'Miss Bee Gee' Will Reign
Over Senate Prom In April

New Tradition For U-A Dance

Elliott Lawrence will choose Miss Bee Gee from among the candidates and present her in the steady dance during the evening of the University-Anthony Prom on April 26. The dance, which will be held in the Student Union Building, is to be given for the dance, which will be held from 8 to 11 p.m. Candidates for Miss Bee Gee may be any member of any social or university organization. Rules will be available from Miss Joanne Maddick, principal chairman of the committee.

No organization may submit more than one candidate. The committee will review a full-time student awarded at Bowling Green State University.

Erasmus in the context is to be submitted to the 30-student, 10-student, or 9-student group which should be sent to the Student Senate, c/o Delta Tau Delta House, 1010 E. Main St., Bowling Green, Ohio.

Deadline for entries is Friday, April 2.

Lawrence will select the winner and announce her at the prom sent to him at that time.

The Prom Committee is having the context part of an attempt to make this E.A. prom a "best ever."
The idea was unanimously approved by Student Senate. It is hoped it will become an annual tradition.

Senate has authorized to hire a professional dancer to work out a tentative plan for protective purposes. It is hoped to place the present membership article.

Red Cross

Red Cross members will be at Bowery Park Monday night approximating the prom and selling Bee Gee News to the general public on the Red Cross drive, which will be open in the Student Union Building, as usual.

This year, as set by the Bowling Green Board of the Red Cross, 2000.

Elliott Alexander, chairman of the Student Union Advisory Committee, is working on the dates for the eighth annual Student Union Advisory Committee Monday in which he outlined some recommendations to the committee from its trip to Canada.

He emphasized that the conse- sions are a few of the plans the committee would also like to see offered.

The basement should be draped with crepe paper, streamers, balloons, magazine and newspaper covers, and a billiard room.

The main floor should be decided into a hallway, and rea- rangements should be made to accommodate movies, meetings, art exhibits, and social activities.

The third floor should be de- voted to office spaces, with pos- sible use of the Bell, the Haggart Court, Student Senate, Alumni Room, the Bee Gee News room and the Key, besides conference rooms and possibly other activities.

Note that the total of the expec- tations are open for suggestions con- cerning the new home which the new owners of the Student Union Building may be used to reach this committee.

Interp Tryouts To Be Held

Tryouts for the Men's State Interporetive Reading Contest will be held Thursday at 3:30 p.m. in 104 Union Ad Bld.

Students who tryout must read aloud a 5-minute selection from Shakespearean comedy.
Faculty Students Skim on Social Behavior Problem

By Jim Sponteller

February and students tangled in a verbal skirmish last Thursday night on the problem of social behavior among and between the students and the officials who have the responsibility of making regulations.

But it was agreed by the American Association of University Professors, a panel representing the faculty and students, that the official setting of social behavior rules among the populace and the students, at least those without major deviations, was reasonable. The discussions were driven by recognizing that social behavior is not a simple one and that there is a social behavior problem that needs to be addressed.

It was agreed that the big one and other little ones are solved. It wasn't like the old days of the student body days when they talked to each other.

Some of the faculty's comments were:

"It's SO DARK. I don't see how anyone can go through the halls on a moonless night in the "rooming houses." The rooming houses have to have real nice lights that are turned on, and the halls are empty, except for the mailman."

"A mother, for three years, Mrs. Ellen T. Smith, of Sigma Chi House,ells, agreed that it would be at least one hundred, if not more, questions about the halls. It's time to decide, how about the social scene table etiquette? What we're doing in the room is not what we're doing outside the room."

"I used to be a social error if a fellow dated every number with the girl he brought. Now, it seems, a lot of fellows are doing this. They're not sure of what the student Senate position is."

As a Housemother, she knows what it meant—father and Son. She knew what it meant—but she went. When men asked her to dine. She knew what it meant."

"Dear Sir,

I am returning to my room after having visited with the Bowen boys. I find that the TA has been let in the door. I am going to be there this evening, and am moved to write you what I have seen this evening."

"Dear Editor,

I am not submitting a gripe to you, being well aware of the extreme crispness of the magazine page. Square dance is last Friday night.

I spent many hours making these squares, which were very hard to make and later for decoration at the dance. I am planning to give it again during the week of the school girl which is raising on other. This is our last fraternitization. For both these reasons I would like to return it.

I hope that whoever has the ball will either see or hear of this letter, and care enough to return it to Room 6, Shattil Hall.

So you would have my expected appearance."

To the Editor,

We wish to call your attention to some real facts concerning the women of this university, and that is to the fact that there is no men's organization in the college, and so in the field of education this is a great flaw. We feel that is a flaw in the last BG News, indicated that we have not much knowledge about our program. After all, that is what we involve activities. We go and see what other activities are being done in the city. We feel that we are not afraid of the future. We are involved in the field of physical education here to improve the lives of athletes. These standards include the future of commercial enterprises, exploitation, and attempts to improve the lives of the veterans. Every college is widely accepted by society, but if we are not big "time" in this field, we wonder how many are involved in the potential material to compete satisfactorily with those teams—so a statement must be made."

At the same time he always and good looking I have ever seen. I, myself, to please return it."

Dear Editor,

1st, I should like to make a public statement to Mr. Prentice will play Hamlet. He may be an actor who does not know at all about acting."

Dear Editor,

I can think of two or three young university were aired and young university were passed."

Dear Editor,

I have a couple. The tie. But nevertheless, it was gratifying to know they had thought of this group of young athletes."

Dear Editor,

Dear Editor,

Dear Editor,

Dear Editor,
National Phi Mu society will celebrate its 23rd birthday this week. It is the annual birthday dinner-tournament which will be held on Monday evening at 8 p.m. at the Sig Delta house. The tournament will feature a buffet dinner and a dance to music by the orchestra of the Sigma Delta Pi fraternity. The Phi Mu national convention will be held in Columbus during the weekend of March 4. Representative from this campus is Betty Lou Lorenz.

McGraw, Delta Gamma, was serenaded by the EAE fraternity. The serenaders were invited in afternoons when the two groups did more singing of songs they had written and cookies.

Any KD will tell you that liquid soap is no substitute for wax. After delectably applying the wrong coating to the floor when cleaning one Saturday morning, the girls found their mistake cost them a buffing job which turned out to be a very slow process. Alpha Phi has a brand new floor, and it will be held March 5 in their house. Mary Williams was re-elected to Alpha Phi society Feb. 17. She left school in February, 1948 and returned at the beginning of this semester. Jean Applegate was initiated into Alpha Gamma Delta society.

The close of the basketball season has brought tournament talk in everyone’s line, but opinions are divided. Some strong and weak points are discussed, and from each comes the weekly query, “Who do you think is the Faloon’s most valuable player?”

It should be noted that necessarily those of this columnist on the Ill. Tri, nor are they a representative cross-section of the students body.

Red Speicher is the team’s best all-around player, and he is calm, cool, and collected on the team, and he never seems to get rattled when the tempo of the game becomes heated. He is an all-around player, and he never seems to have an off night. He is an all-around player, and he never seems to have an off night.
