Section 2. Authority. This Resolution is adopted pursuant to the Trust Agreement (including the General Bond Resolution) and the Act.

Section 3. Authorization, Designation and Purpose of Series 2017A Bonds. The University is authorized to issue, sell and deliver, as provided and authorized in this Resolution and the Supplemental Trust Agreement, General Receipts Bonds of the University in one or more series, for the purposes of (i) paying costs of the Series 2017A Projects; (ii) refunding the Refunded Bonds; and (iii) paying costs of issuing each series of Series 2017A Bonds. The principal amount of each series of Series 2017A Bonds is to be the amount set forth in the Certificate of Award for that series, determined on the basis of the Fiscal Officer's certification therein of the amount required for the aforementioned purposes. The proceeds from the sale of each series of Series 2017A Bonds shall be allocated, deposited and applied as provided in Section 6.

The Series 2017A Bonds may be issued in one or more separate series, each bearing a distinctive designation as provided in the applicable Certificate of Award, provided that the Series 2017A Bonds of each series shall satisfy the requirements of this Resolution. Separate series of Series 2017A Bonds may be issued at the same or different times. If separate series of Series 2017A Bonds are issued at different times, a separate Certificate of Award and Supplemental Trust Agreement may be signed and delivered for each series.

The Fiscal Officer shall designate each series of Series 2017A Bonds in the Certificate of Award as Tax-Exempt Bonds or as Taxable Bonds. Such designation shall be based on the Fiscal Officer's determination, in consultation with the University's Financial Advisor, that the designation is in the best interest of the University, providing for an overall debt structure upon terms most favorable to the University.

In the event that the Fiscal Officer determines that the University's best interests will be served by causing a series of Series 2017A Bonds to be issued as Variable Rate Bonds, then the Fiscal Officer is authorized to so specify in the applicable Certificate of Award. The method or procedure by which the variable rates of interest to be borne by Variable Rate Bonds are to be determined shall be set forth in the Supplemental Trust Agreement or such Certificate of Award. Such method or procedure may be by reference to a market index, by a remarketing agent, including but
not limited to a dealer for commercial paper, or otherwise as set forth in the Supplemental Trust Agreement. The Fiscal Officer may determine that the terms of Variable Rate Bonds may or may not permit the Holders to tender their Variable Rate Bonds for purchase by the University. If the Fiscal Officer designates any Series 2017A Bonds as Variable Rate Bonds, and if the Holders of those Series 2017A Bonds are to be entitled to tender those Series 2017A Bonds for purchase, or if those Variable Rate Bonds are to be issued through a commercial paper program, then the Fiscal Officer shall also designate in the Certificate of Award for those Variable Rate Bonds (and may designate others from time to time in substitution therefor) the provider or providers of any Credit Support Instrument, the tender agent or agents, the administrative agent or agents, the remarketing agent or agents, or the dealer or dealers, which designations shall be based on the determination of the Fiscal Officer that the parties so designated possess the requisite resources and experience to provide the services required of them and that the terms on which the designated parties have agreed to provide such services are fair and commercially reasonable. The Fiscal Officer is authorized to enter into agreements in connection with the delivery of the Series 2017A Bonds, and from time to time thereafter so long as the Series 2017A Bonds are outstanding, with providers of Credit Support Instruments, tender agents or administrative agents (which may be the Trustee), remarketing agents or dealers (which may be any Original Purchaser) and others as may be determined by the Fiscal Officer to be necessary or appropriate to provide for the method of determining the variable interest rates, permitting holders the right of tender and providing for liquidity or credit support for the payment of Variable Rate Bonds upon tender for purchase or redemption or scheduled debt service and providing for the repayment by the University of any amounts drawn under the Credit Support Instrument consistently with the Trust Agreement. The Fiscal Officer is further authorized to terminate any such agreements if the Fiscal Officer determines that the University's best interests will be served by such termination.

