Board of Trustees
Bowling Green State University
May 5, 2006

Notice having been given in accordance with the Board of Trustees Bylaws, the following members met in Room 308 of the Bowen-Thompson Student Union on the Bowling Green State University campus on May 5, 2006: Sharon S. Cook, Chair; Raquel Colon, John F. Harbal; Stephanie Imhoff, Michael Marsh; John Moore; Bill Primrose, Debra Ryan, J. Robert Sebo; Korine Steinke and Michael R. Wilcox.

Also present were President Sidney Ribeau; Bob Boughton, Faculty Representative to the Board; Lona Leck, Administrative Staff Representative; Zach Hilpert, Graduate Student Representative; Nancy Posey Classified Staff Representative; Bernard Little, Undergraduate Student Representative; Francine Todd, representing the Firelands Advisory Board; J. Christopher Dalton, Senior Vice President for Finance; John W. Folkins, Provost and Vice President for Academic Affairs; Linda Dobb, Executive Vice President and Secretary to the Board; Edward Whipple, Vice President for Student Affairs; J. Douglas Smith, Vice President for University Advancement; Gaylyn Finn, Treasurer; media representatives; and a number of observers.

Chair Cook called the meeting to order at 1:40 p.m. The Board Secretary called the roll and announced that a quorum was present (11 trustees).

ELECTION OF OFFICERS

Dr. Dobb distributed the ballots for the election of officers. Dr. Dobb asked that all Trustees mark their ballot for a new Chair, Vice-chair and Secretary for next year. Announcement of the results of the election would be made later in the meeting.

PRESIDENT'S REPORT

Dr. Ribeau recognized our faculty who will be receiving tenure and promotion later in this meeting. He congratulated and thanked all faculty for making a difference in the lives of our students and community. Dr. Ribeau also congratulated faculty receiving emeritus status and hopes that they will continue to stay active at the university. A number of valuable administrative/classified staff are leaving including our athletic director, Paul Krebs. Dr. Ribeau wished everyone the best of luck.

Dr. Ribeau thanked the Board members, faculty, staff, students and especially Professor Milt Hakel for a very successful Regents visit about a month ago. The Regents were impressed with BGSU learning outcomes, leadership programs, and use of electronic portfolios. Dr. Ribeau stated that he hopes BGSU made a lasting impression on the Regents as they consider their advocacy for higher education. Thanks to all who participated.

This year, Dr. Ribeau served as chair of IUC, as the official spokesperson for higher education. Although this was originally a one year term, Dr. Ribeau has been elected chair again next year. With the possibility of TABOR and TEL being on the ballot in the upcoming election and this being a budget year, the IUC wanted continuity and stability in the Chairmanship. Dr. Ribeau is pleased that the BGSU Board is displaying leadership in considering a resolution against TABOR/TEL.

Commencement will be held tonight for approximately 450 graduate students. Tomorrow, approximately 1,760 undergraduate students will be honored. The number of individuals graduating continues to grow and we are very proud of them. This is a very important time at this institution.

Dr. Ribeau thanked two of our trustees, Korine Steinke, who has been our graduate student trustee. She has done a great job and is graduating tonight and moving on. Mrs. Sharon Cook served this year as chair and will not be leaving the Board, but will be stepping down as chair. The chair's position is a challenging one and Mrs. Cook has done a marvelous job keeping everyone focused on the tasks and bringing a sense of professionalism to the position.

Mutual Aid Agreements for Police Assistance

No. 56-2006 Moore moved and Marsh seconded that:

WHEREAS, Ohio Revised Code Section 3345.041 authorizes the board of trustees of a state university to enter into agreements with one or more townships, municipal corporations, counties, or with other state universities or colleges, to allow the use of state university law enforcement officers to perform any police function, exercise any police power, or render any police service on behalf of the contracting political subdivision, or state university or college, that such entities may themselves perform, exercise, or render (“Inter-Jurisdictional Law Enforcement Agreements” or “Agreements”);
WHEREAS, the University has historically entered into such Agreements and presently has four such Agreements in effect; and

WHEREAS, such Agreements benefit the University and its surrounding communities.

NOW THEREFORE, BE IT RESOLVED, that pursuant to Section 3345.041 of the Ohio Revised Code the four Agreements attached hereto and incorporated herein are ratified in their entirety;

BE IT RESOLVED, that the President or his designee is hereby delegated such authority as may be necessary and appropriate to negotiate and execute such future Agreements that, in the President’s discretion, shall be deemed in the best interest of the University and its surrounding communities.

