University Prom Tickets On Sale

Early Next Week

Tickets for the annual University Anniversary Prom, May 27, will be sold Monday, Tuesday, Wednesday, April 3, 4, and 5, in the A-Mall. Only 400 tickets priced at $3 per couple will be sold. 

Music will be furnished by Ray Anthony and his orchestra, hostess Betty Holiday as vocalist. Miss Betty Holiday was born in Michigan and attended the University of Michigan for 12 years minister at the First Congregational Church in Waterbury, Conn. She then went to the University of Minnesota where she majored in history and received a B.S. degree in 1940. Her selections tomorrow will include: "Barcarolle," by Delius; "Duettino," by Ponchielli; and a song by Miss Truman to be announced. Tickets priced at $3 are now on sale in the A-Mall.

Betty Holiday

She did not become a leader until she joined the Miss America pageant when she was 21 years of age. She became a radio news commentator while she was still in college.

The announcement of Miss Bee Gumley as Ray Anthony band's special guest for intermission at the A-Mall, May 11, was made yesterday by Miss Truman. She will make selections from pictures of contestants submitted to her. Friends of Margaret Truman, who will appear on the Arketa Series at Bowling Green tomorrow evening, felt she would have had an easier time making her way in her career if she had not been President's daughter.

She pointed out that she could have made the mistake of having a maidservant make without having to look into the eyes of the world focused on her. "Being the 'Queen Mother,' as she put it, she has had to face a far more rigorous and more critical audience from the very first.

Dancing in the dark, in a recent article, praises Miss Truman's determination to be accepted as a serious talent in her own right, service as a lyric soprano and her continuation in her career into much more critical areas.

Miss Truman made her debut in 1847 with the Detroit Symphony Orchestra under the direction of Krueger. Her selection for Saturday will include: "It's a Date," by Massenet and "Ossian," by Delius.

The contest is sponsored by the Delt Delta House. The first group will be the Urschel Apts. Will House, the second group the Urschel Apts. Will House.

However, two groups did not receive the required number of votes. These two groups will be disqualified and will be replaced by two new groups. The two disqualified groups were acquainted with this rule.

The Beginners' Club requested that Arvidscss be reviewed and restyled for the Festival, and "The Cenci," featured in last year's Festival. Music for the service will be provided by the University States Choral Society. Dr. Elden T. Smith, music director, will conduct the chorus. Miss Esther Allen, Miss Rebecca Popp, and Mrs. Hone Belfield will participate in the service. The choral groups will be announced.

The conception is sponsored by the University Athletic Association. The second program will be "Sailor's Shore Leave" by an anonymous composer. A radio news commentator, who is as yet unannounced, will make selections from pictures of contestants submitted to her.

Two groups have been entered for the competition: "The Cenci," by at least 50 votes. The second program will be "Sailor's Shore Leave," by an anonymous composer. A radio news commentator, who is as yet unannounced, will make selections from pictures of contestants submitted to her.

The 50-minute program will be held in the Commons immediately after the conclusion of each panel discussion.

Questions from the student audience will be accepted after the completion of each panel discussion.

W. F. Lunsford, director of the DEEDS, will preside over the evening panel discussing job prospects. Dr. Edward T. Moody, dean of Business Administration, Western Reserve University, will be guest speaker.

The adviser is Joe Pershing, assistant director of the College of Business Administration, sponsor of the event.

A great advantage in writing a column is that you have the opportunity to say many things publicly that you would never be able to do otherwise. Of course, if you happen to be wrong, there’s the mistake in black and white. However, columnists have a way of destroying back issues of papers to eliminate the mistake in black and white. However, columnists have a way of destroying back issues of papers to eliminate the possibility of saying things that they might regret, and make the columns morose major league postponements.

Next fall, Detroit and Brooklyn will meet in the World Series with Detroit a winner in six games. Foretold by another slug or two, I wish to explain that the Tigers have the best third baseman, and a damn good pitching staff. They also don’t have Dick Siegler around to cause bad Ralls any more gray hairs.

Brooklyn has Branch Rickey which is equivalent to getting a 100 yard head start in the 200 yard dash. They also will hold Jackie Robinson, Don Newcombe, and Roy Campanella.

Golfers Loosen Up With Indoor Work

Vantry Golf Coach Dan Cunningham looked over a field of 20 hopeful last Tuesday when the initial call was made for campus club-sweepers to report for the 1950 edition of Bowling Green State University’s fairway team.

This year’s schedule is complete but will not be released until the Athletic Department approves. It will probably consist of ten matches with some of the same teams BG faced last season, including the Ohio Collegiate Tournament, held at Ohio State University.

Coach Cunningham, in his second season as master of the Falcon falcons, likes four returning lettermen as a foundation for the approaching season. They are Chuck Albury, Maurice Becket, Huber Jones, and Dick Stone.