The Fiscal Officer, in connection with any series of Series 2017A Bonds, is authorized to contract for one or more Credit Support Instruments, and to pay the costs of them from proceeds of the Series 2017A Bonds, if the Fiscal Officer determines that each Credit Support Instrument will result in a savings in the cost of the financing to the University.

(a) **Form and Numbering.** The Series 2017A Bonds shall be issued only as fully registered Bonds and substantially in the form set forth in the Supplemental Trust Agreement for the related series of Series 2017A Bonds, and shall be numbered as determined by the Fiscal Officer. The Series 2017A Bonds will be issued in certificated form as provided in the Supplemental Trust Agreement for the related series of Series 2017A Bonds.

(b) **Denominations and Dates.** Each series of Series 2017A Bonds shall be dated as of the respective dates of their issuance or as of another date as may be stated in the Certificate of Award for such series. The Series 2017A Bonds of each series shall be issued in the denominations authorized in the applicable Supplemental Trust Agreement.

(c) **Interest.** The Series 2017A Bonds of each series shall bear interest from their respective dates payable on the Interest Payment Dates at the respective rates per year to be determined by the Fiscal Officer and set forth in the Certificate of Award and Supplemental Trust Agreement for the related series of Series 2017A Bonds. For Series 2017A Bonds that bear interest at rates that are fixed to the maturity thereof, the weighted average fixed interest rate of such fixed rate Series 2017A Bonds of a series shall not exceed six percent (6.0%) per year. For Variable Rate Bonds, the interest rate of such Variable Rate Bonds shall not exceed 10 percent (10.0%) per year.

(d) **Maturities.** The Series 2017A Bonds of each series shall mature on the dates and in the amounts as the Fiscal Officer determines, provides and states in the Certificate of Award, provided that no Series 2017A Bonds shall mature later than June 1, 2051. The Series 2017A Bonds shall mature in such serial or term (“Term Bonds”) maturities as the Fiscal Officer determines to be in the best interests of the University and shall be provided for in the Certificate of Award.

(e) **Prior Redemption.**

(i) **Mandatory Redemption.** Any Term Bonds shall be subject to mandatory redemption by the University pursuant to mandatory sinking fund requirements at a redemption price equal to 100% of the principal amount redeemed, plus accrued interest to the date of redemption, on the dates and in the principal amounts, if any, as determined by the Fiscal Officer in the Certificate of Award. The amounts required to be paid to the Bond Service Account shall include amounts sufficient to redeem (less the amount of any credit as provided in the Supplemental Trust Agreement for the related series of Series 2017A Bonds) on each principal payment date the respective principal amounts of any Term Bonds subject to mandatory sinking fund redemption.
At its option, the University may deliver to the Trustee for cancellation Term Bonds, in any aggregate principal amount desired, and receive a credit in respect to the mandatory sinking fund requirement of the University for any Term Bonds of the same series maturing in the same year as the Term Bonds so delivered to the Trustee, which prior to that date have been redeemed (other than through the operation of the mandatory sinking fund requirements) or purchased for cancellation and cancelled by the Trustee and not theretofore applied as a credit against any mandatory sinking fund requirement. Each Term Bond so delivered or previously redeemed or purchased for cancellation shall be credited by the Trustee at 100% of its principal amount against the mandatory sinking fund requirement of the University on that redemption date with respect to Term Bonds maturing in the same year and any credit in excess of that amount may be credited against future mandatory sinking fund requirements with respect to Term Bonds of the same series maturing in the same year. If the University intends to avail itself of the provisions of this paragraph, the University will on or before the 45th day next preceding the applicable mandatory redemption date furnish the Trustee with a certificate, signed by the Fiscal Officer, stating the extent of the credit, if any, with respect to such mandatory sinking fund requirement. Unless that certificate is so timely furnished by the University, the mandatory sinking fund requirement for that year shall not be reduced.

