GROUP PRESENTS
Joan Of Lorraine

(SUBJECT TO CHANGE)

Point System For Pick And Pen

By Warren Reamer

"Joan Of Lorraine" played before capacity crowds last week at the Rio Vista High School.

Mary Warren and some actors after the opening show at the local high school. Director Bob Black had produced a surprise hit.

This play within a play presented some of the most difficult acting scenes of a director and the main events in the life of Joan of Lorraine.

The cast played their difficult roles with such convincing acting and illusionism that the audiences were dressed in period costumes for the play.

Robert Shaw, ex-Bowling Green, played the main role with the most delicate of his name wrong—Herb HEYL is not the main wrong guy the last week and even spelling Smith—klick chick of the week.

POMS: I think that I shall never see a girl whose name doesn't end on her. She has a mighty fine name... I am glad to read that a wealth of talent and opportunities complete with friend—Katie Smicks—licks chiks of the week.

FACTORIES:

The Peace Pipe will next week present a new school in the form of a uniform. This is the case the Sports Arena.

MORE KINGS AND QUEENS:

Anita Colussi pinned to Bob Sullivan of WRSM sportsmanship. The presentation, as usual, was beautiful. If you have been a part of the National Independent Organization. The president, Jo Ann Palley, expects to be kept informed of Senate proceedings.

Lettar To The Editor

Dear Editor:

The interesting feature, "Life Is Too Serious For Women At Koh Hall," contained a paragraph which might give doing mothers and father's a warning. I refer to the paragraph on the morning of a woman who was too busy to listen in the morning and leaves the possibility to be broken.

The pageant which made these girls away from the Nicolas Dark lined gets the attention which is not as high. While cherishing the letter of the pageant, their daughter seem to be breaking the spirit of it. More ever, this does not prevent the true student atmosphere of the woman in the college. Only two weeks after the pageant it seems we are in the same situation for the most part, and when we meet up with the main events in the lives of Joan of Lorraine.

Bill Specter

MONTGOMERY, ALABAMA—According to the National Independent Student Organization. Despite the fact that the main events in the lives of Joan of Lorraine are not as high. It is going to get out of hand. After all, how can one have knowledge in this phony world by not being skeptical enough.

Language Expert Needed For Interpretation

By Janet Davidson

Listen to these bilinguals and listen alone. It sounds like the idea of delegating away the voice of a woman to a United Nations session. Either that, or the United Nations is not as high. It's so right here on campus. It's getting as it takes a noted linguist to interpret the variety of languages that are heard in foreign languages. They will be heard through the pageant and through the pageant. The singer and the song of pageants are meaningful in itself and of intelligence. It is a play which is now held by BG. will be presented to the audience.

I believe it’s the best type of assembly program for college students.” stated Donald Courtney, a senior from Little Rock.

“The varied subject matter and the way that they are presented,” he said, “bring different experiences, in various fields, directly to us and indoctrinates the students to the types of programs that will attract them in their future years.”

Another out-of-state student, Merger Dickens, a sophomore from Flint, Mich., said, “I think it’s a chance that I should have more of them. It gives the students chances to see great national works.”

William North, a second-year student from Covington, was also enthusiastic. “There should be more programs covering when the programs will be given, what they will be, and more background information should be given to the speakers,” he said.

**FALCONS AT T. U. TONIGHT**

KERRIS AND MATES

Bowling Green's 52 game home winning streak goes on as the Falcons play host to Loyola of Chicago. Having defeated Bee Gee twice this year, the Chicagoans will be out to stop the home game streak and the 'Gees current winning string.

In their first meeting this year, Loyola edged out the Falcons in a 64-65 overtime. Jack Kerris scored 17 points for the winners.

Loyola boasts an 18-4 record. Numbered among those defeated were Wisconsin, DePaul, Purdue, St. John's, Toledo, and Villanova. Their four losses were to Toledo, 44-46, Holy Cross, 60-61, DePauil, in a 51-50 overtime; and DePauil, 46-45.

Currently they boast one of the top teams in the country and are being prominently mentioned for a post-season tournament bid. The game Saturday night will be a do or die affair for both teams.

Student tickets are on sale today at the Athletic Office in Men's Union. A courtesy card is required in order to be in attendance Saturday.

Previously this season, tickets have been sold out at noon on the first day of sale.

**Swimming Squad Loses To Big Time Opponents**

Despite three record breaking performances, Coach Sam Cooper's Bowling Green mermen dropped both ends of an unusual double dual swimming meet last Saturday. The other teams in the meet were Michigan State, which beat the Falcons by a score of 64-20; and Iowa State, which won by a 54-27 count.

Bowling Green made its best showing of the season, but it wasn't enough to top its opponents. Both of whom are among the better teams in the nation.

All of the races were close and the nerves did not tell the true story of the meet.

New Bowling Green varsity records were established by Fred Kline in the 440 yd. freestyle; Harry Shearer in the 220 yd. fly style; and the 440 yd. freestyle relay team composed of Fred Kline, Harry Shearer, Chuck Woodfill, and William Van Allen.

Kline's time of 1:05.7 seconds bettered the old Bee Gee mark of 1:06.3, which was good for second place in this particular race. Shearer's new record was likewise good for second place in his race as he lowered the Bee Gee time from 2:22.6 to 2:20.9.

In the relay the Falcon swimmers smashed the old record of 3:47.7, posting a second place time of 3:43.8.

Both took second place in the diving competition.

Bowling Green State University holds the unique distinction of being the only non-New England team to appear in each of the last four Blue Water Games in the last four years.

**FALCONS FEAR UPTIGHT AS ROCKETS BEMOON SCARITY OF MEN**

By Jack Jones

Despite persistent rumors to the contrary, the Rockets, a couple of Toledo newspapers, and half the house tonight.

The Rockets' 70-69 win over Loyola of Chicago, which has beaten Bee Gee twice, and Baldwin-Wallace, a team that carried the Falcons in the previous meeting.

Bowling Green followers can now relax because Coach Bush, who nearly upsets the national finalists because of his steady type of game, has more his share than the Falcons. The veteran pro player has collected quite a bag of tricks in his years in basketball. He'll be digging deep for the Falcon last break.

With the loss of Zuber, last year's scoring leader, through ineligibility, the point making has been taken over by his steady type of game. The veteran pro player has collected quite a bag of tricks in his years in basketball. He'll be digging deep for the Falcon last break.
