Culbertson, Laughter To Speak Here

Union Construction May Start In Spring

Construction will probably begin on the first wing of the New Student Union this coming spring, four years ahead of schedule, according to Student Senate's committee member Tom Miller. He also told members that the tabulation taken by that committee last year is in the hands of state architects for further action.

First section of the new building is to contain a room for dancing, one for relaxation complete with books and tables and the book store (which will be popular with students). These will help support the Union. Enough money has been collected, said Mill- ler, to float the necessary $500,000 bond issue. The Union will be built in three sections, with the last two added as funds become available.

James Linnecker, assistant news bureau director, author of the Senate sponsored musical said that "Bartels of Heaven" grossed $1,000 in floor will offer. This money is to be applied towards furnishings in the new building.

Senate's committee meets this Thursday to consider a proposal to make blacked out license plates an option. Art v. 5. Can- diate of men and member of the committee has been out of town forced to resign because of the state of the group is the draft permission granted by Senate.

Senator John Brighnm reported his favorable findings regarding the Senate's new candidate. He said that Dean Zook regarded it as his duty to offer the Senate such a thing as an approved house- man. Candidate's new communiques extended merely for convenience with his diagnosis. He also informed the committee to obtain releases to move on to the next step.

A petition was submitted re- questing the university increase the student bar shop attitudes toward services. The petition is considered extraordinary.

First Musical
Proves Success

RALPH VILLERS
Bowling Green's first student musical, based on Euripides' "Antigone," proved correct. Joyful dancing and fast moving song numbers enable the 1,179 people who attended the Friday, Nov. 4, program to follow the plot and leave with a lasting impression of the performances.

Jim Linkenhoker's new musical was a success in every sense. The only additional charge to ring $300 to furnish a part of the costumes. The entire cast, under the leadership of Mr. Linkenhoker, undoubtedly will receive sound production credit.

Langan was very good and often considered in the story of the students. To fill the different parts, the positive characters were introduced after a period of refinement. Langan's performance was one of the most effective Langan's comedic and dancing parts.

B. W. Johnson, instructor in English, directed the song and dance numbers. Linkenhoker's colorful words and dances were as effective as his acting.

Such songs as "Here I Go Again," "Yesterdays," "Happy Ever After," were selected to please the audience. However, the lyrics were the main/so far for fifty dollars. The Fuchsia band is good and there is no getting around it. It is true that we have with about four dress motives. In suggesting a parent to one night, was often mentioned in every single line of the program. The songs and dances were the main features of the effort.

Her singing companion and dancing partner were her own lyrics and staged the shows and songs. Even the opposite sex found themselves the object of direction failed to distract from the students, body which attended the show.

The cots are the only way to describe the University's college, and that is to say that the students have a good time. The boys are happy and the girls are happy. Miss Starr and the orchestra, who witnessed its 4-day run in the Main Aud., were very impressive. The marching bands of both universities were very impressive. The performance most impressive was the presence of Kent's all-orchestra and chorus. It is a subjective way are involved and that is a long cry from an ideal situation. It is a long cry from an ideal situation, but in campus elections, human beings voting in a subjective way are involved and that is a long cry from an ideal situation. We are not attempting to take anything away from Bowling Green. It might seem that the preferential ballot is too insignificant to do anything for us.

Sam Stark, instructor in speech, was the speaker. His voice is clear and his delivery is confident. He has never been heard again and he will report to the school. His delivery is effective in expressing the sentiment of the student body which attended the show.

WINNING SEASON POSSIBLE

HARRISON LUEBKE, a 16-1 victory Saturday, Coach Whitaker's football Falcons now have an excellent chance to end the campaign with a winning percentage. BG really plugged in when ball game before a record crowd of old grads and undergrads.

Several of the current frosh aggregation look like real world material. Quarterback Reed Jackson called a fine game last Friday against Ohio U. Hallock Bob Gwinn and Bob Martin are impressive. Up front defensive and Bob Lee sparkled, spending a good portion of the game in the backfield. Buckles Tommy Morris and Paul Schleg and center Bob Wightman also look like they have what it takes.

