Violinist Will Play Friday, Fischer Speaks Next Week

Ruggiero Rici, one of the outstanding violinists of the day, will appear in concert at the Reuss Auditorium. Students will be admitted by Ae cards. Prof. John F. Emery, director of the orchestra, announced last week.

Beginning his brilliant career as a child prodigy, although still in his twenties, Rici has won acclaim throughout the world. The New York Herald-Trubune said he was one of those rare violinists who can play with brilliance and refinement at the same time. He will appear in concerts as soloist with the most important orchestras and can be heard in recitals and radio programs wherever music lovers attend.

Returning to the concert stage in November, Rici made his debut in the army air forces. Rici started his musical education by presenting a program of unaccompanied violin works. He was often called upon to give concerts at invited institutes in military hospitals where no pianist was available.

He has made notable radio broadcasts, and recently recorded an album of Paganini Caprices which he accompanied himself.

Rici made a tour of Europe appearing in all the leading concert halls. Following this tour, he played in the United States, Canada, and Latin America.

Mr. Fischer has recently returned from a survey of conditions which took him to India, England, France, and Germany. He lectured on "The History of the Violin," was published in September.

Netmen Engage Wesleyan For Season Tennis Opener

Ohio Wesleyan's netmen invade Bowling Green today and will play in the Falcons' spring athletic program. Coach Clyde Parker and his squad will be trying hard to avenge the double-decked hands of the 3G netmen last year by the fighting Bishops.

Parker issued a word of caution when he said, "I have many things to worry about in the next few weeks, but one of them will be a couple of years, but we will only be average this year." It is believed, however, that he will have several surprise packages in store for visiting tennis teams this season.

Sure starters for this afternoon's match will be Donald Scudder, Bob Conner, and Bob Padden. Scudder was a letterman last year and one of the mainstays of the team. A fourth man who is sure to be in the lineup is senior, Harry Olson; so, the Scudder, is a letterman from previous teams and is expected to give plenty of trouble to any opponent.

From five others, Parker will have to pick three to complete the team which will face the Bishops. They are: Harold Hufnagel, Edna Olsen, Kempton Jenkins, Harry T. Thomas, and Bob Cole. Rounding out the present squad of ten are Bob Parker, a former letterman, Jay Vasterling, and Pete Sherry.

Saturday, April 11, Ohio Wesleyan will again invade Bowling Green; this time with a strong track team. The dual meets were announced by Coach Bob Grimm; his squad was: Detrio; runner, Bob Petele, pole vaulter, Jim Condy; high jump and long jump; and Low Furst; high and low hurdles.

Buddy Rich Subs for Randy; Sig Rho, Chi Theta Debut

Buddy Rich and his orchestra will play at the University Anniversary prom on May 18, replacing Randy Brooks who recently cancelled his engagements to play in the Hotel Pennsylvania for a twelve week period. Buddy is the former drummer of Tommy Dorsey's orchestra.

The Anniversary prom, sponsored by the Student Senate, will be held tonight from 9 to 11 p.m. at the Student Center. Tickets will be sold on a first come, first served basis, with only 700 tickets to be sold for this traditional formal, bringing the same old band to the campus for $2.00 per couple. Approximately 250 tickets have already been sold to date, so the remainder will go on sale in the Well on Monday, May 16. Tickets will be sold on a "first come, first served" basis.

Cancellation of the proposed General Student Assembly meeting and the Anniversary prom will be the big news of this spring season.
