Next fall, an Ampro-Arc movie projector will be installed in the Main Auditorium to replace the ancient and worn-out midget type machines. Students will be able to have their own personal shows. The Faculty Committee on the Arts of the President of the University and Prof. Willard Singer, recently appointed an arc-projector. This year, with the Student Committee acting as the sponsor, the Activity Fund committee on the bazaar, the dream becomes a reality.

Last Monday evening, Miss Wilder read a letter from the faculty committee, expressing their gratitude to the President of the University, the Faculty Committee, and Prof. William Singer, notifying them that 2.1 percent of the Activity Fund for the past year was left for the purchase of the projector.

Bowling Green has long been proud of its excellent social system. The Artsit Series has been highly praised by other large institutions, and the movies, even with the old machine, were also a novelty on this campus. The addition of the new projector will enhance the already popular social system, and the university is ready and willing to go all out for student entertainment.

Main Trouble With Eating

Is The Waiting In Line

By R. J. BOREC

The waiting was the worst part of the festival. When the table was broken, the hungry masses streamed up to the buffet line, only to find that the table was empty.

The first day of the festival, there was no problem. The students were able to get whatever they wanted. But as the festival progressed, the line got longer.

The second day, the line was longer. The students had to wait longer to get their food.

The third day, the line was longer. The students had to wait longer to get their food.

The fourth day, the line was longer. The students had to wait longer to get their food.

location changed

Location of the Chapel, which is to be built next fall, has been changed from the original site since the announcement of the National office of the fraternity.

To say to them, "You are part of the administration of this institution."

I wouldn't know how to run my school without the Senatorial and Senate services and the student body. These things he did despite, because of the value of a diploma and a degree from Robert Shaw Choral. He was an excellent president.

BABAHA PROVOST, who has served as President of the National Senate for the last half of last semester, thanked the students for their help and work and cooperation throughout the year. He was given a small trophy and congratulations on the successful completion of his presidency.

The freshmen rally, revision of the awards calendar, approval of the budget, and the transition to senate as a new president for the new year will be part of the annual Senate-sponsored event. Pat Musolf, dean of Student Services, said, "It is a great day for students to drive and improve the reputation of the University."
Three Teams Reach Finals

The All-Start, Karl's Boys, and Clark's Bush League will battle it out this week for the Independent softball crown.

In the first round of play-offs, the All-Starts displayed an amazing amount of hitting power when Nick Nielson, Bob Smith, Bob Dusek, and Bill Rickett slammed home bases, walking the Tartans, 15 to 6.

Bill Jacobs, who does the hurling for the All-Starts, tossed a one-hitter against his thinclads to Berea Saturday and Monday, May 27-28.

Linksters Stretch Winning Streak To Three Straight

Don Cunningham's varsity golfers stretched their win streak to three matches over the weekend by beating Michigan Normal, 11½ to 6½, and John Carroll by scores of 11½ to 6½, and 8½ to 4½. All three matches were played at the Bowling Green country club.

The victory over Michigan Normal Saturday marked the final appearance of Captain Max Spligale and Bob Ford at a sub par 33-35-16 to edge out Earl Lee, who had an even par 34-35-16. The team's win avenged an early season loss to Michigan on their home course.

Best-ball results found Spligale and Jones, 33-34-64, winning 2 points from Bert and Nowak, 34-33-67. Albury and Weber, 37-32-75, took one point from Bert and Nowak, 35-34-69.

In the other games, Clem's Bush League defeated the Tavernites 17-10 and the Wildcats, 15-3.

Losing was Larry Johnson, 43-35-87; Bob Ford, 40-37-77; Bob Nowak, 46-38-74; and Bill Rickett, 48-33-81.

Leadership In Life Is Aim
Of Education--Dean Wilder

"Bowling Green State University is a fine school and I have enjoyed my contacts here, but one feature which stands out much better than any other as that of women at my alma mater, Altho the number of women has increased in recent years, there is no doubt that a great many women have taken part in activities which many men have not been able to do due to their duties in other fields."

This year Bowling Green State University's greatest track stars, set on their spikes for the first time Saturday for their final collegiate competition in the Rodman-Wallace Relays of Bowling Green State University. At the 11-year-old veteran, sister of Sandy Hook, Whittaker set the record vault, a vault which has been set and broken at the Ohio State College Meet since Delaware last spring. As he inched the bar of the pole vault past 22 feet this season, Main St. World War II veterans are in the college's track meet, a meet in which the Ohio State College Meet was held, and he has broken and set his record vault in the Ohio State College Meet at Delaware last spring. The distance which has been broken this year is 11 inches.

Miss Wilder said, "I will always have a keen interest in BGSU. There has been a great response from the women students here. The present enrollment has increased and it seems that every year more women are enrolling." Miss Wilder said. "Dean Whittaker has been a physical education major at BGSU. He is currently preparing for his master's degree in physical education at the University of Kentucky."

Dear Editor:

We want to see this medium to openly thank the Press Club for the excellent job done in establishing a worthwhile blood-bank list.

Without its time, effort, and "knowledge," nothing could have been accomplished.

This special thanks to "Dear Bill Motz and Frank Lyons" (president) and "Dear Dr. Price" (Stirntt and his Rocks). And thanks for all the help of Dr. Price, Dr. Stirtitt and Dr. Hoyes.
