New job procedures in effect

Personnel Services has put into effect several new procedures to create a more efficient employment section.

Temporary positions less than 30 days in duration will not be posted. To fill these positions, the temporary positions will be filled with applicants from current files. After temporary positions are filled, the position will be terminated or posted as needed.

Temporary positions can be filled at any time that employees may apply Monday through Friday. Applications are accepted between the hours of 8:00 a.m. and 5:00 p.m. through the next Monday. Positions may be filled before the next Monday.

Personnel Support is available Monday through Friday, 8:00 a.m. to 5:00 p.m., to review the personnel procedures for new foundations or ideas and to answer questions or provide glitches of $100 or more given to faculty and staff between Monday and Friday.

Faculty and staff are encouraged to return those cards as soon as possible. The cards must be returned by July 1 to receive the $25 gift card.

The Campus Campaign is just one phase of the 10th Anniversary Fund which seeks to raise $12.5 million in private gifts for the University during the three-year period. As of April 1, approximately $2 million had been pledged or contributed to the Fund, which was officially announced at the University's 75th Anniversary Convocation on November 10, 1986.

Robert Romans selected as Master Teacher

After Robert Romans graduated from high school, he spent six years doing a variety of jobs, including working on a cross-country pipeline project and operating a dairy farm in Kentucky. Then he decided it was time to go to college and spend four years studying at the University of Kentucky. After this, Romans received his B.S. in music education from Western Michigan University in Kalamazoo, Michigan.

In 1980, Romans came to Bowling Green as a department of music assistant at Berea College. In 1985, he was promoted to assistant professor of music and then to associate professor in 1989.

In 1990, Romans was appointed as a dean of the College of Arts and Sciences at Bowling Green State University. Later that year, he was named as interim provost, a position he held until 1996. Since then, Romans has served as interim dean of the College of Arts and Sciences and interim provost of BGSU.

Romans has been involved in several community organizations, including the Ohio University Alumni Association, the Bowling Green Society of the Arts, and the Bowling Green Symphony Orchestra.

Romans' family includes his wife, two children, and two grandchildren. He enjoys woodworking, gardening, and traveling, particularly to Europe.

Romans has received numerous awards and honors throughout his career, including the University of Kentucky Alumni Association's Distinguished Alumnus Award in 1995 and the Ohio University Alumni Association's Distinguished Service Award in 1997.

In 2002, Romans was named as the first holder of the William T. Beekman Chair in Music Education at Bowling Green State University.

Romans' research interests include music education, music therapy, and music psychology. He has published several articles and books on these topics, including "Music Education: A Critical Perspective," which was published in 2005.

**Telephone forum draws questions, concerns**

A forum to discuss the operational and financial status of the University’s new telephone system, which is expected to save about 30 faculty and staff a week, was held on April 25.

Carsa says, "We are pleased with the system’s viability. The system is expected to achieve a $180,000 rate after its first year of operation. An estimated 5,000 employees will use the new system daily, with a return to campus in the fall has been planned and made ready to operate and make the system pay for itself."

According to Carsa, the University had a large share of the 91,000 employees who had been employed in the previous system. The University has had a long distance service that had already the greatest impact of the student business the University had on hand.

Summer coordinating guide
Four weeks of "dying for dollars" has given the University of Toledo's Summer coordinating guide a "return on investment." The guide borrowed the registration number of a student who had died for dollars. So she told him she was going to make sure she got for what she had paid for.

When the 2,100 graduates of the University of Toledo's commencement exercises are awarded their degrees, a new era of campus recognition will begin. So be sure the day goes by without a hitch.

Nearly 2,100 students will be conferred degrees during University commencement exercises at 10 a.m. Saturday, May 16, at Memorial Hall.

In addition, President Paul J. Koehler is expected to confer the Doctor of Public Service degree to Athletic Director and Mid-American National Bank and Trust Co. and Dr. H. R. Schubert is expected to confer the Doctor of Education degree to Dr. E. E. Knobacker, president of Northwest University.

The commencement ceremony will be held in Memorial Hall, Anderson Hall, Convocation Center and other buildings on campus.

The final decision for the location of commencement exercises will be made at 5 p.m. Saturday, May 16. The Convocation Center at the University of Toledo.

In the event of inclement weather on Saturday, commencement will be held in Memorial Hall, Anderson Hall, Convocation Center and other buildings on campus.

On Sunday, May 16, the Family Day recess is 10 a.m.-noon. All students, faculty and staff are encouraged to attend the Family Day recess.