(ii) **Optional Redemption.** Series 2017A Bonds of any series and of one or more maturities may, as determined in the Certificate of Award, be subject to redemption at the option of the University prior to their stated maturities, in whole or in part (as directed by the University), from moneys other than those deposited in accordance with any mandatory sinking fund requirements as provided above, on the dates and at the redemption prices set forth in the Certificate of Award. If determined to provide lower interest costs and to be in the best interest of the University, as may be provided in the Certificate of Award, the Fiscal Officer may determine that none of the maturities of Series 2017A Bonds will be subject to optional redemption prior to maturity or that certain maturities of Series 2017A Bonds will not be subject to optional redemption prior to maturity.

(iii) **Partial Redemption.** If fewer than all of the outstanding Series 2017A Bonds of any series of one maturity are to be called for redemption, the selection of the Bonds or portions of those Bonds (in denominations authorized in the applicable Supplemental Trust Agreement) of that maturity to be called for redemption shall be in the manner provided in the Trust Agreement. If optional redemption of Series 2017A Bonds of any series at a redemption price above 100% of the principal amount to be redeemed is to take place on any applicable mandatory sinking fund redemption date, the Bonds to be optionally redeemed shall be selected prior to the selection of the Term Bonds to be redeemed by mandatory sinking fund redemption. In the event of a partial redemption of Series 2017A Bonds that are Term Bonds, the Trustee shall allocate the principal amount of that Term Bond to be redeemed against the mandatory sinking fund schedule for such Term Bond in accordance with the written direction of the Fiscal Officer.

(iv) **Notice.** Notice of call for redemption of any series of Series 2017A Bonds, setting forth the information provided for in the Trust Agreement, shall be given by the Trustee on behalf of the University in the manner provided in the Supplemental Trust Agreement. Notice by publication shall not be required. Any defect in that notice as to any Series 2017A Bond shall not affect the validity of the proceedings for the redemption of any other Series 2017A Bond, and any failure to receive notice duly mailed shall not affect the validity of the proceedings for the redemption of any Series 2017A Bonds.

(f) **Places and Manner of Payment.** The Series 2017A Bonds shall be payable at the places and in the manner provided in the Supplemental Trust Agreement for the related series of Series 2017A Bonds.

(g) **Execution and Authentication.** The Series 2017A Bonds shall be executed and authenticated in the manner provided in the Trust Agreement.

**Section 5. Sale and Award of Series 2017A Bonds.**

(a) **General; Certificate of Award.** The Series 2017A Bonds may be sold to an Original Purchaser purchasing directly for its own investment or purchasing as an underwriter for a public offering and, in either event, shall be sold in accordance with this Resolution and the Certificate of Award, and on such further terms authorized or not inconsistent with this Resolution and not materially adverse to the University as are provided for or specified in the Certificate of Award and any Bond Purchase Agreement. The purchase price for any series of Series 2017A Bonds may not be less than 98% of the aggregate principal amount of the Series 2017A Bonds of that series (or, if the Series 2017A Bonds are sold at any original issue discount, 98% of the amount resulting from the subtraction of the aggregate net original issue discount from the aggregate original principal amount of the Series 2017A Bonds), plus any interest accrued on Series 2017A Bonds from their date to their delivery date. The original issue discount, if any, shall not exceed in the aggregate 5% with respect the Series 2017A Bonds of any series. The Fiscal Officer is authorized and directed to execute one or more Certificates of Award and any Bond Purchase Agreements for the
related series of Series 2017A Bonds, in order to provide for the definitive terms and terms of sale and award to the Original Purchaser of the Series 2017A Bonds of each series as provided in this Resolution, but not later than September 1, 2017. Any Certificate of Award and any Bond Purchase Agreement for any series of Series 2017A Bonds shall not be inconsistent with this Resolution, and shall be approved by the Fiscal Officer, with the execution of the Bond Purchase Agreement constituting conclusive evidence of such approval and a finding that the terms are not materially adverse to the University, on behalf of the University. The Certificate of Award for the related series of Series 2017A Bonds shall be incorporated in and form a part of the related Supplemental Trust Agreement.

