Booster Club's sentiment seems somewhat out of line. We cannot short sketches of the senior organization in the future. It is not known at this time but it is certain that the Ac Card will be continued and the owner of the card will probably be out for the rest of the year.

Cost Of Living

Recently these students were fined and sentenced for being drunk, disorderly, and destroying city property in the form of church directional signs. One of these signs has been found on their person by the mayor. 

Mayor Dick said that was always the case when a fine was 300. Besides this, numerous inquiries have been made as to the safe keeping of the Kopp with the big hat and ideas to fill him. He needs a table in the Music Department, according to his professor.

Dutt Announces Booster Club Plans

Fred, Roger Dutt has announced that Booster's Club is making church directional signs (one having been found on their person by the mayor). Mayor Dick said that was always the case when a fine was 300. Besides this, numerous inquiries have been made as to the safe keeping of the Kopp with the big hat and ideas to fill him. He needs a table in the Music Department, according to his professor.

Students of Kent State University are asked to consider the Football program for the next meeting of the booster club at 7:30 p.m. Wednesday. These cards are truly a credit to the campus after dusk, but what are some near them but not under them.

Executive Secretary at Langley Field, Va., and must be received at the nearest post office. The present table-lights in the Library are slowly filling up every available corner in the bookstore. Mrs. Hepburn tells us you have lost articles.

Kopp is not Don's only art to be presented by Journalism students. This is a very narrow road which a few people use, as we do the Perpetual Turnpike, so as an alternative you are invited to ex-sweethearts, divorced wives, and other relatives which are overlooked in this card business.

How all these special days got their names, and the history of Valentine's Day, I believe that the time and effort necessary are not found in the Kopp.

Dear Editor:

Two high spots of the faculty's "Oily Ohio" were Lee Hol-kin's rendition of "Brother, You've Got It" and, of course, Howard Kane's dancing which just about brought down the house. They ought to go on the road and help vaudville make its comeback. Also putting their moves into their acts and making the audience like it were Terry Jenkins, Lois Wright, Jim Limberarcher, and Bob Duun.

PENNINGS ARE PLENTIFUL

So here goes—Ralph Villiers and Elliott Scott, Ed Meredith and Bernard Snyder, Fred Simpson and Barbara Robbenstock, Dave Kulik and Virginia Kesh, Dave Long and Elliott Nord-berg, and Norm Minnich and Carol Kohl. Not to mention Doreen Freyde and Fred Jordan, Pat Owens and Larry Konstam, Ruth Toyger and Gordon Mance, Mary Kay Vashon and Steve Mason, Ed Chetkoff, Alps Marie Baker and Charles Crofts, and Pat McKenzie and Jack Evans of TU.

The pinnings of Marine Ayers and Bob McKenzie and Mary Lee Weimann on a few names sort of got mixed up last issue, but here they are again, plus the information that Mary Lyons and Tom Evans are not pinned, as reported.

Seems somewhat of a shame, but there have been boisterous comments on the "fair-weather" attitude of many BG basketball fans. DIAMOND VALENTINES

Yesterday would have been better, but this is a good time to announce the engagements of Rita Grumlee and Jack Heidk, Ruth Hart and Bob Englehardt, Marilyn Horn and Ben Dover of TU, Dorothy Lovejoy and Jack Lewis, June Ellers, John Schweller, and Theoria Armstrong and Marcel Geyer.

Swimmers Set For Cleveland Invasion

Bowling Green's swim team meets Ohio U here at the Queen City Aquatic Complex on Saturday. The meet in the Queen City Aquatic Complex is one of the most disastrous. Within the space of six days the Falcons came back from their first-place finish at the Eastern Kentucky Invitational to finish third at the Ohio U meet. The Falcons lost their top three swimmers and were dethroned conclusively from any season competition. There was also a Cleveland story to the effect that Hank Anderson was going to enter from out-of-town coaching another season, although this was later denied.

Ken State's powerhouse swim meet is on the schedule for Coach Desegna's Bee Gee apparatus. The Falcons travel to Kent State this Saturday to engage the unbeaten Golden Flashes. Under the tutelage of Joe Regalia the Flashes have in recent years become one of the top collegiate teams in the nation.

Last Saturday night following the basketball game, Bee Gee dropped a 23-13 decision to another national power, Wayne State. "This was the biggest contest of the year," said a smiling Coach Desegna.

Judy Anderson, who has been coaching the Flashes for three years, said, "I think it was a great experience for the Flashes. They learned a lot from Wayne State." Anderson said that the Flashes were in the lead until the last minute of the game, but Wayne State came back to win, recording a victory over the Flashes.

During the meet, Judy Anderson said, "I think we learned a lot from Wayne State. They are a great team, and we need to work on our strengths." Anderson said that the Flashes would be ready for the meet this Saturday at the Queen City Aquatic Complex.

Falcon Points With 209 and 83

The Falcons have 209 points with 83 points for the meet at the Queen City Aquatic Complex.

One of the brightest notes of the meet was the performance of Jack Morrison in the 400 free relay. Last year when he was forced to withdraw from the meet, Morrison had one of the top relay times in the country.
