Dean Speaks At Pre-Law Club Banquet

Edwin Stanewsky, professor and Dean of the College of Law at the University of Michigan, will deliver the annual Pre-Law Club banquet, Thursday, in the University Room of the Nest.

Stanewsky, a Professor of Law at Michigan, was a professor of law at Harvard University in 1920 and in 1929. He was born in Munich in 1895.

The banquet was sponsored by the Pre-Law Club, which is composed of all students who are interested in the study of law.

Ugly Man Pic Deadline Today

Friday deadline for the Ugly Man contest, sponsored by Alpha Omicron Phi, will be extended to Monday, the 25th. The contest will be held in the west end of the Men's Gym at 6:30 p.m. on Saturday, May 10, at the conclusion of Derby Day Saturday.

Eugene Stanewsky, belonging to the Phi Delta chapter of Alpha Omicron Phi, is the only member of the club who has accepted the challenge of the contest, which will be held in the west end of the Men's Gym at 6:30 p.m. on Saturday, May 10, at the conclusion of Derby Day Saturday.

Saturday's Relays Feature TV Time For First Time At University

The Bowling Green Relays, brainchild of Track Coach Dave Matthews, will be the first event, athletic or otherwise, to be televised from BGSU's campus.

Saturday, WSPD in Toledo will televise the first running of what Coach Matthews hopes will be an annual track event.

Thirty students from the BGSU Art Department will inspect the paintings on display in the Fine Arts Department this week.

The paintings will be displayed until June 1.

Guests Unlikely For Graduation Unless It Rains

There will be no limit to the number of guests invited to the graduation exercises this year, unless it rains.

The usual limit of one guest per graduate will be increased to three.

The committee in charge of the graduation exercises is present to make sure that the rain will not interfere with the proceeds of the ceremony.

The committee is also making arrangements for the rain to be held in the east end of the Field House.

The paintings will be displayed until June 1.

Booster Lives Again...

After a rather shaky start this fall it now appears as if the Booster Club once again has its feet on solid ground and is beginning to function as it should. A new and more intimate picture of the organization has been revealed, and a new spirit, more vital and more vivid, and a few posters like the recent one in the Hallmen add to the equation. For Booster Club officers, the interest in their work is beginning to increase a little more strongly.

Booster spirit is something that is too close to the bones of the phrenics found on the sport pages of many of today’s newspapers and because of this it isn’t easy to get started. People are not the kind of hearing about school spirit but it is always there when needed.

The job of the Booster Club is to keep school spirit high, and it is no easy task. When they do succeed, as they have in the past, they can feel that they have done an outstanding job.

Ugly Man...

Bowling Green students get a chance to vote for the ugliest man on campus tomorrow. It is something strange and violating for beauty or body one can vote for someone who is nothing short of horrifying and since the voting is for the benefit of a deserving charity it is a good thing.

Letters To The Editor

In accord with the policy of this paper, editorial comments do not necessarily reflect the opinion of the Kappa Sigma fraternity.

Dear Editor:

There are several misunderstandings about the Kappa Sigma chapter. My name is Jack Smith, and I am the president of the chapter and I do believe that these rules and regulations and suggestions of the organization should be made explicit to every member. We believe that these rules and regulations be strictly adhered to during the event.

Volunteers Discuss...-

Student Volunteer-Members will be on duty at the local Food City from May 12-14 at the Corner of W. Sylvania Avenue, to distribute brochures of the school's-functions to the public. The volunteers will be from the math class and from the church community. The volunteers will be 14 plus transportation.

Dixie Lunch—the only place in Bowling Green to his taste, the restaurant-type container, remember the name! Dixie Lunch—the only place in Bowling Green with a touch of the same this last week-end. And especially Friday night (not to mention the 2-minute ruin of a good movie). What a Relief!!

3rd. Why can we disagree with an original theorem? In advocating changes to existing campus regulations, we followed the principles of democracy as laid down by the Kappa Sigma fraternity.

We believe that booster spirit can be developed by inviting people who are interested in Booster Club activities to participate in Booster Club meetings. We believe that these rules and suggestions of the organization should be made explicit to every member.

Frustrated Love and Lack of Luck

By ANGIE LAMANO

We find love everywhere—plastered in the buses, strung along the streets, hanging in the air and dancing like crowds from the movies and television. Love, like hate, is a two-edged sword. And especially Friday night (not to mention the 2-minute ruin of a good movie). What a Relief!!

What A Relief!!

BY BOB SMITH

If THERE ever was such a thing as love at first sight, I do believe Bowling Green had its moment last week.

And especially Friday night (not to mention the 2-minute ruin of a good movie). What a Relief!!

"The Noon Whistle" by NANCY NOON

WHAT A CLOSE CALL!

