Notice having been given in accordance with the Board of Trustees Bylaws, the following members met in the McFall Assembly Room on the Bowling Green State University campus on June 22, 2007: Michael R. Wilcox, Chair; Brady Gaskins, John F. Harbal, Stephanie Imhoff, Michael Marsh, John Moore, Bill Primrose, Debra Ryan, J. Robert Sebo, and Fran Voll.

Also present were President Sidney Ribeau; Pat Pauken, Faculty Representative to the Board; Stephen Kendall, Administrative Staff Representative; Jeannie Sabaroff, Graduate Student Representative; Lorrie Sawane, Classified Staff Representative; Johnnie Lewis, Undergraduate Student Representative; Amie Gohlike, representing the Firelands Advisory Board; Mark Gromko, Interim Provost and Vice President for Academic Affairs; Linda Dobbs, Executive Vice President and Secretary to the Board; Jim Smith, Vice President for Economic Development and Regional Growth; Edward Whipple, Vice President for Student Affairs; J. Douglas Smith, Vice President for University Advancement; Gaylyn Finn, Treasurer; media representatives; and a number of observers.

Chair Wilcox called the meeting to order at 1:00 p.m. The Board Secretary called the roll and announced that a quorum was present (10 trustees).

Mr. Wilcox welcomed our newest Trustee, Mr. Fran Voll.

PRESIDENT’S REPORT

President Ribeau welcomed Mr. Fran Voll. Fran has been a long standing friend of the University; a broadcaster; a successful coach; and a member of our Alumni Board.

Summer orientation and registration is ongoing for more than 3,000 freshman. Orientation is their first formal introduction to the University, discussing classes and making choices that will provide the foundation for their educational experience. Over 400 student athletes are on campus working on football skills, along with students interested in science and math programs.

A number of online classes for high school students are being held this summer, including classes on mathematics and astronomy. Online courses provide a rich source of instruction especially for smaller areas where teacher expertise is limited. The Colleges of Arts & Sciences and Education and Human Development are to be commended for their work in these areas.

Dr. Ribeau stated that he has worked closely with the President of IUC, Bruce Johnson, the House, and the Executive Branch on the budget and is pleased so far with the progress. Dr. Dalton gave a summary of the budget earlier in the Educational Session. The budget is not exactly where it should be, but it is moving in the right direction.

Dr. Ribeau thanked Larry Weiss, who is retiring in August, for his efforts in government relations. Dr. Ribeau and Chair Wilcox both thanked Mr. Weiss for all his hard work and dedication to the University. Mr. Weiss chaired the 75th Anniversary of the University and will now be working on the 100th Anniversary.

Dr. Ribeau stated that Dr. Dalton is also retiring and thanked him for all of his work and dedication to the University.

Finally, Dr. Ribeau thanked Mr. Wilcox for his honest and sincere work as a Board Chair this year. Dr. Ribeau commented that the Administration cannot be effective without the Board and the Board cannot be effective without good leadership.

Personnel Changes since March 23, 2007 meeting

BGeXperience Values Initiative

No. 42-2007  Marsh moved and Sebo seconded that:

Whereas, the Board of Trustees believes that the BGeXperience, Values Initiative, is a program that is becoming a "signature program" for BGSU – differentiating us from our peers; and

Whereas, through the common reading experience, the fall orientation and introduction to the Values Initiative, and through the required Values class, this program accelerates critical thinking and promotes dialogue about conflicting values and values clarification among the student body; and

Whereas, the American Association of Colleges and Universities recently cited the BGeXperience program as one of the outstanding programs nationwide that is implementing a new set of principles of excellence in education; and

Whereas, ethical issues and scandals have unfortunately become too commonplace in corporate, nonprofit and government sectors, this program can have far-reaching impact on society as a whole, helping BGSU graduates become involved, active, positive and ethical citizens in society;

NOW THEREFORE BE IT RESOLVED, that the Board of Trustees endorses and is supportive of the BGeXperience, Values Initiative, and directs the University administration to fully implement this program to benefit current and future generations of BGSU students, faculty, and staff.

Mr. William W. Currie, Assistant Professor, Humanities Department, Firelands Campus
Interim Provost, Dr. Mark Gromko discussed the Distinguished Teaching Professor nomination and presented the following citation to Dr. Sue Mota.

*Members of the Bowling Green State University faculty with the rank of Professor who demonstrate extraordinary achievements as effective teachers for an extended period of time are eligible for consideration as Distinguished Teaching Professors.*

*Professor Mota teaches graduate as well as undergraduate students. Some of the graduate students are full-time, some are part-time, and some are executive graduate students. Effectively teaching each of these groups involves different teaching styles, with which Dr. Mota has had much success. Dr. Mota has incorporated technology in the classroom, helping to engage corporate executives and leaders while not losing perspective on the important life long skills of communication and critical thinking. For her efforts, Dr. Mota received the Outstanding Graduate Faculty Award in 2005-06 and the Faculty Excellence Award in 1985-86; she was nominated for the Master Teacher Award in 1987, 1988 and 1992.*

*Dr. Mota’s enthusiasm for teaching has carried over to her service efforts as well. She has been involved in curricular development in her department and the college, with regard to the Business Communication component and outreach to the Firelands campus.*

*Dr. Mota’s scholarly research efforts have resulted in the publication of 26 articles over the past five years, part of a continuous publication record that extends back to 1985. In 2004 she was the co-recipient of the Robert Patton Scholarly Achievement Award.*

The CSC Awards Ceremony was held April 19 and there was a great turn out. Stampers, the Post Office staff, won the Outstanding Team Award.

The CSC golf outing was recently held and raised approximately $3,300 for scholarships. The scholarships help cover the cost of books for classified staff and dependents in good academic standing.

Ms. Sawaie stated that she is now the administrative secretary for the BGSU Research Institute. Ms. Sawaie will continue as a voting member of the Ohio Staff Council of Higher Education and will be serving as Ex Officio to the CSC Executive Committee. This resolution parallels similar action taken at other Ohio universities and a recent action by Governor Strickland. In addition, the Senate passed a resolution on the Sustainability of Higher Education in Ohio expressing appreciation to the Governor and to the legislature for proposed increases to the state share of instruction.

In closing, Dr. Pauken stated that the best part of being in Faculty Senate is meeting people from all over campus including the Firelands campus. There are many people with different levels of expertise that have a great interest in shared governance.

GSS supports the holistic development of graduate students by offering both educational and social programs. A professional day was held in January and over 70 graduate students attended. USG discussed the possibility of lowering the GPA for good academic standing. Student Government thought it was important to hold students to high academic standards.

After the events of Virginia Tech, our students very quickly organized a memorial for everyone affected by the tragedy. The events show the true BGSU spirit and there were over 500 people who gathered at the event.

Over the course of this past year, truly collaborative efforts could be seen between the Undergraduate Student Government, the Graduate Student Senate, and the Resident Student Association, through multiple passed resolutions. One example would be the resolution on the Dunbridge project.

Over the next year, there are a few things the student government would like to focus on. One is to increase involvement and communication across campus. USG would also like to mobilize a movement to get a vote for student trustees. Finally, USG would like to discuss effective instructor evaluations.
