Letter To The Editor

To: Anyone who wants to make Democracy LIVE.

Dear Editor:

I was thoroughly enraged at the narrow viewpoint exhibited in the article entitled "Collier's Crisis" in the Jan. 26 BEE GEE NEWS. One can clearly see that the writer was obviously trying to evade the issue when he wrote: "The articles written by Harold Whitman recently in Collier's Magazine entitled, 'The Fraternity Crisis,' have brought few laughter." One can clearly see that the writer is belittling the important topic of discrimination in fraternities. Yes, the truth hurts.

Further evidence of trying to evade the fact that there is discrimination can be seen in the following words: "The first thing that we would like to know regarding fraternities is where is the crisis? Discrimination is local, national, and international. Where is the crisis? Everywhere. One can find plenty of discrimination by interviewing some fraternities, reading their constitutions, and noting the number of individuals the fraternity has kept or kicked out because of race, religion, or creed.

Let's face the facts and do something about the problem. We should investigate, analyze, and correct the undemocratic plague which is running throughout fraternities.

Discrimination is the ideal plague which is running throughout fraternities.

Let's make Democracy LIVE.

H.A.J.

(Ed. Note: All letters must be signed and not initialed only. However, this letter was so well-written, we at last resist breaking policy and sharing this letter with the entire campus.)

Dear Sir:

We wish to express our appreciation and thanks for the hospitality and fine sportsmanship shown by Bowling Green to the Duquesne students on Saturday night at the basketball game.

Sincerely yours,

The Duquesne Students

(Ed. Note: The letter arrived recently via air mail from Duquesne University, Pittsburgh.)

Make Democracy Live

Between Feb. 20 and 27 the National Conference of Churches and Jews again sponsor its annual Brotherhood Week. This year's theme is being carried to the hilltop by Protestant, Catholic, Jewish, and Negro leaders from coast to coast, with the sincere effort to unite the individual races and religions of our country in a solid drive for increased tolerance.

It has often been stated by those who are intelligent and wise that one fight on such thought and action, that brotherhood is much too idealistic a goal for our generation; that it is too impractical a philosophy.

Since the creation of the atomic bomb it has caused to be a philosophy of any kind and must now be classed as a necessity of our generation. The future of which is an absolute must for every single individual. And this way of life must be initiated by our present generation if we are not to destroy our entire civilization. Idealistic or not—if we want to survive—tolerance must become a principal part of our human relations.

Listen to what President Truman has to say about Brotherhood Week. "We approach this annual observance at a time when none can doubt the urgency of its reminder that men of all creeds and races are brothers in one common fate. This association in a commercial world means that the real problems of the world are those of human relations. In this age when science has spread the knowledge that we must tap the nucleus of understanding without which there is no wisdom, no spirit for righteous action, and no mutual respect. At Poughkeepsie, there have been few noticeable incidents caused by intolerance. The contrary students on the most part are friendly and courteous to other students who are not of their own race or nationality.

But there is so much more that could be done by individuals and groups that we urge a great deal of attention be given this matter during the week of Feb. 20-27. It is vitally important.

Actually the only thing that you or this writer or the fellow sitting next to us can afford to be intolerant of is—in toleration. We would all be wise if we took notice of the words of Booker T. Washington when he said, "No man shall drag me down by making me hate him."

Think it over—then act! A tolerant nation is a strong nation.

A New Club

Our editorial blessing goes to BG's newest organization—the "Off-Campus Club.

Goals of the new organization include Senate recognition, and Senate representation. A "strictly stag" dance is being planned for Friday. This dance is an Off-Campus Club project. President Emma Lou Rubloff announces that a table will be placed in the "Well" where students can secure membership cards and pay dues. Watch bulletin boards for further information.

University Orchestra ToGive
Concert Tonight At 8:30

The University Orchestra under the direction of Mr. Gerald McLaughlin, instructor of music, will make its second appearance before a student and faculty audience tonight when representative works of four different composers will be presented by the group at 8:30 in the Main Auditorium.

Mr. Hadley Yates, also a member of the Music Dept. faculty, will be soloist for the evening and will render the piano solos in Mendelssohn’s “Concerto No. 1 in G Minor, Opus 25" (for piano and orchestra.)

