(a) Form and Numbering. The Series 2010 Bonds shall be issued only as fully registered Bonds and substantially in the form set forth in the Supplemental Trust Agreement for the related series of Series 2010 Bonds, and shall be numbered as determined by the Fiscal Officer.

The Series 2010 Bonds shall only be issued to a Securities Depository for holding in a book entry system and: (i) those Bonds shall be registered in the name of the Securities Depository or its nominee, as registered owner, and immobilized in the custody of the Securities Depository or its agent; and (ii) those Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository without further action by the University as provided in the Supplemental Trust Agreement for the related series of Series 2010 Bonds.

(b) Denominations and Dates. The Series 2010 Bonds shall be dated as of their date of issuance or as of another date as may be stated in the Certificate of Award for the related series of Series 2010 Bonds. The Series 2010 Bonds of each series shall be issued in the denominations authorized in the applicable Supplemental Trust Agreement.

(c) Interest. The Series 2010 Bonds of each series shall bear interest from their respective dates payable on the Interest Payment Dates at the respective rates per year to be determined by the Fiscal Officer and set forth in the Certificate of Award and Supplemental Trust Agreement for the related series of Series 2010 Bonds. If the Series 2010 Bonds are issued as Tax-Exempt Bonds, the weighted average interest rate of all such Series 2010 Bonds of a series shall not exceed seven percent (7%) per year. If the Series 2010 Bonds are issued as Build America Bonds, the weighted average interest rate of all such Series 2010 Bonds of a series shall not exceed nine percent (9%) per year.
(d) **Maturities.** The Series 2010 Bonds of each series shall mature on the dates and in the amounts as the Fiscal Officer determines, provides and states in the Certificate of Award, provided that no Series 2010 Bonds shall mature later than June 1, 2045.

(e) **Prior Redemption.**

(i) **Term Bonds—Mandatory Redemption.** If provided for in the Certificate of Award, Series 2010 Bonds maturing in a particular year may be consolidated with the principal amount of Series 2010 Bonds of the same series maturing in one or more prior consecutive years to provide for Term Bonds maturing in that later year in the aggregate principal amount of those consolidated maturities. Any such Term Bonds shall be subject to mandatory redemption by the University pursuant to mandatory sinking fund requirements at a redemption price equal to 100% of the principal amount redeemed, plus accrued interest to the date of redemption, on the dates and in the principal amounts as determined by the Fiscal Officer in the Certificate of Award. The amounts required to be paid to the Bond Service Account shall include amounts sufficient to redeem (less the amount of any credit as provided in the Supplemental Trust Agreement for the related series of Series 2010 Bonds) on each principal payment date in the respective principal amounts of any Term Bonds subject to mandatory sinking fund redemption.

At its option, to be exercised on or before the 45th day next preceding any mandatory sinking fund redemption date, the University may (i) deliver to the Trustee for cancellation Term Bonds, in any aggregate principal amount desired, or (ii) receive a credit in respect to the mandatory sinking fund requirement (and corresponding mandatory redemption obligation) of the University for any Term Bonds of the same series maturing in the same year as the Term Bonds so delivered to the Trustee, which prior to that date have been redeemed (other than through the operation of the mandatory sinking fund requirements provided for) or purchased for cancellation and cancelled by the Trustee and not theretofore applied as a credit against any mandatory sinking fund requirement (and corresponding mandatory redemption obligation). Each Term Bond so delivered or previously redeemed or purchased for cancellation shall be credited by the Trustee at 100% of its principal amount against the mandatory sinking fund requirement (and corresponding mandatory redemption obligation) of the University on that redemption date with respect to Term Bonds maturing in the same year and any credit in excess of that amount may be credited against future mandatory sinking fund requirements with respect to Term Bonds of the same series maturing in the same year. If the University intends to avail itself in any year of the provisions of this paragraph, the University will on or before the 45th day next preceding the mandatory redemption date of that year furnish the Trustee with a certificate, signed by the Fiscal Officer, stating the extent to which the provisions of clauses (i) and (ii) above in this paragraph are to be availed of with respect to such mandatory sinking fund requirement (and corresponding mandatory redemption obligation). Unless that certificate is so timely furnished by the University, the mandatory sinking fund requirement (and corresponding mandatory redemption obligation) for that year shall not be reduced.