(b) Official Statement. In the event that the Series 2017A Bonds of any series are sold by public offering, the Fiscal Officer is authorized and directed to prepare or authorize to be prepared, and to complete a preliminary official statement and final official statement relating to the original issuance of any series of Series 2017A Bonds. If and to the extent applicable, the Fiscal Officer shall certify or otherwise represent, that the preliminary official statement, in original or revised form, is a “deemed final” official statement (except for permitted omissions) by the University as of a particular date and that a completed version is a “final” official statement for purposes of Rule 15c2-12 adopted by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934 (the “Rule”). The distribution and use of a preliminary official statement and final official statement by the University and the Original Purchaser is hereby authorized and approved with respect to Series 2017A Bonds of any series.

The Fiscal Officer and any other appropriate officers of the University or the Board are further authorized (i) to use and distribute, or authorize the use and distribution of, the preliminary and final official statement and supplements thereto in connection with the original issuance of Series 2017A Bonds of any series as may in their judgment be necessary or appropriate, and (ii) to sign and deliver, on behalf of the University and in their official capacities, such certificates in connection with the accuracy of the preliminary and final official statements and any amendment thereto as may in their judgment be necessary or appropriate.

(c) Continuing Disclosure Agreement. If and to the extent required by the Rule, the University, for the benefit of the holders and beneficial owners of the Series 2017A Bonds, shall make a continuing disclosure agreement in the Supplemental Trust Agreement for the related series of the Series 2017A Bonds. The Fiscal Officer shall have the responsibility for the compliance by the University with that continuing disclosure agreement, and the Fiscal Officer shall establish procedures in order to ensure that compliance. That continuing disclosure agreement shall be the continuing disclosure agreement for purposes of the Rule, and its performance shall, as provided in it, be subject to the annual appropriation by the Board of moneys to meet costs required to be incurred to perform it.

(a) Allocation. The proceeds from the sale of the Series 2017A Bonds of each series, net of any amounts retained by the Original Purchaser for its compensation, shall be received and receipted for by the Fiscal Officer or by her authorized representative for that purpose, and shall be allocated, deposited and credited as follows:

(i) to the Bond Service Account in the Bond Service Fund, any portion of the proceeds representing accrued interest;

(ii) to the Bond Service Account in the Bond Service Fund, any portion of proceeds to be used to currently refunding any Refunded Bonds;

(iii) to the Trustee, the amount set forth in the Certificate of Award as the amount to be deposited with the Escrow Trustee under the Escrow Agreement;

(iv) to the Series 2017A Project Account in the Series 2017A Project Fund, the amount set forth in the Certificate of Award to be used to pay costs of the Series 2017A Projects;

(v) to the Series 2017 Cost of Issuance Account in the Series 2017A Project Fund, the amount set forth in the Certificate of Award to be used to pay costs of issuing the Series 2017A Bonds of that series; and

(vi) to the provider of any Credit Support Instrument, if provided for in the Certificate of Award, the amount that Certificate provides to pay fees and expenses relating to that Credit Support Instrument; and

(b) Series 2017A Project Fund. The Series 2017A Project Fund shall be established and shall be held
by the University or the Trustee in a separate deposit account or accounts (except when invested as provided below) set up in a bank or banks that are members of the Federal Deposit Insurance Corporation. Within the Series 2017A Project Fund shall be established the Series 2017A Project Account to be applied to pay “costs of facilities” as defined in Revised Code Section 3345.12, including the reimbursement to the University of moneys temporarily advanced for the purpose in anticipation of being reimbursed from the proceeds of the Series 2017A Bonds. Within the Series 2017A Project Fund shall also be established the Series 2017 Costs of Issuance Account for the purpose of paying pay costs of any series of series of 2016 Bonds.

