promotion. Those factors that will be taken into consideration in promotion decisions include, but are not limited to, the following:

1. Satisfaction of the minimum job qualifications as established by the University personnel qualifications for the classification;
2. Applicant's work history and performance of all previous assignments;
3. Educational background;
4. Training background;
5. Aptitude and/or familiarity with the required duties of the vacant position; and
6. Other job-related factors.

Section 21.30. All vacancies in the job classifications of police officer 1, police officer 2, radio dispatcher, and records management officer may be filled by the University as it deems proper, including being filled with nonbargaining unit members. However, the University shall give fair consideration to interested bargaining unit members.

Vacancies in the job classifications of police officer 1 and dispatcher shall be offered first to current part-time employees performing such work on the main campus.

ARTICLE 22

OUTSIDE EMPLOYMENT

Section 22.10. No bargaining unit member shall accept outside employment that interferes with the member's performance of his/her duties or responsibilities of his/her position with the University or that compromises the member's position with the University through a conflict of interest.
Section 22.20. All members desiring outside employment must first submit a written request to the Director of Public Safety for his approval no less than seven (7) calendar days before such outside employment is to begin. Such description shall contain an adequate description of the activity proposed to be engaged in. It is understood that approval shall not be unreasonably withheld and if approval is not granted it shall be for reasons set forth in Section 22.10 above. The Director of Public Safety will state in writing the reasons why the outside employment would interfere with the performance of duties or responsibilities of his or her position and/or why the outside employment would compromise the member's position with the University through a conflict of interest.

Section 22.30. Use of University uniforms and equipment during outside employment shall be at the discretion of the Director of Public Safety.

ARTICLE 23

PERSONNEL FILES

Section 23.10. A bargaining unit member will promptly report changes of home address and telephone number to his immediate supervisor in order to maintain current personnel and payroll records.

Section 23.20. Bargaining unit members are permitted to gain access to their personnel file maintained by the University. A bargaining unit member may review his/her personnel file only in the presence of the member's immediate supervisor, the Director of Public Safety (or his designee), or a personnel officer.

Section 23.30. A bargaining unit member may not, of his/her own discretion, mark up, change, or in any way correct the data contained in his/her personnel file. A member may submit a formal written request for changes to his immediate supervisor or the Director of Public Safety (or his designee). If the request is granted, the changes will be made by the member's immediate supervisor or the Director of Public Safety (or his designee) in the presence of the bargaining unit member.

Section 23.40. If the bargaining unit member's request for a correction or modification to his personnel file is declined, the member can then request that his/her statement of disagreement with the personnel file be placed within the file. The statement of disagreement will remain in the personnel file so long as the file contains information to which the statement of disagreement pertains.

Section 23.50. The personnel file of employees shall be cleared of any offenses in accordance with the Records Retention Program for Public College and Universities in Ohio developed by the Inter-University Council of Ohio.

Section 23.60. The following disciplinary penalties shall not be considered in future disciplinary proceedings in the following circumstances:
Verbal reprimands or lesser offenses after one (1) year from the effective date, provided the employee receives no additional disciplinary action of the same or a similar nature during the one (1) year period.

Written reprimands after two (2) years from the effective date, provided the employee receives no additional disciplinary action of the same or a similar nature during the two (2) year period.

Suspensions of less than thirty (30) days after three (3) years from the effective date, provided the employee receives no additional disciplinary action of the same or a similar nature during the three (3) year period.

Suspensions of thirty (30) days or more after four (4) years from the effective date, provided the employee receives no additional disciplinary action of the same or a similar nature during the four (4) year period.

Any employee may make a written request to the Chief of Police that a disciplinary penalty be removed from consideration at a point in time earlier than that set forth in the foregoing schedule, which the Chief may approve when it is in the best interest of the Department to do so.

ARTICLE 24

STANDARDS OF PROFICIENCY

Section 24.10. Members of the bargaining unit who are sworn police officers shall meet and maintain reasonable standards of proficiency for office. The University will provide reasonable written or oral (confirmed in writing) notice of such standards and will make a reasonable effort to assist sworn police officers in maintaining standards of proficiency. Each bargaining unit member will also enroll in the University's wellness program and will comply with any of its recommendations. The University agrees to pay the enrollment fee for the Fitwell Program, as well as any routine physical examination, so long as such examination is required by the Fitwell Program.

Section 24.20. The failure of a bargaining unit member to meet minimum standards of proficiency shall be grounds for disciplinary action which may include, at the University's option, reduction of classification, transfer to another existing department in the University for which the individual possesses the qualifications, or possible separation from the University.

Section 24.30. Each sworn officer shall maintain certification by the Ohio Peace Officers Training Council.