(ii) **Optional Redemption.** Series 2010 Bonds of any series and of one or more maturities may, as determined in the Certificate of Award, be subject to redemption at the option of the University prior to their stated maturities, in whole or in part (as directed by the University), from moneys other than those deposited in accordance with any mandatory sinking fund requirements as provided above, on the dates and at the redemption prices set forth in the Certificate of Award; provided that the first redemption date shall be not later than ten years from the first Interest Payment Date for Series 2010 Bonds of that series and the highest redemption price for Series 2010 Bonds issued as Tax-Exempt Bonds shall not exceed 102%. The terms for any redemption prior to maturity of Series 2010 Bonds of any series issued as Build America Bonds shall be determined by the Fiscal Officer in the Certificate of Award, and those terms may require a make whole premium to be paid to the holder of any such Series 2010 Bonds upon redemption prior to stated maturity. If determined to
provide lower interest costs and to be in the best interest of the University, as may be provided in the Certificate of Award, the Fiscal Officer may determine that none of the maturities of Series 2010 Bonds of any series will be subject to optional redemption prior to maturity or that certain maturities of Series 2010 Bonds of any series will not be subject to optional redemption prior to maturity.

(iii) **Partial Redemption.** If fewer than all of the outstanding Series 2010 Bonds of any series of one maturity, if at the time not registered in the name of a Securities Depository or its nominee, are to be called for redemption, the selection of the Bonds or portions of those Bonds (in denominations authorized in the applicable Supplemental Trust Agreement) of that maturity to be called for redemption shall be made by lot in the manner provided in the Trust Agreement. If optional redemption of Series 2010 Bonds of any series at a redemption price above 100% of the principal amount to be redeemed is to take place on any applicable mandatory sinking fund redemption date, the Bonds to be optionally redeemed shall be selected prior to the selection of the Term Bonds to be redeemed by mandatory sinking fund redemption.

(iv) **Notice.** Notice of call for redemption of Series 2010 Bonds of any series, setting forth the information provided for in the Trust Agreement, shall be given by mail by the Trustee on behalf of the University, mailed not less than 30 days prior to the redemption date to the registered owners of the Series 2010 Bonds to be redeemed in whole or in part at their addresses appearing on the Register. Notice by publication shall not be required. Any defect in that notice as to any 2010 Bond shall not affect the validity of the proceedings for the redemption of any other 2010 Bond, and any failure to receive notice duly mailed shall not affect the validity of the proceedings for the redemption of any Series 2010 Bonds.

(f) **Places and Manner of Payment.** The Series 2010 Bonds shall be payable at the places and in the manner provided in the Supplemental Trust Agreement for the related series of Series 2010 Bonds.

(g) **Execution and Authentication.** The Series 2010 Bonds shall be executed and authenticated in the manner provided in the Trust Agreement.

Section 5. **Sale and Award of Series 2010 Bonds.**

(a) **General; Certificate of Award.** The Series 2010 Bonds are sold and awarded to the Original Purchaser in accordance with this Resolution and the Certificate of Award, and on such further or revised terms authorized or not inconsistent with this Resolution and not materially adverse to the University as are provided for or specified in the Certificate of Award and any Bond Purchase Agreement. The purchase price for any series of Series 2010 Bonds may not be less than 98% of the aggregate principal amount of the Series 2010 Bonds of that series (or, if the Series 2010 Bonds are sold at any original issue discount, 98% of the amount resulting from the subtraction of the aggregate net original issue discount from the aggregate original principal amount of the Series 2010 Bonds), plus any interest accrued on Series 2010 Bonds from their date to their delivery date. The original issue discount, if any, shall not exceed in the aggregate 5% with respect the Series 2010 Bonds of any series. The Fiscal Officer is authorized and directed to execute one or more Certificates of Award and any Bond Purchase Agreements for the related series of Series 2010 Bonds, in order to provide for the definitive terms and terms of sale and award to the Original Purchaser of the Series 2010 Bonds of each series as provided in this Resolution, but not later than July 1, 2011. The Certificate of Award and any Bond Purchase Agreement for any series of Series 2010 Bonds shall not be inconsistent with this Resolution, and shall be approved by the Fiscal Officer, her execution of the Bond Purchase Agreement to constitute conclusive approval, and a finding that the terms are not materially adverse to the University, on behalf of the University. The Certificate of Award for the related series of Series 2010 Bonds shall be incorporated in and form a part of the related Supplemental Trust Agreement.
(b) **Official Statement.** The Fiscal Officer is authorized and directed to prepare or authorize to be prepared, and to complete a preliminary official statement and final official statement relating to the original issuance of any series of Series 2010 Bonds. If and to the extent applicable, the Fiscal Officer shall certify or otherwise represent, that the preliminary official statement, in original or revised form, is a “deemed final” official statement (except for permitted omissions) by the University as of a particular date and that a completed version is a “final” official statement for purposes of Rule 15c2-12 adopted by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934 (the Rule). The distribution and use of a preliminary official statement and final official statement by the University and the Original Purchaser is hereby authorized and approved with respect to Series 2010 Bonds of any series.

