Students Elect Queen Today

14 Candidates Vie For Honor

Students go to the polls today to elect a Homecoming Queen.

The voting will be held from 8 a.m. to 4 p.m. Ballots will be counted at 4 p.m. Counting will be open to the public and everyone interested is invited to watch the counting of the ballots.

Each letter of the ballot counting will be posted at the voting booth. Results of the election will be announced immediately after the election.

Veterans' votes may be by having their names placed on the list of voting polls. The polls are located in the first floor of the Ad Bldg, just above the Well. Photographs of candidates will be hung at the display window.

Dunham also earned the third football honor for Gwin's defeat of Miami University. The Rockets didn't cross the Falcons' goal line until the last period on a carry from rebounded field goal.

Approximately 6000 students and their friends attended the annual Homecoming event, the first since 1935.

CHEST CHECKS PROFITABLE

Students, faculty, and employees of Bowling Green State do well to take advantage of the X-raying facilities being offered from October 9 to December 21 by the University health office. It is believed that tuberculosis kills 10,000 people every year. Early tuberculosis can be cured, but if the cure comes too late, the patient may develop the disease long after, the cure harder.

Freshman students were given a check made on chest condition. Check the schedule on page one and see if your name is marked down. All reports on the pictures are confidential.

Alpha Chi Omega had an exchange dinner with the Sigma Chi last Wednesday. Ten members from each group were "exchanged."

Many filled the air in fraternity row last night as the Kappa Delta's serenaded all of the fraternity houses. Among the first to be serenaded were the Delta Gamma's, last Tuesday night, Oct. 5. With frozen toes and smiles of appreciation they accepted the invitations of Sigma Alpha Epsilon fraternity and Alpha Tau Omega fraternity to cocktails and even a little peace and quiet to the residents of the Rec Hall.

The Sigma Chi's, held a joint-piicnic with the Delta Gamma's last Sunday afternoon at the Pool. Bill Wunder and Walt Bartlett were in charge.

The Sigma Nu's held a strictly "surprise-style" bacute last week. After an extended tour of Wood County in the wagon, a winter road was held. P. Kappa Alpha also held a bacute. The couples rode around the outskirts of town before holding their winter road.

These Thias clothe destructor, "Squirrel" Richards, gives little peace and quiet to the residents of the Rec Hall because of his piano playing at night.

New Senate Rules
Goverm Elections

Campus elections are once again gaining the interest of the students. In the light of this, the question asked this week was, "What do you think of the Student Senate's new campaign regulations?"

It was a good idea in the opinion of Leon Wiil, junior from Ellic. He said, "It will get rid of a lot of nonsense. The elections will get better candidates and keep "fly by night" from getting into office."

Jerry Quinlan

Jerry Quinlan, a sophomore from Anderson, Indiana, could not see why it was necessary to have a campaigning gadget. He believes that the campaign movements must have some type of control or the students would probably run away with it.

"It looks like it will impose too many restrictions on the candidates," declared Jerry Quinlan from Findlay. "I don't believe it is the true opinion of what the campus wants. In my opinion if a candidate wants to exert energy for campaigning he certainly should be able to do so. Without such prohibitive regulations."

Dr. Witty To Give Address At Confront

Dr. Pappy Witty, professor of education from Northwestern University, will give the main address at the second annual Conference of Reading, to be held here Oct. 16 by the Department of Education.

Dr. Witty has been on the staff of Teachers College, New York, for the last six years, he was a visiting professor at the University of California, and is a member of the Phi Delta Kappa fraternity. He is editor of Dr. Witty, a junior in communications, and Miriam McRae, a sophomore in sociology, were responsible for the "babble" radio work at the TG-Bowling Green game last week with the band. Looks like it might turn out to be a weekly affair through out the football season.

HOGADON'S BACK! — With the war over his show several weeks ago in Toledo, Henry Cornelius will be presented soon over WRMN by his "Here's to Veterans" spot on transcriptions. Others who will soon appear on "HRT" shows include Nobert Eddy, Jack Berech, Freddie Carlos, and Fred Waring. Watch for those shows. They're tops! Meet THE WOMEN—Can't put a plug in for Saturday shows! Thank you. One of the new shows which will premiere when WRSU takes to the air next week will be "Meet the Women" produced by yours truly. It will feature women students, at night of her own volition, with her own residence in a series of musical comedy-variety programs. Also featured on the Saturday night program will be "Coffee Cup Carus", featuring disc-jockey Bob Eberhardt, "Riddle Winner" with Ralph Hoe and Jim Spensler, and "Mr. Spin-Off" featuring George Bell. The Saturday night listening is for you. Well, I'm off like a static wave until next week. Same time!"
STATISTICS DON'T ALWAYS COUNT

Although Toledo University did rate a large statistical advantage over the Falcons on Saturday night, Bowling Green definitely was the better team. Purposely the Whittaker defense vantage over the Falcons on Saturday night, Bowling Green was the better team. Purposely the Whittaker defense...
