In Brief... Computer seminars are offered

The following computer seminars are available to students, faculty, and staff at the Moore Musical Arts Center.

**Faculty Senate, 2:30 p.m., Assembly Hall, Moore Musical Arts Center; free.**

**Wednesday, Sept. 17**

**Art Exhibit, Gallery in Moore Musical Arts Center, free.** 

**Thursday, Sept. 17**

**Firelands College. Free.**

**Classes of '96 in Central America, via telephone, 7:30 p.m., Jackie Gleason Theater, Moore Musical Arts Center, free.**

**Music electrified**

**S.O.S. plan could reward staff for their ideas**

Classified staff have the potential to help the University realize revenue by offering ideas that would improve the University, whether by increasing efficiency or by promoting the University. When ideas are received, they are implemented if they meet the criteria of:

- **Claim:** Documented facts about the problem
- **Solution:** A proposal for how to solve the problem
- **Revenues:** An explanation of how the idea will increase revenue
- **Implementation:** The plan is implemented

The proposal is worth $1,000 in beginning, $2,000 in midrange, and $3,000 in high-range.

**Members needed**

Classified Staff Council has openings in the following areas: classification, job descriptions, insurance appeals and rates, and environmental policy. If you are interested, please contact Tim Sargent, 732-7105.

**Attention swimmers**

The University’s swimming and diving teams have been invited to participate in the 1997 Ohio Collegiate Conference Championships. The teams will be hosted by the University of Dayton in March. The conference championships are conducted in the University of Dayton’s Aquatic Center.

**Colloquium set**

This year’s colloquium series will be held in the Moore Musical Arts Center. The series will continue until April. For more information, call 732-7105.

**Protest program**

The New 7 Parents Day Show, "Love Unlimited," is a free public program for all students, faculty, and staff. The show will be held in the Moore Musical Arts Center, 7 p.m.

**Program sold out**

The Nov. 7 Parents Day Show, "Love Unlimited," is sold out.

**Library**

The Library will be closed on Saturday, Sept. 20, for library staff to participate in the university’s Fall staff day. The library will reopen on Sunday, Sept. 21.

**Faculty/Staff Positions**

The following faculty positions are available:

- **Chemistry Assistant Professor (term)** for the Center for Academic Achievement. Position requires a Ph.D. in the area of general chemistry. Salary is negotiable. For more information, apply to Professor J. W. Smith, Phone 732-7105.

- **Art History Professor (tenure track)** for the University of Dayton, St. Joseph Campus. Position requires a Ph.D. in the area of art history. Salary is negotiable. For more information, apply to Professor J. W. Smith, Phone 732-7105.

- **Computer Science Professor (tenure track)** for the University of Dayton, St. Joseph Campus. Position requires a Ph.D. in the area of computer science. Salary is negotiable. For more information, apply to Professor J. W. Smith, Phone 732-7105.

- **Chemistry Design engineer. Contact Paul Coates (6242). Extensive knowledge on the topic required.**

**Music electrified**

The program will offer three different seminars to help individuals and groups promote the University.

- **Classified positions that become open to the public are posted on Tuesday and Thursday.**

- **Job fairs** will be held in the Moore Musical Arts Center. For more information, contact the Career Development Center.

- **Job openings** are available in the following areas: classified staff development, insurance appeals and rates, and environmental policy.

**Colloquium set**

The University is seeking proposals for the 1997 Colloquium Series. The colloquium will be held in the Moore Musical Arts Center and will continue until April. For more information, call 732-7105.

Classified Staff Council hears update report on 398 proposal

At its Sept. 15 meeting, Classified Staff Council heard an update report on the 398 proposal at a meeting in the multipurpose room at Chrysler Hall. Section members approved the revised proposal after much discussion, and the Council forwarded it to the Finance Committee and the Board of Trustees. It is expected that the Board will consider the proposal at its meeting on Oct. 22.

The Council members also discussed recent changes in the College of Arts and Sciences, and the effects of these changes on the reduction of faculty positions.

William Lloyd William Lloyd of West Unity will receive the 1987 Alumni Service Award during halftime ceremonies at the football game tomorrow (Sept. 26).

Lloyd has been a strong supporter of Wesley University and its programs, and his work on behalf of the University has been highly valued. He has been a member of the Alumni Association for many years, and his contributions to the University are acknowledged with the highest honor available to alumni.

The award will be presented on the field before the game begins at 8 p.m. at the Alumni Stadium. The ceremony will feature a recognition of Lloyd's contributions and a presentation of a plaque in his honor. The event will be attended by at least 5,000 people, and it is expected to be one of the highlights of the weekend.

The award is presented annually to an individual who has made significant contributions to Wesley University and its programs. Previous recipients include Lee B. Atwood, John M. Conklin, and Martin J. Green.

Dorothy Bryan, Mickey Cochrane both receive Alumnus Award

Two local residents will be honored by the Alumni Association as a donor (Friday, Sept. 25). Dorothy Bryan, a Bowling Green artist, and Mickey Cochrane, the University's first football coach, will each receive the 1987 Alumni Award.

Dorothy Bryan is the wife of the late Coach Jack Bryan, who was a member of the Class of 1933. Bryan was a respected artist and a leader in the community, and her contributions to the University have been significant.

Mickey Cochrane is a member of the Class of 1903 and a legendary figure in the history of Bowling Green State University. He was the University's first football coach, and his legacy continues to this day.

The award will be presented at a ceremony on Friday evening, Sept. 25, at 8 p.m. in the Alumni Stadium. The event will feature a recognition of Bryan and Cochrane's contributions and a presentation of plaques in their honor. The event will be attended by at least 5,000 people, and it is expected to be one of the highlights of the weekend.

The award is presented annually to an individual who has made significant contributions to Bowling Green State University and its programs. Previous recipients include Lee B. Atwood, John M. Conklin, and Martin J. Green.
**Trustees agree to license use of University logos**

In its report, Olscamp announced that the University has signed a partnership agreement with Tokyo University of Science, Japan. The agreement will provide the University with the right to use the University logos in Japan. The agreement is expected to bring in additional revenue to the University. The decision was made after a careful review of the University’s brand strategy and market research. The agreement will be reviewed annually to ensure its effectiveness.

**Classified Staff Council hears update report on 309 proposal**

In its 309 Update Meeting, the Classified Staff Council heard a report on the 309 proposal from President Chris, a member of the Board of Trustees. The report included details on the progress of the proposal and the steps being taken to implement it. The Council discussed the importance of the proposal and the need for continued support from all members of the University community.

**Stars will be shining for Homecoming**

On Friday, the annual Homecoming Game will be held against the University of Ohio. The game will kick off at 3 p.m. and will be broadcast on local television. The home team is expected to win, and the game will be a great opportunity for students to show their support and cheer on their teams. The event will conclude with a fireworks display at 6 p.m. in the Ohio University Stadium. The University will also host a variety of other events throughout the weekend, including a tailgate party, concert, and parade. The event is expected to draw large crowds, and the University is encouraging all students, faculty, and staff to come out and support the team.

Donation creates scholarships

Bucks County students who bring the university and major in a technical college will now have several new scholarships available to them thanks to a $100,000 gift to the University Foundation that Donald J. Burren'g said "The donor spent many years in the manufacturing engineering field and is a Bucks County native," Burreng said. He said the gift will be used to provide scholarships of $1,000 each for students in the College of Technology.

"I want students to receive the education and training that will enable them to have a successful career," Burren said. "The scholarships will support students who are majoring in either mechanical or electrical engineering.