The University Orchestra and its conductor, Mr. McLaughlin, will be remembered for their accompaniment to the choral groups under Dr. Kennedy at the Christmas presentation of the “Messiah.”

This is Mr. McLaughlin’s first year with the orchestra and along with his work with the student group here at the university he is concert master for the Friends of Music Orchestra in Toledo.

Mr. Howard Mickens, a senior majoring in music, will be concert master to the orchestra during the evening. Both Mr. Yates and Mr. Mickens have previously given recitals before university audiences.

The rest of the program will include “Suite No. 3, in D Major” by Johann Sebastian Bach, “The Walk to the Paradise Garden” by Frederick Delius, and “Symphony No. 99, in E Flat Major” by Joseph Haydn.

“The Walk to Paradise Garden” is an orchestral intermezzo from Delius’ opera, “A Village Romeo and Juliet,” and the work will be played as arranged by Sir Thomas Beecham, the noted British conductor. Delius is the most modern of the four composers represented, his life span covering the period between 1863 and 1934.

There will be no admission charge or free will offering and it will not be necessary to present Ac cards at the door.

Two Assemblies
Finish Seminar

Dr. Esther McGinnis, outstanding sociologist and guest speaker of the AWS marriage seminar, will address an all-campus assembly on “Does Morality Make Sense?” The 10 a.m. assembly will be followed by a question period.

A discussion period will be held from 2:30 to 3:30 today in Dean Wilder’s office. At 4, the Merrill-Palmer school director will attend a tea in her honor at the Alpha Gamma Delta house. An assembly from 7 to 8 this evening will complete the program.

Dr. McGinnis, a graduate of Ohio State University, has been chosen as one of the guest speakers at the 75th anniversary celebration of OSU later this month.

DANCE CLUB

Dance Club is preparing a program to be given for the WEA Carnival which is Feb. 18 and 19. The entertainment will consist of dancing, singing, and novelty acts.

Dance Club members will be ushers for the Martha Graham dance concert which is being held in the Main Auditorium tomorrow evening at 8:15 p.m.

At their closed dance, Jan. 22, the Theta Phi chose Chuck Share as the "man they'd most like to get snowbound with" and crowned him king of the dance. A snow scene setting formed the background. Avaloo Dresser was chairman.

Kappa Delta's new housemother is Mrs. Janet Saxon, graduate of State Teacher's College, Indiana, Pa. She has two daughters, Nancy, who is a junior at Ohio U., and Mrs. Ray Greiner, graduated from Stratford Junior College in Virginia.

Alpha Phi seniors attended a dinner and bridge party given by their Bowling Green alums recently. It was held at the home of Mrs. Merrill McEwen.

Certain Alpha Chis, who mysteriously conceal their names, caused their sorority sisters to find mattresses off the beds, soap in all the pillows and crackers between the sheets one evening. Even more deviltry abounded in that house when Nancy Swinnerton, who left school at mid-semester, was put in the cold, cold shower and was unable to escape for three whole minutes. Reason: She is being married in June and is vacationing in Florida with her mother.

Does ANYONE have any information about the KD's little black pup named Smokey? They have had a few indefinite reports that he was killed by an automobile in front of the Science Bldg. The sorority would be grateful for any information about its pet. Telephone No. is 8184.

Chi Omega held a disc dance at their house Friday night for the sorority and independents living there. Admission was one "danceable" record. Chairman was Phill Knapp.

The Chi Os had dinner guests on Sunday afternoon, Jan. 30. Cooks were Doris Jacobs and Marjorie Dickinson.

The Sigma Chis have a new housemother now replacing Mr. and Mrs. Ed Kahn who was graduated in January. The new housemother is Mrs. Smith who comes to the Sig house from Lima, Ohio.

New officers of Beta Sigma are: William Buck, president; Martin Ide, vice president; James Sponser, secretary; James McClinton, treasurer; Richard Corcoran, pledge/master; and Jack Dawe, sergeant-at-arms.