Moneys on deposit in the Series 2017A Project Fund may be invested by or at the direction of the Fiscal Officer in eligible investments described in the Supplemental Trust Agreement maturing or redeemable at the option of the holder prior to the time or times needed for the purposes of that fund. Those investments and the proceeds of their sale shall constitute part of, and earnings from any of those investments shall be credited to, that Fund. Those investments may be sold, exchanged or collected from time to time by or at the direction of the Fiscal Officer. Any amounts in the Series 2017A Project Fund certified by the Fiscal Officer to be in excess of the amount needed to pay costs of the Series 2017A Projects may be used to pay principal of or interest on the Series 2017A Bonds of the series that funded the Series 2017A Projects if that expenditure will not, in the opinion of bond counsel to the University, adversely affect the exclusion of interest on the Series 2017A Bonds from gross income for federal income tax purposes.

(c) Refunding of Refunded Bonds. The University authorizes the Fiscal Officer to cause the refunding of the Refunded Bonds upon the determination of the Fiscal Officer that any such refunding is in the best interests of the University. The principal of and interest and any applicable call premium on the Refunded Bonds shall be paid when due from cash and direct obligations of the United States (or either) on deposit with, or held for the credit of, the Trustee in accordance with the Trust Agreement or the Escrow Agreement. The Fiscal Officer is authorized on behalf of the University to make arrangements for the purchase of any such direct obligations from the proceeds of the Series 2017A Bonds and other sources of moneys and for the delivery to the Trustee, if required under the circumstances, of a report of an independent public accounting firm of national reputation to the effect that the cash and direct obligations so held by the Trustee are of such maturities and interest payment dates and bear such interest as will, without further investment or reinvestment of either the principal amount thereof or the interest earnings therefrom, be sufficient to pay the principal of and the interest and any premium on the Refunded Bonds on the dates set forth in the Certificate of Award and thereby discharge and satisfy the covenants, agreements and other obligations of the University with respect to those Bonds under the Trust Agreement and cause those Bonds to be deemed paid and discharged pursuant to, and no longer to be outstanding under, the Trust Agreement.

In the event that the Fiscal Officer chooses to authorize the refunding of the Refunded Bonds, a trust fund, designated Bowling Green State University — Escrow Account, may be created for each series of Refunded Bonds, in the custody of the Trustee as Escrow Trustee, and as a subaccount of the Bond Redemption and Purchase Account of the Bond Service Fund established under the Trust Agreement. The cash and securities in that Account, together with the earnings on and investments in that Account, shall be held in trust for and shall be used for the payment of the principal of and interest and any redemption premium on the applicable Refunded Bonds.

The Fiscal Officer is authorized and directed to take any and all actions necessary and appropriate to effect the early call for redemption, pursuant to the Trust Agreement and applicable series Resolution, of those Refunded Bonds to be redeemed prior to maturity, including publication and mailing of any notices. Any amounts released to the University from the funds and accounts held by the Trustee under the Trust Agreement or the Escrow Agreement shall be applied as set forth in the related Supplemental Trust Agreement or Escrow Agreement. The Chair or Vice Chair of the Board, the President of the University, and the Fiscal Officer, or any two or more of them, are authorized to execute and deliver to the Trustee, in the name of and on behalf of the University, one or more Escrow Agreements for the Refunded Bonds. The Board hereby determines to provide for the payment of the principal of and the interest and any redemption premium on the Refunded Bonds as provided in this Resolution.

Section 7. Tax Covenants. The representations and covenants in this Section apply only to any series of Series 2017A Bonds issued as Tax-Exempt Bonds. The Board, for itself and the University, covenants that:

It will use, and will restrict the use and investment of, the proceeds of the Series 2017A Bonds in such manner and to such extent as may be necessary so that (A) those Bonds will not constitute private activity bonds, arbitrage bonds or hedge bonds under Section 141, 148 or 149 of the Code, or be treated other than as bonds to which Section 103 of the Code applies, and (B) the interest on those Bonds will not be treated as a preference item under Section 57 of the Code.

