WHEREAS, the state of Ohio owns an approximately 95 acre parcel of real estate adjacent to the Firelands campus for the benefit of Bowling Green State University; and

WHEREAS, local economic development authorities have informed the University that this parcel is appropriate and necessary for potential economic development opportunities in the region; and

WHEREAS, in 2016 the Board authorized the sale of this property for these purposes to Mucci Farms, Ltd. or its affiliates (“Developer”); and

WHEREAS, since that authorization the University has undertaken the required state of Ohio governmental processes including obtaining the passage of state legislation and the execution of the deed by the Governor as well as several other necessary transactions; and

WHEREAS, the University has since learned that the optimum development of the property requires the installation of a storm water management system and related infrastructure and that the best location is on an approximately twelve-acre portion of real property the University owns immediately adjacent to the north end of the property that is being sold to the Developer as depicted on the attached drawing; and

WHEREAS, this parcel is not presently needed for University uses and is not foreseeably needed for such uses; and

WHEREAS, the installation of the storm water management system and the purposes of development can be best achieved by the University granting a right of entry to the Developer to commence its storm water management system improvements and leasing the real property to the Developer for a period not to exceed twenty-five (25) years or such other period permitted by law; and

WHEREAS, this Board has previously authorized the University President and the Vice President for Finance and Administration to either sell or lease university owned real estate as they in their judgment determine is best to advance the interests of the University and to achieve the purposes of the project; and

WHEREAS, that authority previously granted must be extended to provide for the lease of the approximately twelve-acre parcel of real property where the storm water management system and related infrastructure is to be installed;

NOW THEREFORE, BE IT RESOLVED, by the Board of Trustees of Bowling Green State University as follows:

Section 1. Ground Lease Authorized. In addition to the authority already granted, this Board authorizes the University President and the Vice President for Finance and Administration to enter into a right of entry agreement and/or lease agreement with the Developer for the purpose of installing a storm water management system and related infrastructure as they in their judgment determine is best to advance the interests of the University and to negotiate, sign and deliver such documents, containing such terms as they determine are necessary to complete such transactions between the University, as either a grantor or lessor, and the Developer as grantee or lessee, as may be determined by them. Such transactions shall conform to applicable laws and the authorizations in this resolution, as determined by the University’s Vice President and General Counsel and the Attorney General of the state of Ohio;

Section 2. Related Matters. The President and the Vice President for Finance and Administration, or either one of them, is authorized to sign and deliver on behalf of the University temporary and permanent agreements, leases, easements, certifications and other instruments that may be necessary or appropriate to carry out the lease or sale of the subject parcels and permit development.
