Summer Session Enrollment Reaches 1,000

Over 1,000 students have registered so far for the summer session here. Registration will continue up to Monday, June 14, the Registrar's Office has announced.

Records in the Registrar's Office are being microfilmed. Transcripts received from other universities, high school records, and old grade sheets that range from 1914 to 1948 are being photographed.

Ohio's Governor Addresses Delta At Installation Dinner

Delta Tau Delta became the tenth national social fraternity on campus when Kappa Tau was installed as Delta Tau over the weekend.

Installation of Delta Tau's eighth Ohio chapter began at 11 a.m. Saturday. Gov. Thomas J. Herbert arrived in Bowling Green Saturday and addressed the new chapter of its fraternity at the installation banquet.

Bowling Green's chapter will have the distinction of being named the Delta Tau chapter and is the 77th chapter in the United States.

Kappa Tau had 25 active members, six of them Delta transfers from other colleges, and 11 pledges. The group is housed on Fraternity Row.

Summer school classes will begin June 15 and end August 6. A meeting will be held sometime during the summer for those interested in taking the post-summer course from August 9 to 27.

Career Ends

Samuel Morell, Campbell, O., (picture in "Symposium," page 3) is the new president of the Student Senate at the result of recent all-campus elections held here. Sam, a junior majoring in personnel work, succeeds Bill Zimmerman as senator from other colleges, and 11 pledges.

Morell was elected president winning over John Payak by 116 votes. Glenn Raker, Covoy, O., ran third.

Other senate winners were Jean Groomsby, Canton, O., vice president; Elizabeth Aruhl, Bellevue, O., secretary; and James Eggo, Newark, O., treasurer.

New leaders of the sophomore class are: Dave Lorenzen, president; Dick Johnston, vice president; Nancy Curtin, secretary; and Dick House, treasurer.

Gene Dudley will take over the junior class presidency next fall. His vice president will be John Fay, winner over 15 contenders. New junior class secretary is Kenneth Sailer; new treasurer is Dane Barber.

Robert Mudgett has been elected new president of the senior class. The senior class elected Norman Detray, vice president; Mary Jo Werner, secretary; and Donald Flack, treasurer.

Although a very spirited campaign was carried on, voting was comparatively light. Dave Auerkus, of the Senate Elections Committee, estimates that only 25 per cent of the enrollment voted.

Eyes Staff Sells Spring Edition

Eyes magazine, spring edition of 1948, went on sale Monday.

The campus literary magazine sells for a quarter and features many poems, photographs, and examples of creative writing.

bouquets to seniors...

As the thirty-second issue of the thirty-two-year-old Bee Gee News goes to press, 380 seniors are ready to make Bowling Green State a part of their memories.

But we who remain to carry on have a few pet memoirs of our own. We can never erase completely the memory or the work of the largest class ever to be graduated from this university.

The entire campus joins in paying tribute to a very outstanding group—1948's graduates. Congratulations and good luck, seniors.

Bronze Plaque And Carillons Dedicated In Amphitheatre

The end of the school year is just around the corner and a great many important events have taken place. Just to find out what has been the most significant to the student body, we asked the question, "What, in your opinion, has been the biggest event on the campus this year?"

"To me the biggest event of the year was the Daisy Mae, Li'l Abner election. It showed for the first time the possible potentiality of the student vote. It's too bad that it took such a light incident to make the student body come out and vote," Sam Morrell, junior from Youngstown, believes that the biggest event of the year will be the Student Senate election.

Representatives of America's armed forces place roses on the bronze plaque engraved with the names of Bowling Green State University war dead. The campus Amphitheatre was the scene of the impressive dedication ceremony.

By Bob Scott

A bronze plaque and two new sets of carillonic bells were formally dedicated in a ceremony in the Amphitheatre recently.

A large crowd gathered under a warm summer sun to watch the dedication.

Representatives of all branches of the armed forces participated in the dedication ceremonies. The bronze plaque was engraved with the names of 19 Bowling Green alumni who lost their lives in World Wars I and II.

After a short introduction by Dr. Frank J. Prout, Dr. Walter Zaugg gave an address and the two sets of carillonic bells were dedicated.

Dr. Alexander McCurdy, Princeton University, dedicated the English bells.

Dr. Arthur L. Bigelow concluded the program by playing "Finlandia," alma mater of the university, and "Abide With Me."

This was the first time that the Flihm bells were heard on campus.

