Bowling Green State University
The College of Business Administration recently received a grant from Owens-Illinois Inc. to help the University become a full-fledged university. The grant will enable the College to establish a business administration program, which will help the University achieve its goal of becoming a full-fledged university.

The grant will be used to supplement the College’s regular faculty and to provide additional support for the College’s research efforts. The College is currently seeking more grant funding to help support the College’s programs.

The grant will also support the College’s efforts to improve its facilities and equipment. The College plans to use the funds to purchase new computers, software, and other equipment.

The College of Business Administration is grateful to Owens-Illinois Inc. for its support and looks forward to working with the Company to continue to develop the College’s programs and facilities.

Faculty Senate ranks paid health care high

In a poll of Faculty Senate members regarding fringe benefit enhancements, health care ranked high priority, with 90 percent saying that health care was a top priority. It is in conjunction with recent discussions regarding the possible implementation of a health care program for faculty members and its benefits. The Senate, in conjunction with employee benefits, is working on the development of a health care program that will offer a comprehensive benefit package. It is anticipated that the program will be implemented in the near future, with details to be announced at a later date.

On the 27th of March, the Senate held a meeting to discuss the results of the poll. It was noted that 90 percent of the members polled expressed a strong interest in health care enhancements. It was decided that further discussions will be held to determine the specific needs and preferences of the faculty members.

On the 28th of March, the Senate held a special meeting to discuss the details of the health care program. It was decided that the program will include comprehensive coverage, including prescription drug coverage, dental coverage, and vision coverage. It was also decided that the program will be available to all faculty members, regardless of their employment status.

The Senate is working closely with the administration to ensure that the program is implemented in a timely manner. It is anticipated that the program will be available to all faculty members by the end of the academic year.

Forum discusses drinking, driving

On March 9, 1985, two University students were killed in an automobile accident by a drunk driver. Since then, the University and other institutions have joined forces in their "Never Again" campaign to promote responsible drinking and driving. The campaign is continuing in an effort to continue the public awareness built up around the tragic death of the two students. The Never Again Committee will sponsor "A Public Forum on Responsible Drinking and Driving," held in the University Union, April 18, at 7:30 p.m. All students, faculty and staff are invited to participate in the forum, including Judge James W. Bachman of the Bowling Green Municipal Court, Lt. Monte Bush, commander of the Wapakoneta Post of the Ohio Highway Patrol, and Michael crochet, a recovering alcoholic and former drunk driving victim. Bill Sambol, general counsel for Students, Inc., will moderate the discussion.

Charity sale provides assistance

The University's annual Charity Ball this year is being held in the Town Room of the University Union, on April 18, from 8 p.m. till 11 p.m. Proceeds from the sale of tickets, raffles and a silent auction are being used to help fund the work of the Children's Hospital Medical Center and the University of Toledo's Special Needs Center. The Town Room will also feature a silent auction, with items ranging from 100 bicycles, clothing, jewelry and an assortment of other items. All proceeds from this event will be donated to the Children's Hospital and the Special Needs Center. The event will be open to the public.

Surplus auction set

The Office of Campus Safety and Security Management will hold a public auction of surplus property on the Main Auditorium stage, April 30, beginning at 12:30 p.m., followed by a fire sale warehouse.