Kappa Sigma also elected officers recently. New president is Meri Shade. Other officers are: Robert Horvath, vice president; Dean Rewand, secretary; Marty Young, treasurer; Louis Perkins, master of ceremonies; George Bohanna and Andrew Marko, guards; Richard Greenland, pledge/master; and William Kahl, house manager.

ATOs were hosts to the Delta Gamma at a "Snake Pit" party last Friday at the ATO house. A satire on the movie, "Snake Pit," was presented by Jim Limbacher, Ray Rennelbaum, and Don Sazima. At the end of the party, the girls sang "Goin' Home" with a new set of lyrics.

Saturday was a big day for 13 Delta Tau Delta pledges.

The following pledges became active members Saturday afternoon: Jim Armbuster, Dan Kolarik, Lee Brown, Carl Huston, Bill Sanders, Ned Capman, Clark Austin, Charles Lohnman, Wayne Cowers, Paul Roehke, Herbert Redding, Carl Thomas, and Nestor Celleghin.

After the initiation ceremonies, a banquet was held at the Delta Tau Delta house.

Alpha Xi Delta held an exchange dinner with the Phi Delta's last Thursday, Feb. 3.

**DELTA PHI DELTA**

At the last meeting of Delta Phi Delta, art honorary, Mr. Sidney Freeman, graduate assistant in the English Dept., talked on arena production and compared various types of theatres which have been used through the ages.

On the second meeting of the month will be a social meeting Feb. 17 at 7 p.m. in room 3 of the Art Bldg., at which time John K. Mires, instructor in journalism, will speak on color printing processes.

Pictures of the Alpha Xi chapter members and of the new Art Bldg. will be found in the fall issue of the Delta Phi Delta publication, The Palette.

Matmen Win, Get Shut Out

Findlay Loses But Waynesburg Romps

Since Jan. 31, Bob Leiman's matmen have split in two matches to bring their season total to two wins, and three losses. On the 28th they entertained Findlay in the local gym, and sent the Oilers home with a 23-2 defeat.

Tony Bonito, Jack Morimitsu, and Jack Woodland pinned their victims in 7:16, 2:29, and 1:36 respectively.

Capt. Carmel Bonito, John Wahner, Bob Rehark, and Ray Florian drew decisions, while Merle Shade wrestled Max Smith to a draw.

Waynesburg Blanks Falcons

Last Saturday the squad traveled to Waynesburg, Pa., to meet a team that placed fifth in the NCAA meet last year and is one of the toughest in the college wrestling circles.

Nevertheless the Falcons didn't expect the meet to turn out as it did. The Falcons were shut out by the score of 32-6 with Waynesburg winning in four falls and four decisions.

In the Falcon attack, in the lightweight class, Giseni, a boy who hasn't been defeated in three years, pinned Tony Bonito with a body crotch in 2:18.

Rehark Loses To Thomas

Dave Laurenzi was pinned by Polchek with a half-nelson in 3:14 and Thomas used a reverse nelson to pin Bob Rehark in 3:16. Hart Hursh lost the heavyweight match to Sauer in 1:36.

Merle Shade lost a decision in the final minute to Barne. This match was one of the best of the afternoon. Other decisions were over Jack Morimitsu, Ray Florian, and Bob Clemens.

Edinboro Here Friday

This Friday the Leiman crew will meet Edinboro State Teachers here in the high school gym at 4 p.m. Edinboro is known to have a good squad. Although they are not up in the class in Waynesburg, they are still rated above the Falcons.

They have most of last year's squad returning, and leading the squad is Bill Santel, in the 155 lb. class, who was interstate champ last year.

The Edinboro matmen got off to a perfect start and have only had one match so far this season, edging Clarion State Teachers of Pennsylvania 19-11.

Coach Leiman is not certain as to whether Captain Carmel Bonito will be ready as he suffered a twisted knee last before the Waynesburg match, but the remainder of the squad should be in shape.

FALCONS DUMP VILLANOVA

John Carroll And Marquette Provide Opposition On Road

By Tom Foy

Harold Anderson's resurgent Falcons face three more major obstacles on their road to basketball heights this weekend, when they clash with John Carroll in the Cleveland Arena Friday, meet powerful Western Kentucky on the local hardwoods Saturday and travel to Milwaukee to battle Marquette on Monday.

