situation hopeless,
coal supply good
By RALPH VILLEGAS
Relax everyone, the coal situation isn't as bad as you had hoped it would be. 28 KW has at least a 20 day supply of coal on hand, and promises for delivery of another 30 days. So we will still have our daily steam heat.

President Frank J. Proul does not anticipate a necessity for suspending any classes or changing the amount of coal the coal committee turns over to the students.

The railroad has already received the necessary coal for the final exams for second semester seniors. One of the students being charged students for violations in the city, Mayor Clar-...
**1950s Have It-- With Doey-dee Look**

By Iris IRWIN

You say you don't recognize that girl? Why that's Mary, but she has the newest "new look" now. The focus of 1950 is on the eyes which are made exotic with mascara and flecks of color. Bow-shaped lips are in, and a new attitude of posture and by legs, "says Vogue."

This year it's the tight skirt and "swing" that are in color, usually green or gold. Place a spot of color in the upper eye lashes on the eye lid and gently into the temple just above the upper eye lashes on the eye lid. Eye shadow in this mid-century scene of the marriage of Miss Jean Wehr, of Sigma Nu, received his degree in engineering to school. They were married at 6 p.m. today at the Gesu Church in Toledo. The groom, a DU, and his wife are now living at 1717 Ridge Terrace. They were bridesmaids. Miss Dolan was maid of honor.

CAGE SEASON

A dead-heat season will be performing for the last time... in the local gym next Tuesday against Oklahoma City, Chelsea Shoes, Bob Green, Gene Dudley, Stan Weber, Ernie Rohrer and Fritz Fitnek will all wind up their careers before the home fans. We've aware that the students have cheered these men to the rafters over the past four years but we will look for some extra boost of hometown power for them on this last chance to give vocal approval of their deeds. They've earned every bit of it.

ARENA FINALE

Taking timely advantage of his recent publicity in SPORT MAGAZINE and THE SPORTING NEWS, and the fact he was playing Cleveland's Arena for the last time on a college, Chelsea Shoes wipped Marquette's Gene Bere's individual record of 33 points off the boards and hung up a new standard. The book now reads: Charles Shoes—Bowling Green—13 goals—10 free throws—38 points.

There were other scoring eruptions throughout the nation within the last week. In Bonavacce, 48 Temple precentums, damped in 42 against Munheberg to mark up a new high for Philadelphia's Convention Hall. Jim Spivey, Kentucky's 7 foot sophomore, rolled in 40 against Georgia Tech. And a week ago Saturday Bk. St. John's Bob Scawolak, 6-9 center, pushed the Buffalo Memorial Hall high to 38. Oh where, oh where, has the defense melted?

FIRST ALL-AMERICAN

The initial basketball All-American made its appearance recently, offered by THE SPORTING NEWS and its nation-wide board of experts. Topping the vote was Vincenz's Paul Arius, who currently is ranked second in the country's major college poll. Dick Schmitteller, Ohio State's super athlete, was named the reserve All-American, while John Shummers of Southern California and Holy Cross's Bob Cousey (do I hear any argument over that?) were the fourth and fifth choices. Topping the voting was Villanova's Paul Arius, who in his third year, 1940-41, had led the Big East Conference in scoring. This, in flu of the last week. Cincinnati Dunked; Ohio Relays Next

By Jim Duery

In high spirits after their decisive 44-33 victory over a highly favored Cincinnati team last Saturday, Bowling Green's swim team is preparing this week for the Ohio College Relays to be held Saturday at Paramore College in Covington.

The Falcon veterans—defending champions and annual winners of the relays since they were inaugurated in 1947—will have the chance to add another notch to their belt. They've earned every bit of it like to ask for a special outburst of lung power for them on this last chance to give vocal approval of their deeds. They've earned every bit of it.

The Ballers, annually held in high esteem in national scholastic circle, is a true test of the highly placed colleges. They defeated Bowling Green here last year by a score of 35-30.

The Bookers had little opposition in their events, scoring a tentative 116 points as compared to Washington & Jefferson's 56 points.

The Arizona State Relays will be held at Galati, Ohio, 17-26, in the next two week-bus.