An extra something accompanied the feature at a local theater last week, namely, Chapter 14 of one of those serials dear to the hearts of children, "Tommy Va, Wizard." In this startling episode, Wizard (invisible) sets off a large explosion in a large factory. As the smoke subsides, Robin (invisible) appears on the scene, apparently looking for something or someone.

Suddenly a door, all of two feet thick, opens from the wall and a figure emerges.

"Batman" shouts Robin, "I thought that blast had got you!"

"I would have," explains our hero calmly, "if I hadn't just stepped into the intercom to check my courage nuclei."

As the audience gave a collective shiver of relief, a little girl who had just come in turned to her mother and asked, "Is this Cinderella?"

GREETINGS AND BEST WISHES

To Don and Dona Mason, who were recently married, and to Dorothy Perkins and Dallas Bigelow for the same reason.

Also to these engaged couples: Pal Musolf and Bob Wald, Eileen Nordstrom and Dave Love, and Isaac Albert and June Andersen.

LETS ALL SING LIKE THE BIRDS SING

The birds in the Men's Gym must have been delighted when they found that their home was to be the scene of the province May Day. Some who were so bold to listen from the midle of the floor, while the ones in the added some chimes of their own.

What with the dangers of birds droves, pieces of rust falling into ears, and the distortion of the birds' songs and bell strains from the FA Bldg., it is a tribute to the birds' singing ability that the entire audience didn't (too) Away.

Camels for Mildness!

Yes, Camels are so mild that in a conve- nient test of hundreds of men and women the seabed Camels—only Camels— for 30 consecutive days, none of those participants, men or women, even reported any symptoms of throat irritation due to smoking Camels!"
Meet The Falcons
Honner - Baseball

By GENE VEYERKA

Honner plays a key role for the 1960 Falcons in the last three years, the kind of baseball that will be badly missed when he graduates this June.

Why? The stocky outfielder from Macomb has led the team in hitting for three consecutive seasons, after being an import-

ant part of the outfield. He batted a total .343 in his freshman year, .367 in his sophomore stretch, and a stellar .438 last season.

When asked about his biggest thrill at the plate, he quickly pointed out last year's Toledo game. With Bee Gee trailing 5 to 3 and the bases loaded, Honner connected with a 3-run hitch for a home run that brought the Falcons on to win 17-6.

An army veteran of three years in the European Theatre, Glenn had a tryout with the Brooklyn Dodgers in 1946 at Satarday, Fla. He was under the tutelage of Gene Hermanski and Fred Brooks for all three of the 30-day trial, but decided that the competition was too keen and dropped out.

During the summertime, Glenn was playing outfield for his local team in the Toledo Tornados. They won the city championship in 1948 and 1949. While in high school, he played for both baseball at all.

A member of Delta Upsilon fraternity and the Varsity Club, the fast Falcons is majoring in Industrial Management. Glenn plans to marry Rita Brzalik, a retired Bee Gee last year, on June 17.

Intersquad Game

Varsity and freshmen members of the baseball team will continue their spring practice when they meet in a varsity intrasquad game Thursday afternoon.

Seling Club Wins Third Place At Ann Arbor Meet

Bowling Green's Seling Club took 3rd place at the Regional Eliminations at Ann Arbor, last weekend.

Slippers were Bill Critzer with Barney McNichol as crew, and Glenn Smith with Bob Dodgler as crew. University of Michigan won with Paragon placing second.

Other schools attending were Michigan State, Wayne, Oother.

This 3rd place entitles BG to the District Eliminations of Ohio State on May 10.

The 1960 Falcons outdoor track meet was fire and lost two in dual meets.

Runners Win Strenuous Week

Don Cunningham's golfers take over as "busiest spring sports squad" this week as they engage in three dual meets and then go to Columbus for a try at the Ohio Collegiate title next Monday.

Lawrence Tech will oppose the Falcon swimmers at the local Country Club this afternoon in a match originally sched-

duled earlier to the year, but put-

posed because of rain.

BG goes to Findlay tomorrow to play the Oilers, then heads to De-

troit Friday for a return engage-

ment with Lawrence Tech. The bowls will leave for Columbus Sat-

day to get in a few practice rounds over Ohio State's Jack Spergel Stadium before playing for "longhorns" in Monday.

Wayne University brought a supposedly "green" team home Friday but put up a gallant battle during bowling, 51-47.

Chapmen and Young Jones sweep all nine points from the Owosso quartet in a hard-fought battle to give BG the edge.

Chapmen was the medalist with a 72 as high winds sent the scores soaring. Jones lost 99 and their best ball total of 69 was also good enough for Chapman and Young Jones.

Hugh Shelley lost 24 points with his BB and Bob Coult's scored 84, losing 24 points also.
