Behind the Scenes is a Big Job Even for Comedy Like 'Claudia'

Richard Drums Up Prom

Tech Crews Share Actors' Burden

by Debbie John

Behind the scenes of any University event is a labor of love for the work of the technical crews who never share the spotlight and curricula that are being written for the fall 2021 season.

On Monday night, the Bowling Green Theatre Department held their annual Student Sponsored affair.

Campus Love Problem Solved

but Maybe Not for Long

They walked hand in hand down the steps of Kobil hall and watched the sun set and howled of all who enjoyed watching. She was short and walked steadily as if she might be balancing a book on top of her head. They turned off towards the library, walking as they did.

"But I just walked on up at him," she said. "I just walked on up at him."

"Riveria," he said.

"Do you think it's proper for us to do this," she asked.

"No, I'm not sure, I'm not sure."

"Why do I feel about you."

"I take you to the prom is just as an example."

"I don't know, I don't think I'm a little bit."

"I remember everything has a con-"

Student Cast in Double Role

by Margaret Finney

Les McKenzie, producer, is both studio teacher and technical director of the Bowling Green Green speech department. Holder of a long list of formal and informal teaching responsibilities, he is also the house manager of the University Theatre which he has directed for the last six years. In the fall of 1946 Mr. Wankleman went to work for the Buckeye News and later went on to a position as an assistant professor in the Department of Speech and Drama. He is now the stage manager for "Gentlemen Prefer Blondes."

Steiner Plays for DG Dance; Tennis Court Dance Friday

An outdoor square dance and a Delta Gamma orchestra dance will highlight this weekend's social events.

The dances, sponsored by the social committee, will be held on the tennis courts from 9 to 12 Friday night. In case of rain, the Delta Gamma orchestra will play in the Men's gym.

"U.S. Delta Gamma" will sell Saturday night at 9 from the Men's dorms. Bill Steiner's orchestra will play for the Delta Gamma dance, and Ralph Whitehair and Lynn Bueno are expected to be the dominant dancers.

Other committees heads are M. L. Rodda, social committee; John Schmidt, entertainment; Art Schiele, publicity; and John Jansen, band directors. Trout Figgots, head.

Kappa Tau Elects New Officers

Robert Beilcich, an active member of Kappa Tau, was elected president by the dance which is closed to members of Findlay high school. The semi-formal dance, to change students at Bowling Green, will be held on the tennis courts from 9 to 12 Friday night. In case of rain, the orchestra will play in the Men's gym.

The square dance, sponsored by the social committee, will be held on the tennis courts from 9 to 12 Friday night. The square dance, sponsored by the social committee, will be held on the tennis courts from 9 to 12 Friday night.

The American Chemical Society is the largest and most prominent professional organization of its kind with an active membership totaling over 90,000, including student affiliates. The society has undertaken a program to promote advancement of knowledge in pure and applied chemistry.

Student affiliate chapters are of rather recent origin and many universities throughout the country have been granted charters for such chapters. Students thus affiliated automatically become junior members upon graduation.

Chem-Journal Given National Charter

In response to the petition for nationalization, the Chemical Journal club will have its third national meeting at Findlay high school.

Students to Speak At Noon Programs

All students are invited to listen to the speeches on various topics that are to be held in the Auditorium at 12 noon each day scheduled.

At noon today George Bohan will begin the program of student speakers with his address on "Physical Education and Recreational Fields." Charlie Bell will speak on "Advertising" and Jack Clark will speak on the subject "Crimestoppers." On Monday, May 26, Mace Grove will have as his subject "Social Change." Following him at the rostrum will be Art Lehman on "Corporate Law" and Norm Stuehle with "Radio Broadcasting." The program complements the group with a talk on "The Women's Movement." On last Monday, May 19, Vivian Powell spoke on "Teaching Children." On the same program was Dr. George Bell speaking on "The Ministry" followed by Bob Hill on "General Management" and Bill Parker on "Labor Laws in the Future."