It (a) will take or cause to be taken such actions that may be required of it for the interest on the Series
2017A Bonds to be and remain Tax-Exempt Bonds, and (b) will not take or authorize to be taken any actions that would adversely affect that exclusion, and that it, or persons acting for it, will, among other acts of compliance, (1) apply the proceeds of the Series 2017A Bonds to the governmental purpose of the borrowing, (2) restrict the yield on investment property, (3) make timely and adequate payments to the federal government, (4) maintain books and records and make calculations and reports, and (5) refrain from certain uses of those proceeds and of property financed with those proceeds, all in such manner and to the extent necessary to assure that exclusion of that interest under the Code.

The Fiscal Officer and other appropriate officers are authorized (i) to make or effect any election, selection, designation, choice, consent, approval or waiver on behalf of the University with respect to the Series 2017A Bonds as the University is permitted to make or give under the federal income tax laws, including, without limitation, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Series 2017A Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments of penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (ii) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the University, as may be appropriate to assure the intended tax status of the Series 2017A Bonds, and (iii) to give one or more appropriate certificates, for inclusion in the transcript of proceedings for those Series 2017A Bonds, setting forth the reasonable expectations of the University regarding the amount and use of all the proceeds of those Series 2017A Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Series 2017A Bonds.

**Section 8. Supplemental Trust Agreements.** The President of the University, the Fiscal Officer, and the Chair and Vice-Chair of the Board, or any two of them, are authorized and directed to execute and deliver to the Trustee, in the name of and on behalf of the University, and the Secretary to the Board is authorized to attest, a Supplemental Trust Agreement pursuant to the Trust Agreement and in connection with the issuance of the Series 2017A Bonds, not substantially adverse to the University as may be permitted by the Act and the Trust Agreement and approved by the officers executing it on behalf of the University. The Fiscal Officer is authorized to choose to issue separate series of Series 2017A Bonds under one or more Supplemental Trust Agreements as such Fiscal Officer determines to be in the best interests of the University. Each such Supplemental Trust Agreement is authorized under this Resolution and all shall bear such designations as are deemed necessary by the Fiscal Officer to distinguish them and their respective purposes from each other.

**Section 9. Hedge Arrangements.** The University is authorized, from time to time, to enter into one or more agreements for an interest rate swap, swaption, rate cap, rate collar and other hedging arrangements to lower the effective interest rate of Series 2017A Bonds of any series or to hedge the exposure of the University against fluctuations in prevailing interest rates or to restructure the debt service on the Series 2017A Bonds of any series (each, a “Hedge Agreement”); and to secure its obligations to the counterparties under Hedge Agreements by a pledge of the General Receipts, subject to the Trust Agreement and such conditions and restrictions as may be specified therein and in the Act. The Fiscal Officer is authorized, on behalf of the University, to execute and deliver one or more Hedge Agreements that he or she determines will reduce the net debt service payable on the Series 2017A Bonds of any series or otherwise enhance the timing and amount of the payments thereof for the University's purposes to an extent that justifies the cost of the University's entering into such Agreements.