The Fiscal Officer and any other appropriate officers of the University or the Board are further authorized (i) to use and distribute, or authorize the use and distribution of, the preliminary and final official statement and supplements thereto in connection with the original issuance of Series 2010 Bonds of any series as may in their judgment be necessary or appropriate, and (ii) to sign and deliver, on behalf of the University and in their official capacities, such certificates in connection with the accuracy of the preliminary and final official statements and any amendment thereto as may in their judgment be necessary or appropriate.

(c) **Continuing Disclosure Agreement.** If and to the extent required by the Rule, the University, for the benefit of the holders and beneficial owners of the Series 2010 Bonds, shall make a continuing disclosure agreement in the Supplemental Trust Agreement for the related series of the Series 2010 Bonds. The Fiscal Officer shall have the responsibility for the compliance by the University with that continuing disclosure agreement, and the Fiscal Officer shall establish procedures in order to ensure that compliance. That continuing disclosure agreement shall be the continuing disclosure agreement for purposes of the Rule, and its performance shall, as provided in it, be subject to the annual appropriation by the Board of moneys to meet costs required to be incurred to perform it.

Section 6. **Allocation of Proceeds of Series 2010 Bonds.**

(a) **Allocation.** The proceeds from the sale of the Series 2010 Bonds of each series shall be received and receipted for by the Fiscal Officer or by her authorized representative for that purpose, and shall be allocated, deposited and credited as follows:

(i) to the Bond Service Account in the Bond Service Fund, any portion of the proceeds representing accrued interest;

(ii) to the provider of any Credit Support Instrument, if provided for in the Certificate of Award, the amount that Certificate provides to pay fees and expenses relating to that Instrument;

(iii) to the Project Fund described below, the amount set forth in the Certificate of Award to be used to pay costs of the Series 2010 Bonds Projects, including payment to the lessor under the Master Lease-Purchase Agreement of the amount necessary to prepay the University’s obligations under that Agreement);

(iv) to the Trustee, the amount set forth in the Certificate of Award as the amount needed to provide for the refunding of Refunded Bonds; and

(v) in the event that a series of Series 2010 Bonds is issued to refund Outstanding Bonds separately from a series issued to pay costs of the Series 2010 Bonds Projects, to the Issuance Expenses Fund described below, the amount determined by the Fiscal Officer to be needed to pay costs of issuing the Series 2010 Bonds of that series and refunding the Refunded Bonds to be refunded by that series.
(b) **2010 Project Fund.** A fund (the 2010 Project Fund) shall be established for each series of Series 2010 Bonds issued to pay costs of the Series 2010 Bonds Projects and shall be held by the University or the Trustee in a separate deposit account or accounts (except when invested as provided below) set up in a bank or banks that are members of the Federal Deposit Insurance Corporation, and used and applied to pay “costs of facilities” as defined in Revised Code Section 3345.12, including the reimbursement to the University of moneys temporarily advanced for the purpose in anticipation of being reimbursed from the proceeds of the Series 2010 Bonds. Moneys on deposit in the 2010 Project Fund may be invested by or at the direction of the Fiscal Officer in eligible investments described in the Supplemental Trust Agreement maturing or redeemable at the option of the holder prior to the time or times needed for the purposes of that fund. Those investments and the proceeds of their sale shall constitute part of, and earnings from any of those investments shall be credited to, that Fund. Those investments may be sold, exchanged or collected from time to time by or at the direction of the Fiscal Officer. Any amounts in the 2010 Project Fund certified by the Fiscal Officer to be in excess of the amount needed to pay costs of the Series 2010 Bonds Projects may be used to pay principal of or interest on the Series 2010 Bonds of the series that funded the Series 2010 Bonds Projects if that expenditure will not, in the opinion of bond counsel to the University, (i) in the case of Tax-Exempt Bonds, adversely affect the exclusion of interest on the Series 2010 Bonds from gross income for federal income tax purposes, or (ii) in the case of Build America Bonds, adversely affect the University’s receipt of refundable tax credit payments.