TABOR/TEL AMENDMENT TO THE OHIO CONSTITUTION

No. 57-2006  Moore moved and Marsh seconded that:

WHEREAS, the Board strongly believes in the principle of representative government and the right of the people to elect representatives who are entrusted with the responsibility to establish the spending needs and priorities of the State and to determine how best to pay for them;

WHEREAS, the General Assembly of the State, through the traditional biennial budget processes and subject to the approval and veto authorities of the Governor, makes taxation and spending decisions in an environment that allows for public comment and review, for the consideration of public needs and the need for investment in the State, and with due regard for the dynamics of a changing economy and the availability of State revenue sources;

WHEREAS, the Board believes that relegating spending decisions to a formula unrelated to revenue collections and to the identified needs of the State deprives the electorate of its right to vote for representatives who can be responsive to such needs and who can establish spending priorities within the limits of available resources;

WHEREAS, such a static formula is also blind to the evolving demands of a changing economy and would make State decisions regarding the need for economic stimulus or spending restraint the product of a formula, rather than the outcome of a careful analysis based on relevant economic factors;

WHEREAS, the proposed TABOR Amendment would sever the fiscal responsibility of the General Assembly from its ability to control expenditures and would make both fiscal responsibility and such control the function of an unresponsive mathematical formula that ignores both public need and the need for economic investment;

WHEREAS, the Board is of the opinion that the TABOR formula also neglects the needs of the State to foster and assist higher education, to increase the number of graduates with baccalaureate and advanced degrees, to respond to the requirements of industry for a highly trained workforce, to promote research and development, and to provide Ohio families with in-state educational facilities that can compete successfully with those of any other state;

WHEREAS, the Inter-University Council of Ohio, representing the public institutions of higher education in Ohio, adopted IUC Resolution #2006-02 on February 14, 2006, that expressed its opposition to TABOR/TEL; and

WHEREAS, the University joins with the IUC in its opposition to TABOR/TEL and believes that the educational needs and aspirations of Ohio families for their children and the aspirations
of other Ohioans to advance their skills and knowledge should not be left to the chance of a formula that makes all such needs and aspirations irrelevant.

NOW, THEREFORE, BE IT RESOLVED, that the Board formally opposes TABOR/TEL; and

BE IT RESOLVED, that the President and the officers of the University are hereby authorized to disseminate this resolution to the electorate of the State and to otherwise conduct an informational effort that will help educate the electorate about the possible effects of the TABOR/TEL Amendment on higher education and the reasons for the University's opposition to this Amendment.

Mr. Harbal stated that the committee also discussed Capital Improvements Projects. Updates were given at the meeting by Bob Waddle.

Mr. Marsh reviewed the sponsored grants and contracts.

**REPORTS - CONSTITUENT REPRESENTATIVES**

Firelands College Board Representative – Francine Todd

Ms. Todd introduced Ms. Amie Gohlike, who is currently serving as Vice President of the BGSU Firelands Advisory Board.

Award-winning playwright Edward Albee did not appear at BGSU Firelands as planned for April 20th and 21st, 2006 due to personal illness. However, the BGSU Firelands College Theatre performed "Counting the Ways" and "The Bald Soprano" as scheduled.

Collaboration with the BGSU College of Business Administration resulted in the ability to offer the BSBA specialization in General Business at BGSU Firelands beginning fall of 2006. Ms. Todd thanked Dr. Nancy Merritt for the opportunity to work and collaborate with her, as Interim Dean, during this project.

Ms. Todd congratulated Dr. Rodney Rogers as the new Business Dean, and stated that Firelands looks forward to a continuing collaborative relationship with the College of Business.

One of the greatest celebrations at BGSU Firelands is the annual Recognition Program, which was held on April 28th. Faculty and staff were recognized for years of service and many awards were presented. The Dean's Special Recognition Award was given to Sandra V. DiCarlo, Student Activities Coordinator. The Distinguished Creative Scholar Award went to Dr. Kay E. Strong. The Links to Progress Award was presented to Danette E. Johnson and Francine J. Todd. The Community Service Award was presented to Michael Tann, former Huron city manager for
his work on bringing the wind turbines to Firelands. The Dean’s University Scholarship was presented to Merritt S. Huber, who will be at main campus this fall majoring in biology and pre-med studies. The Distinguished Part-Time Teacher Award was presented to Jeffrey N. Krabill and the Distinguished Full-Time Teacher Award was presented to John C. Moore. Ms. Todd thanked Ms. DiCarlo and Ms. Ruszkowski for the planning and preparation for the event. It truly is one of the highlights of the academic year at BGSU Firelands.

Ms. Todd also thanked Dean James Smith for his continuing support and leadership and thanked the Board for the opportunity to serve as a Constituent representative from BGSU Firelands.