Upon the determination of the Fiscal Officer that it is to the financial advantage of the University and in the University's best interest that a hedging arrangement be undertaken by the University with respect to any Series 2017A Bonds, the Fiscal Officer may authorize one or more hedge transactions in accordance with the applicable Hedge Agreement provided that (a) the maximum aggregate notional amount of hedging transactions with respect to the Series 2017A Bonds outstanding at any one time, net of offsetting hedging transactions, shall not exceed the aggregate principal amount of all Series 2017A Bonds; provided, however, in the event that terms of the Hedge Agreement are intended to provide a financial benefit to the University between the date of the adoption of this Resolution and the date of issuance of the applicable series of Series 2017A Bonds, the maximum aggregate notional amount of such Hedge Agreement or Agreements shall be the maximum authorized principal amount of Series 2017A Bonds hereunder, (b) the counterparty shall be rated at the time of signing the Hedge Agreement not lower than “A” or its equivalent by at least one rating agency or its obligations under the Hedge Agreement shall be guaranteed or insured by an entity rated at the time of signing the Hedge Agreement not lower than “A” or its equivalent by at least one rating agency, and (c) the term of the Hedge Agreement shall not exceed the final maturity of the Series 2017A Bonds to which it relates.
**Section 10. Conversion and Remarketing or Refunding of Variable Rate Bonds.** In the event that the Fiscal Officer determines that it is advantageous to the University to convert the interest on any Variable Rate Bonds from variable rates to fixed interest rates for a period of time or to maturity, or to convert the interest on any Variable Rate Bonds to a different variable rate period or mode, or to terminate or take other actions with respect to any existing Credit Support Instrument that will require a tender and remarketing of any Series 2017A Bonds (such conversion or other actions and the tender and remarketing being collectively referred to in this Section as “remarketing”), the University shall undertake the remarketing in accordance with the Trust Agreement. In the event that the interest rate on all of the Variable Rate Bonds is to be converted from variable rates to fixed rates of interest to the final maturity of the Variable Rate Bonds, the remarketing may be undertaken as a refunding transaction with the refunding bonds having the terms provided in this Resolution for the Series 2017A Bonds.

In connection with any remarketing of Variable Rate Bonds, the Fiscal Officer is authorized to obtain one or more Credit Support Instruments if the Fiscal Officer determines that the Credit Support Instrument will facilitate the remarketing of the Variable Rate Bonds, and to enter into agreements with tender agents, administrative agents, remarketing agents, dealers and others, and to terminate such agreements, under the same terms and conditions set forth in Section 3. In the event the Fiscal Officer determines that it is necessary to supplement or amend the Trust Agreement or a Supplemental Trust Agreement in order to address current market conditions or to permit the use of a Credit Support Instrument or to otherwise obtain financing arrangements advantageous to the University, the President and the Fiscal Officer and the Chair and Vice-Chair of the Board, or any two of them, are authorized to sign and deliver an amendment of the Trust Agreement or Supplemental Trust Agreement, or an amended and restated Trust Agreement or Supplemental Trust Agreement. The costs of any remarketing of the Variable Rate Bonds may be paid, as determined by the Fiscal Officer, from remarketing proceeds, or from other money lawfully available for that purpose. The Fiscal Officer is authorized to prepare or authorize to be prepared one or more disclosure documents in connection with any remarketing of Variable Rate Bonds under the same terms and conditions as set forth in Section 5 of this Resolution. The President and the Fiscal Officer of the University and other University officials, as appropriate, are authorized to sign and deliver such instruments, certificates and documents as are necessary or appropriate to consummate the transactions authorized by this Section. The President and the Fiscal Officer and other University officials, as appropriate, are each authorized to make the necessary arrangements on behalf of the University to establish the date, location, procedure and conditions for the remarketing of any Variable Rate Bonds and to take all actions necessary to effect the remarketing of any Variable Rate Bonds under the terms of this Resolution and the Supplemental Trust Agreement. The Secretary to the Board or other appropriate official of the University shall furnish the Original Purchaser a true transcript of proceedings certified by such officers of the University as may be appropriate of all proceedings had with reference to the conversion and remarketing of any Variable Rate Bonds.

**Section 11. Other Documents.** The President of the University, the Fiscal Officer, and the Chair and Vice-Chair of the Board, or any one of them, are authorized and directed to furnish, sign and deliver such other documents, certificates and instruments as may be necessary or appropriate to issue the Series 2017A Bonds and to consummate the transactions contemplated in this Resolution, the Supplemental Trust Agreement, the Bond Purchase Agreement, and the Escrow Agreement, each as applicable to the related series of Series 2017A Bonds. The Secretary to the Board or other appropriate officials of the University shall furnish the Original Purchaser a true transcript of proceedings certified by such officers of the University as may be appropriate of all proceedings had with reference to the issuance of the Series 2017A Bonds.
