Welcome Alumni...

Welcome alumni! In the first place, we want you to know how many people are attending the Homecoming Game. If you can't come to the game, we hope you will write to us and let us know what you are doing.

We don't mean to brag—but I think you should know that the Homecoming Game is going to be a success. Though the figures for the homecoming election are still not available, there is absolutely nothing to be proud of. By not voting, we are helping to defeat our candidates. If a person who has not voted in an election does not vote in the homecoming election, they will not have a voice in the government. It is the only way to make sure that the government works for the people and not for the politicians.

We wonder how many eligible voters in this area will vote in the homecoming election. This is a serious matter, since it is the rally that is going to put us in yelling condition for the big election. The evening promises to be a success, and we hope that everyone will come and support our candidates.

After the game, we recommend that you visit the Bowling Green Ballroom—1000 Minnesota Ave—alumni members in attendance. By not voting, we are helping to defeat our candidates. If a person who has not voted in an election does not vote in the homecoming election, they will not have a voice in the government. We hope that you will come to the game and support our candidates. It is the only way to make sure that the government works for the people and not for the politicians. We want to see everyone at the game, and we hope that you will come and support our candidates.

The Pop Rally Friday will be one that should not be missed. The rally will be held at the stadium, and we hope that everyone will come and support our candidates. It is the only way to make sure that the government works for the people and not for the politicians. We want to see everyone at the rally, and we hope that you will come and support our candidates.

Homecoming is an active weekend for the fraternities. The best time to take a walk out to Fraternity Row will be this weekend when the fraternities show their ingenuity and originality in the decoration of their houses for the special occasion.

The Row will be active from Friday until Sunday entertaining the alumni and friends with barbecues, open houses, dances, and dinners.

For example, the Sigma Chi's are having a hearty Friday night, a buffet dinner Saturday afternoon, and a closed dance Saturday evening at the house.

Kappa Sigma's are having a keyed Friday night, open house Saturday afternoon and a closed house Saturday night at the Legion Hall.

Alpha Tau Omega's are having an open house Friday and Saturday and a closed informal dance Saturday night at the Legion Hall.

Patricia Teller was chosen as the outstanding pledge of the group.

Alpha Phi, Delta Gamma And Kappa Sigma Win Float Honors In Key Parade
By John Smith

Alpha Phi Sorority had the prize-winning float in the 1948 Key Parade held on campus Sunday afternoon. Over 1,600 onlookers braved the brisk winds and crowded Ad Hoc steps, the Circle and the parade route to witness the third annual affair in which "Key Beauty Queen" candidates were presented by their sponsoring groups.

Judged second was the entry of Delta Gamma Sorority, with the Theta Phi Alpha Chapter third. The El Ela entries were judged on the basis of originality, presentation of themes, design, and color.

Press Frank J. Probst presented the rotating color key. Delta Pi representatives and candidate for Key Beauty Queen, Miriam Wall, after the three-place winners were named, stood before the key to hold the colors. The trophy was last won by Miriam Wall last year.

Alpha Phi’s contestant stood abreast a huge replica of life magazine depicting a life cover girl. Around the sides of the float were several regions of leading women’s magazines. Delta Gamma's second place float featured Pat McNeely, the Key Beauty candidate, about to serve with a large spoon from a huge strawberry shortcake, with the theme "Fiddle Takes the Cake."

Miss Elaine, constant for "Prisoners For A Day," sat atop the Kappa Sigma float, surrounded by fraternity brothers dressed in various themes of popular cartoons. Judges for the Kappa Sigma entry were selling their gum as "The People's Chewing Gum."

Entries for the float were Charles McPherony and Bob Goldman. Judges were Miss Edith Stair, student economics consultant, Bob DeConick, new Homecoming personality, and Mr. Goldsmith, director of Lane television expert from Toledo.

The Bowling Green cross country teams split a dual-meet at Athens Saturday, winning from Western Reserve but losing to Ohio University.

The Falcons ran up a perfect score in drawing the Reserve, 15-38, but were outdistanced by Gordon Car's Bobcats, 23-22. Although the weather was perfect, the Falcon runners were hampered by a steep hill to which they were not accustomed to running ever on their home course.

John Heskin of Ohio U led the pack home in 24:07 while Bob Weaver was the top man for the Buckeyes.

Welcome alumni!
The annual Homecoming Alumni-Students Hockey Game sponsored by the Woman's Recreation Association is scheduled for Saturday morning at 9:10.
Everyone is welcome to attend the game which will start promptly at 9:10 on the field adjacent to the English Hill. Breakfast for the players and faculty will be served at 7:00 in the Women's Hall.
And now for a glimpse of last year's game. The students were the victim leading 1 to 0. Betty Lueh, Captain of the women's student skating team, was the only scorer in the first half of the game. The second goal for the students was made when she hit the ball through the wrong goal.
Dorothy Luedtke, now an assistant in the Women's Physical Education Department, scored the winning goal.

Dancer Joins P. E. Staff
Miss Joan Brodie, dance director from New York City, is a new instructor in the Women's Physical Education Department.

Before coming to Bowling Green, she was a dance counselor at Camp Berkshire in Connecticut. She also started a Dance Club while teaching at Frammont College and Technical Institute.

Newman Club Leads in Football
Jerry Danssen's Newman Club still dominates League I of the Independent Football League, although they were held to a scoreless deadlock by the Packers last week. Earlier in the week Bob Badger's 54's dropped the Packers 13-6. The North Dorm Buckeyes beat the Owls 13-4 in another League I game.

In League II, Hill II won over the short Brodie 1-0 and the Bee Gees defeated the Wildcats 6-6. Roosevelt's point. IAB's bunched the Panthers 26-1 in a League III game last week. Alex Wilkerson, who had upset the Owls the week before, was beaten by the Stadium Club Pro's by a 24-12 count.

Dance Club members do their own compositions.
Being one of the editors of the Dance Observer magazine, she writes reviews of dance concerts and dance books and writes news of dance from all over the country.

Miss Brodie received her B.A. degree from Cornell and her MA from Columbia.
