Falcons Slaughter Albion For Second Victory, 15-5

The Falcons proved themselves a slugging team as they swamped Albion’s baseball squad, 15-5, on the local diamond Monday night. Coach Warren E. Stoller used 20 men in the free-hitting contest, to give as many men a chance as possible.

After one Pingle, starting hurler for Bee Gee, had set Albion down in order the Falcons went to work manufacturing nine runs before the third out was recorded in their half of the first. Lastout of the inning was by Jim Kriemler, his first of the season, when he fanned a blazing triple.

Stoller also used four pitchers in an effort to find his number two man behind Fred Petridcs. Pingle hurled the first two innings and received credit for the victory. Louis Croux took over in the third when Pingle tired and pitched the next four innings giving up but one hit and no runs. George Ellinger took over the mound duty in the seventh and was touched for three runs on four hits. Stoller took no chances in the ninth, when he took John Goodale in to retire the Falcons.

Besides the first the Falcons scored two runs in the third, one each in the fourth and sixth, and added their final two in the seventh. Although 32 hits were made by both teams there were only two extra-base hits in the game, both by Albion. The Falcons batted in the order Kriemler, Ellinger and a double by Don Kuhlman, the first Falcons in their big first.