Zeta Beta Tau

New officers of Zeta Beta Tau fraternity are: Harold Jaffe, president; Alvin Fischer, vice-president; Saul Siegel, secretary; and Herbert Siegel, treasurer.

Ted Nye, last year's historian, retains his position.

Jean Miller

The raising of the rent on the trailers, from $22.50 to $25, was the biggest event happening this year for me."

This comment was given by Jean Miller, from Ashland.

"And that isn't all; then in order to keep the trailer during the summer months we have to pay $29, just because we're working. That's big enough for me this year.

The forming of Gamma Theta Tau national geographic honorary fraternity, took top billing with Art Fowl who emceed the program from Oberlin, because it pertain's to him and his major."

"This fraternity fosters interest in geology," he continued, "that soon will be one of the more important subjects in the University."

Bowling Green Track Team Cops Three Firsts At Deadeye Meet Saturday

Baldwin-Wallace Squeezes Fourth Ohio Championship

By Tom Loonis

Baldwin-Wallace, led by Harrison Dillard and Gustav Katzmar, proved themselves to be one of the Ohio College Track and Field Championship in five starts as seven points, and one was tied at Delaware Saturday.

Miami, pre-meet favorites because of an earlier easy dual conquest of the Bremen, finished about four points behind, and Bowling Green, placing in 14 of 15 meets, was second in the third place.

The scores were B-W 63 1/6, Miami 58 3/10, BG 48 4/5, Ohio Wesleyan 45, Western Reserve 15, Kent State, Oberlin, Case, Cincinnati, Toledo, Ohio U., and Akron all had less than four points.

Falcon Cop Three Firsts

Dillard, B-W's all-time great, extended his consecutive win streak to 76 races last Saturday as he easily won in 176 hurdles events and the 100 yard dash. He also anchored the winning half mile relay team.

Miami's strength was cut in many places by the vastly improved Bee Gee outfit which doubled its 1947 score.

Upset Sport Disasters

The unexpected second place showing of B-W's Bill Wade in the hundred, and the victory of Western Reserve's John Telich over the Miami favorite, were the upsets that spelled disaster for the Redskins.

In one of the most spectacular collegiate meets, many places by a vastly improved Miami team, the Falcons were slowed to a 76 races by taking two of the day's events.

The time for the first 220 was 21.5.

Long faded slightly in the late stages and was placed in 18th place.

The time was 4:39.3. Bee Gee did not place.

Conroy took fourth in the high hurdles and fifth in the long jump.

Bob Veavere, a third in the 100, Johnny Mould was fourth in the broad jump, John Fischuppe, a third in the high jump, and Tim Rymer's second in the pole vault.

The Bowing Green Sprint relay team of B-W setting another record with a 1:28.2 performance.

Sports in Shorts

Miss Q's captured first place in the intramural softball tournament. Mary Landis was the captain and Betty Curtis, first baseman, had the team swept seven victories in a row and one defeat. Step-ins with Mary Davis, the captain, and Marilyn Melinger, pitcher, finished in second place with six victories, two defeats, and one tied game.

Double forfeits do not count in the tournament.

Warning

Lockers must be emptied and towels returned to the stockroom by Thursday. All gym suits left in the lockers will be destroyed.

Baseball Team Wins Eight

In 15 games, BG's baseball team won eight while losing seven. The victories were over Ohio Wesleyan, five, Toledo, Ball State, Wayne, Findlay, Lawrence Tech, and Michigan Normal. The golf tourney led by Moe Seiple and John Herrold won seven matches while dropping four and placed sixth in the Intercollegiate Tournament at Ohio State. Under the leadership of Martin Winemiller, new Falc0n tennis coach, the nett men garnered six victories in six matches during the year.

Tankers Capture Nine Trophies

The Falcons were once again impressive in their second consecutive year, bringing home nine trophies and 22 medals, and finishing first in the Central Collegiate Conference meet at Michigan.

Petrie, Miller, Scott, and Terre led the cross-country team to an excellent season as they finished 17th in a large field in the National Collegiate Meet which was run in the snow late in the fall. Petrie was the big scorer for the Harriers as he took both two firsts, four seconds, and three thirds during the year.

But the big surprise for Bowling Green came last month when the sailing team which was formed only a week before, entered the Midwestern Sailing Meet at the University of Michigan and walked off with first place honors over Notre Dame, Michigan, Wisconsin, Bowling Green, Ohio State, Miami and other so-called powerful schools from this section of the country. The sailing team didn't even have a boat, they rented one for the meet, and then went on to win the title by edging Notre Dame 127 to 126.
