All Campus 'Dad's Day' Affair
Sponsored by ATO Saturday

The third annual "Dad's Day," an all-campus effort spearheaded by the Alpha Tau Omega Fraternity, will be held this Saturday.

During half-time ceremonies of the home football game against the Green Dragons, a fraternity majorette will present the "Football Dad of 1949" for a trophy inscribed to that title. The receiving trophies will also pay tribute to the men who have been fathers as well as football fans.

A breakfast at the Commons at 10:30 for the football team and their dads is also scheduled by ATO.

ATO's will honor their own dads with a banquet at the Mid-Way at 5 o'clock Saturday evening.

Don Stevenson and Walter Kington are co-chairmen of the festivities, assisted by John MacMillan and Ray Beaudin.

Following is a letter from President Present regarding Dad's Day.

"Back in more 4500 homes, practically all of the states of the Republic of Ohio, the Alpha Tau Omega Fraternity represented on this campus by a large student body and a board of eight, is observing Father's Day.

"It is a day which is tremendously important to all of us, especially to the members of the family circle.

"The same kind of activity that we have been carrying on in the program to celebrate Father's Day on the Alpha Tau Omega Fraternity, establishing Dad's Day on this campus during the month of this month."

"It is a very interesting and worthwhile Mothers' Day.

"We have been working with the mothers and fathers of our students so that there would be a great day for this campus of."

"The Baroque, Classic, and Romantic periods will be featured at the concert for Professor Spangler.

"That within ten years he hopes that the campus can be built up."
From The Docket...

Richard Wetherby was appointed by Student Court last week in parking in the hospital and Shatall Hall. Wetherby's case was considered an emergency.

Final guilty of the charge of parking in the assigned area of Shatall Hall. Wetherby was warned by Lt. McRae. However, his guilt-play on the assumption there was still room for the assigned ve-

The court called attention to the fact that parking within the yellow line is a traffic regulation and the violation of it leads to the incurrence of other drivers.

President Boeker has announced that only the students voted for up to 10 candidates. A voting blank will be mailed only to the students who have been declared as candidates.

The purpose of preferential voting is to give the student a chance to vote for his favorite candidate, and to influence the outcome of the election. It is hoped that the students will take advantage of this opportunity and vote for their favorite candidate.

The deadline for the submission of ballots is Friday, November 18th. Ballots should be placed in the ballot box located in the Office of the Dean of Students.

Dear Reader,

This evening I walked into the Dorm and as I saw that there was a very great musical program on the television set, I sat down to enjoy the music. It was a beautiful night and I planned a "get acquainted" party in the dormitory. As soon as I got there, I began dancing, refreshments, cards and a great deal of fun. Suddenly, the materials of both lamps are urged to attend "stay."

World Destiny In U.S. Hands, Says Ely; Laughton Presents One-Man Readings

by HANK BUSSEY

"Today the destiny of the world is in the hands of the United States but we must more quickly become aware of the responsibility," said Ely Cullom, international affairs ana
tagonist, as he spoke in the Union Monday night. "The United States has a sacred duty to build an atomic world peace.

Speaking on "The Atlantic Peace," Mr. Cullom called the past a "half-step in the winning of peace," because it has

"The purpose of peacekeeping in the world is to prevent another World War. If one nation is allowed to have a nuclear weapon, it may be followed by others. It may be followed by a chain reaction of nuclear weapons, which may lead to a world war.

As to the response, my only answer is that the United States is the only nation that has ever used a nuclear weapon.

It is my hope that the United States will continue to move forward in the direction of world peace."

If you have been feeling a dull sort of pain in your head due to the ever-mounting crowd of mid-term-ers, why don’t you ask the ALPHAS for a bit of advice on how to pass their exams with such flying colors??? Yes, the annual ALPHA GAMMA DELTA pageant for all the professors of the second year girls was held from 4 to 9, Thursday. Each prof and student was presented with an apple which she then ate. If any of you were caught in an embarrassing situation this week, tell it to the Delta’s, you know that Friday night they entertained with a “come-as-you-are” party.

If you noticed the bulging walls of the SIGMA CHI lounge after this weekend it is probably due to the result of a letter to the editor, submitted by David Petersen telling the result of a letter to the editor, the Ad Bldg. this past week as in charge director. On Wednesday afternoon, Nov. 19, a tea was given in her honor and was attended by representatives of the active chapter.