Victory in all three games is imperative for the Bee Gee if they wish to enhance their opening post-season tournament hopes and increase their current national ranking. The latest Dunkle-Reverse listing shows the Falcons tied with Villanova for 11th spot nationally and places them seventh in the Midwest.

Falcons Favored Over Carroll

Bowling Green will enter Friday night's game with Carroll as a heavy favorite because of the Blue Streaks' mediocre showing thus far this season. After defeating Penn, Harvard, Cornell, and Detroit, the Cleveland five lapped into a six-game losing streak. They were recently victimized by Toledo, 97-56.

Western Kentucky, who tripped the Falcons 69-51 earlier in the season, will invade the local gym with an impressive won-and-lost record and an intense desire to snap the jinx that the undersized Falcons hold over them on the Bowling Green court.

Coached by toweling Ed Diddle, the Hilltoppers are ranked sixth in the nation and have but two setbacks chalked up against them.

Both defeats, a two-point loss to Eastern Kentucky and a six-point decision to Louisville, have occurred during the latter stages of the season.

Oldham Sparkplugs Western

Leading the invaders will be Johnny Oldham, playmaker and captain of the Hilltoppers who has been cited by Diddle as a definite "All-American" candidate, and Jack LaVoy, the flashy point man from Chicago.

In the previous clash with the Falcons, Oldham tallied 17 points while LaVoy missed the nets for 16. Rounding out the visitors' starting lineup will be George Gish, Eddie Cate, and Big Charles Parnley, sixth man of last year's squad.

Game time is 8 p.m.

Marquette Tough At Home

Against Marquette, the Falcons will again be facing 6'8" Frank McCabe, the towering center who racked up 24 points against Bee Gee in the previous meeting before he was ejected from the game via the personal foul route.

In addition, the Milwaukee quintet will have the advantage of playing on their home floor where they upset the Falcons 69-66 last season. Bowling Green later avenged the defeat, 74-55 at home.

This year, the Falcons again won out at Milwaukee which was much closer than the 79-56 score would indicate.

FALCONS DUMP VILLANOVA

CHARLIE SHARE, Falcon center, nets a two-pointer as the Falcons dumped Villanova 57 to 46 last Saturday night.

Falcons' Home Streak Hits Fifty--Villanova Falls 57-46

By Harold Washburn

Bowling Green notched its 50th consecutive home-court victory Saturday night with a 57-46 victory over an aggressive and deadly Villanova club which couldn't match the Falcons' depth or height. Charlie Share once more paced the Bee Gee scorers. Joe Hannan led the Wildcats with 16 counters.

Villanova tried to offset the superior Falcon height with a fast pace, a style which proved fatal in the end as four of the Wildcat starters fouled out in the second half. Their reserves were not on a par with the starting five and Bowling Green was pulling away at the finish.

Both teams played rugged ball at times, with the Falcons having many of their passes intercepted.

Bowling Green built up an early 18-9 lead, but Hannan and Paul Arizin, Villanova's leading scorer, each contributed six points to a drive which saw the Easterners take a short-lived 23-22 lead. Mac Otten then scored a field goal and spark plug Bob Long added a free throw to give the home club a 25-22 edge at the half.

In the second half the visitors continued their scrappy defensive play and held their own until their starters began fouling out. First Raiken, then Arizin, then Rice, and finally the sharp-shoot-

ing Hannan left the game and Bee Gee fans began to rest a little easier. Three buckets by Stan Weber and two each by Share and John Payak added to the victory margin in the closing minutes.

Swimming Team Defeats Detroit And Ohio Tankmen

By Chuck Albury

Bowling Green's crack swimming team swelled its victory total to five over the weekend by whipping strong University of Detroit, 43-32, and romping over Ohio University, 55-20. The Falcons have lost only to powerful Cincinnati.

Victory in that meet's final event, the 400 yd. freestyle relay, gave Coach Sam Cooper's men a prized victory over the Motor City team. Six meet records were broken and another tied during the hectic contest.