Administrative Staff Council Representative – Lona Leek

Ms. Leek greeted the Board and thanked them for their continued prioritization of compensation. The recently adopted 4% salary speaks volumes to ASC and to all who work at BGSU.

Ms. Leek thanked Mr. Marsh for attending the last ASC meeting.

There are two primary initiatives the Administrative staff council has been involved in: training and awards. ASC has awarded professional development grants to ten contract staff. Individuals apply for monies above and beyond what many departments can allocate. This allows individuals to travel and build knowledge to better serve the university. Examples of the scholarships given to staff because of these grants, include a trip with a group of BGSU students to the Women in Aviation conference, the National Women in the Arts Conference, and the National Council meeting for teachers of English.

Secondly, on April 5, ASC hosted the annual administrative spring reception where ASC recognized staff through awarding the BG Best Award. This year, Kim Fleshman and Catherine Kocarek were winners, from an outstanding field of superb nominations. The keynote address given by BGSU Master Teacher Dr. Gene Poor challenged staff to consider what is “good enough” both personally and professionally, and just what is “good enough” for BGSU. His words were inspirational.

Finally, Ms. Leek stated that this will be her last meeting to address the Board. Ms. Leek stated that she has had many challenges and accomplishments and while she has not had an opportunity to accomplish every goal, ASC has experienced much success. Ms. Leek introduced Mr. Steve Kendall who will be the chair of ASC next year. Steve is the Director of the Student Technology Center and has been extremely active in all initiatives of ASC. Sheila Irving is the upcoming Chair-elect. Ms. Leek stated that she has just learned that she was admitted to the BGSU Leadership Studies Doctoral program beginning in the fall.

Classified Staff Council Representative – Nancy Posey

Ms. Posey greeted the Board. CSC recently held elections and will be choosing a new chair-elect and committee members. Ms. Posey introduced Lorrie Sawaie who will become the chair of CSC as of July 1.

CSC, as a whole, will rally to educate our constituents on TABOR/TEL issues for the November ballot.

CSC thanked Mr. Harbal for attending the April CSC council meeting.

CSC held its Annual Awards Ceremony on April 20. Sue Frost won the outstanding service award for the year for her work on the Professional Development Committee.

CSC held a tree dedication ceremony to honor Dr. Linda Dobb on Arbor Day, to commemorate her continued support of Classified Staff Council. A sugar maple tree was planted in front of Jerome Library with a marble stone stating CSC’s appreciation to her as an advocate of classified staff members at BGSU. CSC thanked Dr. Dobb for her hard work in support of classified staff.

Thank you to the members of the Board of Trustees for the salary compensation recommendation. Classified staff members will be pleased with a pay raise coming in this time of tight budget restraints.
Faculty Representative – Bob Boughton

Mr. Boughton greeted the Board.

The Senate has been concerned with a number of issues. First, although we greatly appreciate the 4% salary increase that was just approved, Mr. Boughton emphasized the need for continued determination on the part of the Board and the administration to try to attain the goal of reaching the 70th percentile of peer institutions. Currently, BGSU ranks number eight out of nine among peers in Ohio and each year seems to be losing ground.

The second issue that came to prominence last month was the abortion coverage in the student health plan. Although not in time to make it to this agenda, the Senate passed a resolution to request the Board of Trustees reconsider its decision to request modification of the automatic abortion coverage.

The faculty panel on student expectations was established several months ago. The panel has met with both Undergraduate Student Senate and Graduate Student Senate on separate occasions discussing issues such as student/faculty expectations inside and outside the classroom, academic freedom, academic honesty, and a number of other items of interest. These meetings provided a unique opportunity for students and faculty to talk to each other in an informal setting.

The Senate has also passed a number of charter amendments in the past few months. Notable among them, are the annual evaluation of undergraduate deans and a new policy on foreign language requirements.

Mr. Boughton stated that this will be his last appearance as Senate chair and it has been an educational experience. The new chair is Dr. Richard Hebein of Romance Languages and he will assume the reigns next week.

Undergraduate Student Representative – Bernard Little

Mr. Little greeted the Board and introduced himself as the new president of USG for the 2006-07 school year. Mr. Little is a Junior Communications Study major from Cleveland, Ohio. He is the second oldest child in a family of 7 children and has been involved in student government since 6th grade. He held offices of City Wide Student Council President in Cleveland and Statewide Student Council President for the state of Ohio. Mr. Little has served in USG for 3 years; first as a Senator, moving up to the Chief of Staff the second year where he served with Alex Wright, and was Vice President last year where he served with Aaron Shumaker. His other involvements include being an orientation leader for 2 years; participating on the homecoming steering committee and dance marathon steering committee; a member of Alpha Sigma Phi Fraternity; and various other committees here at the university.