Gamma Phi Hat Birthday Party

In celebration of the 75th anniversary of the sorority founding, Gamma Phi Beta held a coffee hour at the chapter house on Thursday evening, Nov. 18, at 8. Alumnae from Bowling Green and Toledo were honored guests of the active chapter.

The evening was highlighted by the cutting of the anniversary cake and entertainment given by the active members.

Mrs. James R. Beedie, Gen. Secretary of the Gamma Phi Beta Alumnae, presided over the Di- visional Zeta Chapter of the visiting pro- vision director. On Wednesday afternoon, Nov. 18, a tea was given in her honor and was attended by representatives of the active chapter.

**Eastern Here For Finale**

by ED JENNINGS

Bowling Green’s Falcon chagions will bring down the curtain on the 1949 gridiron season in the annual Dual at the University of Kentucky.

The visitors will be in the role of underdogs for the second time in as many years when they face off against the Maroons of Eastern Kentucky.

The Kentucky eleven hasn’t looked too impressive so far this season, although they have appeared to be a menace to the Falcons.

The Falcon offense will be led by quarterback Bob Regan, who will be in the pocket to throw for the visitors.

The Falcon defense will be led by defenseman Bill Stier, who will anchor the line against the Kentucky offense.

The Falcons are favored to win by 23 to 6, but the game will be a testament to the strength of the Ohio Valley Conference.

The present size of our stadium is a definite barrier to a more attractive home schedule. With temporary stands lining the field for a more numerous, and most stadium, the crowd was still below 7,500. The larger schools are willing to entertain BG in their own stadiums if we get enough requests.

Another difficulty arises when we seek games with teams that have similar situations to ours. We are interested in playing against teams that have a natural rivalry and are willing to make long return trips when we get the chance.

Women's Swim Team Plays Host To Ontario

Bowling Green will have its first chance to see the women's swimming teams in action this Saturday at 7:45 p.m. in the Natatorium. The visiting team will be Western Michigan University.

This invitational dual swimming meet, the first of its kind to be held on this campus, will be a combination of synchronised swimming and competitive swimming.

Of particular interest will be Miss Jean Taylor, one of the Canadian swimmers, who will present the solo that won her the International Solo championship of the world.

Swimming for Bowling Green in the women's relay will be Tracy Alburger, Sally Turck, June Kober, Mary Kompart, Dorothy Mtieler, Jerry Mcinnis, Pat Smithmier, and Joan Moores (captain). In the synchronized events will be Joyce Bittker, Marcy Sage, Norma Bagen, Marie Kenny, Joyce McInerney, and Pat Wies. For Ontario, the public is invited and there will be no admission charge.

Pep Rallies Planned
A pep rally on the steps of the Ath Building, at 4:30, will be sponsored by the Boosters Club Friday night in preparation for the Saturday afternoon game. A combined winter sports pep rally will also be held on Dec. 1.

The Swim Club and the Women's Swimming Team will be hosts to the mermaids from the University of Western Ontario in an invitational dual swimming meet in the Natatorium.

In Basketball
Ticket Policy
There will be one slight change in ticket distribution for the home basketball games this year, according to Don Cunningham, publicity chairman.

Previously, tickets have been sold on sale in a block, and will be permitted to be sold out in a block of two, or until all the tickets have been sold out. This year, the tickets will be put on sale in a definite sequence; no more than one day or two or three days before the game; and on the acquisition of tickets by the students will be taken.

Other than this, there are no changes from the past season, except dates next year. Students will be admitted 7,500 tickets, which are available with the presentation of your A t Card and a 10-cent service fee at the Ticket Office in the Men's Gymnasium. Two thousand seats are available to faculty members, and 10 seats are available for administrative officials and non-students.

The remainder of the seats will be sold as season ticket seats. These are now open for applications at the Men's Gymnasium. They will sell for $10.95, and will be 13 home games, 11 nights of basketball.

Cunningham also announced that during Christmas holidays, since most of the student body will be at home, more seats will be made available for the general public during the time that games are open to the public.

The public is invited and there will be no admission charge.