Detroit brought a potent squad to the Natatorium Thursday night, led by ace freestylers Frank Beilman and El Pinkerton, and the Mochigans were beaten only by the superior Bee Gee depth.

The locals won four of the nine events but picked up five seconds and six thirds.

Pinkerton was the only double winner, taking the 50 and 100 yd. freestyle events, the latter, a close decision over BG's Harry Schearer, tying the meet record of 55.6 seconds.

Beilman nipped Fred Kline at the finish of the 100 yd. freestyle but lost to Bee Schearer in the 220 yd. event.

The 440 time of 5:18.8 established the last of the meet records, as did Schearer's 2:22.9 effort in the 220.

Lee Koenig, Falcon backstroke star, knocked 3.4 seconds off the 150 yd. record as he won his specialty in 1:48.1. Bob Ruth captured top honors in the diving event followed by teammate Mason Feisel.

Detroit's Mandle finished all alone in the 290 yd. breaststroke, winning in 2:40.2. This was 5.8 seconds under the old meet mark.

The visitors won the initial relay, the 300 yd. medley, in 3:13 bettering the old standard of 3:20.

Coach Cooper used his second stringers in the Ohio U meet Friday afternoon to give them valuable experience for future years.

Jerry Smith won the 150 yd. backstroke for the Athens school's only clear cut win while Bob Meibert tied BG's Bill Van Allman in the 50 yd. freestyle.

August Brown's winning time of 5:30 in the 440 yd. freestyle was particularly pleasing to Coach Cooper. It was Brown's first try at the particular distance.

Other individual winners were Alex Steve, 220 yd. freestyle; Mason Feisel, diving; Fred Haffner, 100 yd. Freestyle; and Dave Jamison, 200 yd. breaststroke. The Falcons won both the 500 yd. medley and the 400 yd. freestyle relays.

The meet scheduled for Saturday with Ohio Wesleyan has been cancelled, leaving the Orange and Brown with two weeks rest before the important triangular meet with Michigan State and Iowa State at East Lansing on Feb. 19.

Fraternities Play On Monday Night

There will be action on the fraternity front Monday night. In League I Pi Theta meets ATO, SAE will go against Beta Sig, and Zeta Beta Tau faces Gamma Nu. In League II Owls vs. Stadium Club and Sharpies vs. Roughnecks will fall. League III KPs vs. Highwaymen; League IV action takes place in the Men's Gym, but Intramural Director Dave Matthews has hopes of getting a portion of the IM basketball schedule played off this week.

In Independent League I Hut H will meet the D-Wings tomorrow night, while the Smoes go against the Original Originals in a League II encounter. The KPs of League III tangle with the Packers, and League IV action finds the Schmoos facing Newman Club.

It's the Brewers vs. the Six Horsemen in a League V tilt, Earl's Boys meet the Pantry Panthers in the race for the League VI title. In a League VII game the Blackhats hook up with the St. X And Dukes

Cage Encounters

Returning to the hardwood after an idleness of two weeks, the Falcons of Bowling Green registered impressive victories over the Duquesne and Xavier quintets on the local floor.

Duquesne, who invaded Bowling Green with a repeatable 11-1 record, was rosted 62-48, with huge Charlie Share proving to be the big difference in what was supposed to has been a closely contested game. Share walked away with the evening's scoring honors, chalked up 26 markers.

Xavier suffered its sixth loss of the season, and the second at the hands of the Bee Gee outfit, 50 to 55. The Musketeers lost earlier in the season, 65-50, on the Cincinnati floor.

The game was a thriller for the fans as the lead changed hands 15 times! The largest margin either team had was seven points and Bee Gee had that early in the game. Xavier had a 32-20 lead at the halftime and never could the game be considered on ice for either team.

The Falcons scored four points in the final minutes of the game on free throws by Stan Weber and Peanuts Long, to end a 55-41 deadlock. It was the deadly accuracy on the foul shots that netted Bee Gee their eleventh win in 17 consecutive starts. They connected with 27 out of 33 charity tosses to annex their 49 consecutive home victory.

Four Bee Gee players crashed the double figures for scoring laurels. Share was high for the night with 13, Long had 12, Share 11 and John Payak 10.