Section 24.40. Each sworn officer shall maintain physical fitness by annually receiving a physical examination, from his/her personal physician during the thirty (30) calendar days preceding October 1 of each year of this Agreement. The sworn officer shall have his/her personal physician complete and return to the University by October 1 of each year a medical form approved by the University which confirms that the officer is adequately fit to perform the essential function of his job.
ARTICLE 25

ASSOCIATION OFFICERS

Section 25.10. One officer of the association will be granted the necessary time off to attend conventions and meetings of the International Union of Police Associations, AFL-CIO; such conventions and/or meetings shall not exceed two per year. It is understood that such time off is without pay.

ARTICLE 26

Section 26.30. Employee representatives attending Labor/Management meetings shall not suffer a loss in pay for hours spent in such meetings, if held during the employee's regular scheduled hours of work.

Section 26.40. Written responses promised by Employer or Union representatives to items raised by Employer or Union representatives, will be submitted to the other party's representatives who attend such meetings within fifteen (15) calendar days after such meeting, unless the parties mutually agree to a time extension.

ARTICLE 27

DURATION

Section 27.10. This Agreement shall be effective as of April 28, 2002, and shall remain in full force and effect until midnight, April 27, 2005, and thereafter for successive periods of one (1) year unless either party, at least ninety (90) days prior to April 27, 2005, but not more than one hundred twenty (120) days prior to April 27, 2005, shall serve written notice on the other party of a desire to terminate, modify or amend this Agreement.

APPENDIX A

Overtime Policy for Shift Coverage

PROCEDURE

III. The shift supervisor or senior patrol officer on duty shall take the following action in the order indicated as soon as he/she learns that overtime will be needed on the shift:

1. Contact the officer or Dispatcher/Records Management Officer with the least number of overtime hours listed on the monthly check sheet (see Attachment #1), who can report for and work overtime without it conflicting with his/her regular duty reporting time or without it creating a sixteen (16) hour shift.

When two (2) or more employees commence service with the University on the same date, the employees shall be ranked for seniority purposes in accordance with the last four (4) digits of their Social Security number, with the highest number being the most senior and lowest being the least senior.

This procedure will equalize the overtime among all uniformed officers or Dispatchers/Records Management Officers including temporarily assigned investigators and the administrative staff in the manner that staffing requirements are filled for athletic and special events.

If this procedure should fail, go to Step 2.

2. Contact an officer or Dispatcher/Records Management Officer on duty at the time to work an additional four (4) hours over. The officer or Dispatcher/Records Management Officer who works the first four (4) hours will be the officer or Dispatcher/Records Management Officer with the least number of overtime hours of those working at the time the shift is to be filled. Contact an officer or Dispatcher/Records Management Officer on the oncoming shift to work an additional four (4) hours early. The officer or Dispatcher/Records Management Officer who works the second four (4) hours will be the officer or Dispatcher/Records Management Officer with the least number of overtime hours of those scheduled to work the following shift.

If four (4) hours or no hours are covered by the above steps, then the officer or Dispatcher/Records Management Officer with the least amount of hours will be required to work according to step #1 to cover whatever hours are needed to cover the shift. Keep in mind not to create a sixteen (16) hour shift if at all possible.

If there is no other way to cover the shift but with a sixteen (16) hour shift, this must be approved by the following: Contact the Lieutenant first and then a shift supervisor, if you are unable to contact the Lieutenant. Employees shall not be required to fill mandatory overtime on any two (2) consecutive days.
3. All contacts or attempts to contact will be logged in the order they were completed whether the contact was made by telephone, radio or in person. This information will be logged on the overtime Call Log in the shift coverage overtime book. The officer in charge covering the overtime shall be responsible for updating the monthly totals. The officer or Dispatcher/Records Management Officer covering the overtime shall fill out the overtime call log. The officer or Dispatcher/Records Management Officer in charge of covering the overtime shall forward a copy of the overtime call log to the Cpl. in charge of the shift coverage overtime book. The Cpl. in charge of the shift coverage overtime book shall be responsible for insuring that an updated copy of the monthly check sheet and blank copies of the overtime call log sheets are available to the officer who may be required to fill an overtime situation as it arises. The master shift coverage overtime book shall be kept by the Cpl. in charge of the shift coverage overtime.

4. If an officer or Dispatcher/Records Management Officer is in bed, and the spouse or family member refuses to awaken the officer or Dispatcher/Records Management Officer, then this constitutes a refusal, and hours will be charged on the monthly total sheet. However, if the contacting officer or Dispatcher/Records Management Officer receives no answer or the officer is not home, then this is not considered a refusal, and no hours will be charged.

Remember to log all positive and negative responses, no answers, and spouse refusals in the appropriate columns.