Issues that USG will be working on are the continuance of the city and student relations while establishing positive relationships with permanent residents. USG plans to work on different ways to encourage student groups to fundraise for student organizations. Different options for student health insurance, exploring a downtown shuttle route, mid semester evaluations, and the university “One Card” system are also being discussed.

USG will also be focusing its attention on the TABOR/TEL legislation that may appear on the November ballot. Legislators need to be aware that students are serious about funding for higher education. USG plans to hold town hall meetings and send informational newsletters to parents and students regarding TABOR/TEL. During orientation, voter registration tables will be accessible to incoming students.

In conclusion, Mr. Little thanked the Board members, Dr. Ribeau and Larry Weiss for all their efforts to continue lobbying for higher education funding. Mr. Little is proud that the university is committed to always putting students first. The administration, faculty and staff not only encourage the students to dream big, but they also strive to dream big themselves.

Graduate Student Representative – Zach Hilpert

Mr. Hilpert greeted the Board and stated this will be the final report as GSS president. Mr. Hilpert stated that he will be entering the Ph.D. program in American Studies at the College of William and Mary in Virginia. Mr. Hilpert introduced Deanna Vatan Woodhouse, the next GSS president.
Ms. Woodhouse greeted the Board and thanked Zach for his hard work and dedication. Ms. Woodhouse is in the Higher Education Administration Doctoral program.

GSS has had great success this year through many events. The Shanklin Awards were held last Friday. GSS has been working with USG on numerous pieces of legislation and with Faculty Senate on the academic freedom panel. Ms. Woodhouse intends to continue active engagement in the university community.

GSS goals for the upcoming year include maintaining a vigilant watch over future decisions and health insurance implementation which will affect graduate students; collaborating with Mr. Larry Weiss, University Administrators, and USG on actively opposing TEL and TABOR; and collaborating with Institutional Research to develop the graduate student satisfaction survey to be implemented sometime during the school year.

In closing, Ms. Woodhouse thanked the Board for the Board of Trustees Leadership Scholarship Award that was recently given to a grad student and an undergrad. Thanks to Chairwoman Cook for her work throughout the year in attending many student events. Ms. Woodhouse thanked the members of the Board for working with the Ohio Board of Regents.

**TRUSTEE LEADERSHIP SCHOLARSHIP**

Korine Steinke stated that each year the Bowling Green State University Board of Trustees awards scholarships to students who demonstrate outstanding potential for academic success, leadership and the ability to give back to their communities. This year a committee composed of both student trustees, and representatives throughout the university met and reviewed over 40 applications from outstanding students.

For the first time, the committee was asked to recommend an undergraduate and a graduate student leader. The undergraduate winner of the Trustees Leadership Scholarship is Nikki Messmore from Metamora, Ohio. Nikki is a Political Science major who would like to be a foreign service officer. She will be traveling to Spain this summer. On campus, Nikki is active with USG, BGX and she has been a resident advisor. Off campus, she has volunteered at the Wood County Humane Society and the League of Women Voters.

The graduate student winner is Christopher Cunningham. Christopher is a 4.0 GPA doctoral candidate in the I/O Psychology program. He has already given several professional presentations, served as a teaching assistant, and has been the graduate student representative for the Psychology department. He had outstanding faculty recommendations from Professor Steve Jex and Michael Zickar. Christopher is at a professional conference today.

Ms. Cook stated that the Board is very proud of both winners and congratulated them. She then thanked Korine for her time with the Board.

**ANNOUNCEMENTS**

Ms. Cook stated that she hopes to see everyone at the first home football game on September 2 at the Cleveland Browns Stadium.

**ELECTION OF OFFICERS FOR 2006-2007**

Secretary Linda Dobb announced the results of the election of officers. Mr. Michael Wilcox was elected Chair, and Mr. Michael Marsh was elected Vice Chair, and the Board Secretary will be Linda Dobb.

**PASSING THE GAVAL**

Ms. Cook thanked everyone for the experience she has had serving as chair of the Board this year. The leadership at BGSU is great and it will take everyone working together to continue the mission to stay the best institution in the country.
Chair Cook passed the gavel to the newly elected Chair Wilcox. Mr. Wilcox thanked Ms. Cook for her leadership, dedication and devotion to this institution not only this year as chair but for the many years of service as a Board member. Mr. Wilcox also congratulated all promoted and tenured faculty.

Mr. Wilcox stated that he is looking forward to serving as chair for the upcoming year and working with Dr. Ribeau. He thanked the rest of the Board for their efforts and reminded everyone that BGSU Board members are uncompensated volunteers for this university. Board members give their time, energy and resources to make Bowling Green State University a better place.

**ADJOURNMENT**

The meeting was adjourned at 2:50 p.m.
