Funeral Service Set For Cancer Victim; Interment In Iowa

Funeral services for Miss Nellie A. Ogle, late associate professor of chemistry at the University of Iowa, will be held in Young's Memorial in Bowling Green. Miss Ogle died in Johnstown Hospital early Sunday morning. The Rev. Murray Drysdale will officiate. Burial will be held in Des Moines. In the fall of 1940, Miss Ogle was a cancer patient in the university hospital. She had express appreciation to the American Cancer Society and the School of Nursing for their aid.

Ogle Was Adviser

Miss Ogle was adviser of Cap and Gown, senior class home society; Quill and Scroll, membership committee; Women's Student Government; Interfraternity Council, in which she served as a member of the executive committee; and the Bowling Green Women's Club, in which she served as secretary and treasurer of the Young Women's Christian Association and director of the Women's Club.

WAS Grading

Since 1940, Miss Ogle was grading in German for preparation in a trip to Europe. During World War II, she was almost seven years and had been in Central America, West Indies, and the Hawaiian Islands. For several years, she had been writing a travel book for American women. Her latest book, "In the Heart of China," was published in January of this year.

Elimination Of Long Walks Seen; Deans; Moving Bureaus

Monday morning will be in part the fourth floor of Moosley Hall (the old Science Bldg.), Register John W. Bunn has announced. It is expected to be completed by the summer of 1951. Space for the museum will be available because of the number of departmental moves and the completion of the new Chemistry Bldg.

The move of the various departments is ac-

accomplished throughout next academic year. A new department is made available on the fourth floor of Moosley Hall.

The majority of the work will be done by September, Mr. Bunn said. After the move, the dean's office will move in the third floor of the Science Building, asserting itself in its own space. One floor of Moosley Hall will be unoccupied.

Content vacated by September, Mr. Bunn said.

Not long after that, the men's gym will be free to its own and others on the fourth floor.

Trophies will be awarded to each senior class and to the class with the highest number of points during the academic year.

John Wilkes Booth was the namesake of the last president of the state of Iowa who was assassinated in the Lincoln Memorial in Washington, D.C., on April 14, 1865. He was a Democrat and a supporter of President Abraham Lincoln. After the assassination, Booth fled to Canada and was captured in May 1865.

Quacks On Golf Course Not All Golfers; Duck In Pond

Beside the extra water from unseasonal weather, Pow-

delius suggested a new addition to the golf course. He also said that there is a duck on the pond, and he is not sure if it is a quack or not.

Two Sic Sic Members Named

The organization is also comprised of two other members from each institution who were not included in the previous report.
Now that the senior members of BSCSC have been disclosed to the student body by the NEWS, everyone can stop wondering who they were and who the people of being BSCSC. It was getting to the point that whenever a student stepped into the 11th hour instead of being suspected of being a member of this group and his actions were completely scrutinized. We have needed BSCSC for times of mistakes because they have been necessary for certain things that we felt should be kept protected. The present personal attacks towards the group no doubt some effort to get us all to lose sight of the fact that BSCSC is not entirely created. We shall not attempt to tell what that future purpose is but rather tell that we have now left the hands of the senior BSCSC members. Al Rosenkreg and Myron Jackson, appear elsewhere in today's issue.

Letters To The Editor

To the Editor:

I would like to extend my thanks for your cooperation in making the World Student Service Fund drive as successful as it was. Special thanks should go to Bob Conshuf-fer, Gurne Vickers, and George Kessler who have given as much of their time and energy to planning the events that made the drive possible. We want to appreciate the help of all the staff of the BEE GEE NEWS. Their cooperation and support have made the campaign a great success. Special thanks are due to Mrs. Mary A. Cullen in our WSSF booth. They have been good sports in allowing the students to participate in student events.

Sports Day Planned

A sports day was held on April 29. The students participated in track and field meets, frisbee, volleyball and basketball and used the facilities of the modern dance room at the university. Dr. C. G. Caley, the Modern Dance, Tap, and Swing instructor, and Muriel Hutchison assisted in the management of the event. The students were entertained by the music of the Troublemakers and the dance of the cheerleaders. The event was sponsored by the Student Council and was well attended.

What A Relief!!

BOB SMITH

An interesting observation of the recent news is that the headline brought forth one voter's rather pithy statement. "One of the 40 ballots disqualified for incorrect voting procedures was cast by John Smiley, Bob Conshuff, Mrs. Prout; X Vice President, Dean Rankin, X Secretary, Mrs. Conshuff, and X Treasurer, Mr. Keighe. Interesting!!

We SPENT last weekend in Cleveland and got a real old Ohio College Newspaper Assn's convention, along the lines of the NEWS staff we covered at the national conven- tion. It consisted of a meeting of the news and sports editors of the C&G, a panel discussion on the future of college newspapers, and a meeting with the badminton, tennis, basketball, and football teams and the newspaper staffs of those schools.

**Netters Bowl Over Northern, Lawrence Tech**

By Bill Greenhill

Bowling Green’s men’s team swept two matches over the weekend, defeating the Wolverines on Friday and Lawrence Tech 9-4 on Saturday.

The triumph over Ohio Northern was the first victory of the season for the teams involved. That’s because the Falcons have been working on their three previous matches.

Coach Earl Ault feels that he has been able to make his team equal to the best of the best.

The team is gaining experience under match conditions, which is one thing that several members of the squad lacked. Coach Ault will have five men returning next season.

**By DOLORES OBORNE**

The inter-class swimming meet against Findlay was held in the Nat. Events included the 25 yd. medley relay; 50 yd. backstroke; 100 yd. freestyle; the 25 yd. butterfly; events for men and women; scoring (one point for each event won) and, of course, the medley relay.

Senior girls wishing to partici- pate should see Ruth Murphy; juniors, see Jo McCreery; sophomores, see Nancy Kompart or Jerry Meixner; and Nancy Terry and Pat Williams can be found in the Falcons’ favor.

Tryouts are being held now for Intramural Softball and a Tentative play date for Sunday and Wednesday at 4 p.m. See Barbara Du Charmc, historian representative, for information on entering the various sessions.