BAD ODDS AND ENDS

The Surprise Picture

by BOB STEWART

Ken Butler led Sigma Nu to a 7-0 victory over the Kappa Sigma to win the fraternity football championship last night.

The game's lone touchdown came on a pass play from Butler to Bill Bier who caught the ball as he was falling in the end zone.

In the consolation game, Pi Kappa defeated Delta Tau Delta 6-0.

Sigma Nu took seven straight games to top the League. In the Alpha Tau Omega was down in the regular season finale, 13-0. A sensational yard pass play from Ken Butler to Ted Torkelson gave them the lead over the Xi Rho and Sigma Beta passed in Jim Milby for the other score.

Sigma Kappa was the League's only unbeaten team in the regular season play, 6-0-1, on a disputed pass play from Hallock to Dave Lenox who caught the ball just as he was being brought down at the end zone.

The action feature, Kappa Sigma looked like they have a job on their hands.

In the feature attraction, Rudy Manciai left in the first round 'ROCKY' BOGDEN blocks a Rudy Manciai left in the first round of the SPO ring down.

Fraternity Grid Crown

Again Goes To Sigma Nu

The neuralgia feature, Kappa Sigma was never in doubt and the win was perhaps the most solid of the three.

In the feature attraction, Rudy Mancini displayed experience and blocking sense as he took a suspenseful decision from "Rocky" Bogden. The outcome was never in doubt and the winner was Sigma Nu with a three-round distance toying with the other team.

One of the better preliminary bouts was Bob Lynch to take a clear decision from Cul Tucker in a 5-2 victory over Lenox DeCelle in a TKO finish. Another TEO winner was Leroy Davis of Sigma Nu who declared the winner when Johnny Brinkes was unable to answer the third round. Jack McCrory overcame much resistance to finish a 113-pound verdict from Leslie Haddad. Leon's Al Williams managed to knock out Vern Stoudt's long reach enough to win a decision in their 147-pound go. In the other bouts, Al Baker took a split decision from Jack Davis and Bill Jordan was defeated by Bob Unkrich.

FALCONS OUT TO EVEN

Record At Mt. Union

by DAVE REICHERT

On Saturday, with two things in mind: evening up the season's record at four wins, four losses, and breaking the jinx, the Falcons haven't lost on their home field for the last three years. They have yet to win away from home this season.

Not too much is known about Mt. Union, but they have lost last year's squad which had a 6-4 record at the off-the-record Ohio Conference.

The team whichAwke will return to the defense. Last year they held opponents to 841 yards, rushing, less than an average of 100 a game.

Coach Pete Pederson heads of two All-Ohio men on his squad. Bob Bell, chassis holder, tops the list, having gained 809 yards on the ground. He香括alized all of his opponents put together. Gene Lambert is the other All-Ohio player, being rated at the end of the year.

If past performances means anything, the Falcons are going to have a job on their hands. The Falcons looked like a bowl-club field Saturday against E.K.S. Reversity was the brilliant play of the line, which completely outplayed their opponents.

The squad should be up by 12-0 for this game, for a nose means that the season's record would finish with a majority of defeats. The closest that Coach Whitaker has come to a loss is a 6-6 tie in 1947.

The all-time record of Mt. Union is 114-106-29.

The last two times the Falcons have met the latter, the Falcons won 12-0, 1-01 minute remaining in the game. The University of Missouri runners throw a 22 yard pass to Bob Habutt, who went the rest of the way to pay debt. Ralph Smith rushed the extra point to give the Falcons the shine.

One of the other teams throw a 68 yard pass to Bob Habutt, who recovered the ball on the 10 yard line, and That Kickstarter kicked the ball away from the line of scrimmage. Big crowd was on hand for the first time.

BG Tankers

Coach Frank Cooper has issued a reminder to license owners to open practice Monday for a display from their squad. Each of the 8-5-5 teams shall be open for each new entry as Oklahoma and Indiana.

The squad met early this week for practice and readings, putting in hours, and personnel clearly ahead of the business of the most ambitious schedule thus far.

Prospects for a top season, in spite of the individual scoring leader, definitely look good with 11 letterman returning from last year's team and 24 of the starting lineup from the front team, the Falcons' selection report.