(c) **Issuance Expenses Fund.** In the event that a series of Series 2010 Bonds issued for the purpose of refunding Outstanding Bonds is delivered at a different time from the delivery of a series of Series 2010 Bonds issued to pay costs of the Series 2010 Bonds Projects, there shall be established an Issuance Expenses Fund to be held by the University or the Trustee in a separate deposit account or accounts (except when invested as provided below) set up in a bank or banks that are members of the Federal Deposit Insurance Corporation, and used and applied to pay costs of issuing that series of Series 2010 Bonds issued to refund Outstanding Bonds and costs of the refunding. The University covenants that it will not cause or permit to be paid from the Issuance Expenses Fund any moneys except in compliance with the provisions of the Supplemental Trust Agreement for the related series of Series 2010 Bonds.

Moneys on deposit in the Issuance Expenses Fund may be invested by or at the direction of the Fiscal Officer in such investments as may be permitted by the Supplemental Trust Agreement for the related series of Series 2010 Bonds, maturing or redeemable at the option of the holder prior to the time needed for the purposes of that Fund. Those investments and the proceeds of their sale shall constitute part of, and earnings from any of those investments shall be credited to, that Fund. Those investments may be sold, exchanged or collected from time to time by or at the direction of the Fiscal Officer. Any balance remaining in the Issuance Expenses Fund, after the Fiscal Officer has certified that payment of all costs to be paid from that fund has been made or provided for to the satisfaction of the University, shall be deposited in the Bond Service Account and used for payment of interest on the Series 2010 Bonds of that series.

Section 7. **Tax Covenants.**

(a) **Covenants.** The Board, for itself and the University, hereby covenants with respect to any series of Series 2010 Bonds issued as Tax-Exempt Bonds that:

(i) It will use, and will restrict the use and investment of, the proceeds of the Series 2010 Bonds in such manner and to such extent as may be necessary so that (A) those Bonds will not constitute private activity bonds, arbitrage bonds or hedge bonds under Section 141, 148 or 149 of the Code, or be treated other than as bonds to which Section 103 of the Code applies, and (B) the interest on those Bonds will not be treated as a preference item under Section 57 of the Code.
(ii) It (a) will take or cause to be taken such actions that may be required of it for the interest on the Series 2010 Bonds to be and remain excluded from gross income for federal income tax purposes, and (b) will not take or authorize to be taken any actions that would adversely affect that exclusion, and that it, or persons acting for it, will, among other acts of compliance, (1) apply the proceeds of the Series 2010 Bonds to the governmental purpose of the borrowing, (2) restrict the yield on investment property, (3) make timely and adequate payments to the federal government, (4) maintain books and records and make calculations and reports, and (5) refrain from certain uses of those proceeds and of property financed with those proceeds, all in such manner and to the extent necessary to assure that exclusion of that interest under the Code.

The Fiscal Officer and other appropriate officers are authorized (i) to make or effect any election, selection, designation, choice, consent, approval or waiver on behalf of the University with respect to the Series 2010 Bonds as the University is permitted to make or give under the federal income tax laws, including, without limitation, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Series 2010 Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments of penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (ii) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the University, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Series 2010 Bonds, and (iii) to give one or more appropriate certificates, for inclusion in the transcript of proceedings for those Bonds, setting forth the reasonable expectations of the University regarding the amount and use of all the proceeds of those Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Series 2010 Bonds.

Section 8. Supplemental Trust Agreements. The President of the University, the Chief Financial Officer and Vice President for Finance and Administration of the University and the Chair and Vice-Chair of the Board, or any two of them, are authorized and directed to execute and deliver to the Trustee, in the name of and on behalf of the University, and the Secretary to the Board is authorized to attest, a Supplemental Trust Agreement pursuant to the Trust Agreement and in connection with the issuance each series of Series 2010 Bonds, not substantially adverse to the University as may be permitted by the Act and the Trust Agreement and approved by the officers executing it on behalf of the University.

Section 9. Refunding of Refunded Bonds.
