Registration Begins For Fall Semester

Plans for pre-registration for first semester of 1960-51 were announced this week.

The Agricultural College announced its dates by appointment: juniors (present sophomores) will see their advisors Friday, May 19, 2:30-4:30; and sophomores (present freshmen) Saturday, May 20, 8 a.m., prior to registration.

The advisors will be located in the north wing of the Women's Bldg. on Friday and on the 2nd and 4th floors of the A-10 Bldg. on Saturday.

The schedule envelopes should be picked up by students before seeing advisors, who must sign the envelopes. Students will then be notified by the Registrar's Office on the next Monday, May 23.

Departmental representatives, who will be in the same gym Friday afternoon and in the Rec Hall Saturday morning, will visit each section.

Registration may be completed any time after July 1 or on the regular days next week (Sept. 19 and 20). Classes start Thursday, Sept. 22.

Interfraternity Council Accepts Sigma Psi Omega's Petition

By RALPH VILLES

BOWLING GREEN, Ky. (May 12) — The Interfraternity Council at the University of Kentucky has accepted a bid by Sigma Psi Omega fraternity. This is the first time the interfraternity council has received a bid from a black fraternity.

Six Male Escorts Selected

Six organizations and six men were selected to furnish male escorts for the queen and attendants at the May Day coronation. These selected were: Stadium Club, Off-Campus Club, Sigma Nu, Sigma Chi, Sigma Nu, and Nu Delta. They were chosen by drawings from the names of a hat containing representation of each of the campus residence halls and social organizations.

Interfraternity Council participated in the drawing. Three alternate organizations were chosen should the privileges be unable to furnish an escort.

The May Day Committee will award an additional $250 to the winning school, $100 to the second place school, and $50 to the third place school.

The first May Day Queen Coronation will be held at 3:30 p.m. Wednesday, May 14. This will be followed immediately by the coronation of the May Day Queen. The coronation will include the escort parade, the presentation of the queen, and the presentation of the May Day Queens of the last two years. The coronation will be followed by the May Day Parade, which will include floats, bands, and other groups.

The May Day Committee is also planning a carnival for the following day, May 15. The carnival will feature games, rides, and food. The committee is still in the process of planning the exact details of the carnival.

Qualifications For Senate Prexy Discussed

By HAL PRALEY

Next year's student Senate president will be elected at mid-year, practice that has been followed for the past three years.

This was made public at the meeting held Thursday night at 7:30 in the Student Senate chambers. The meeting was held to discuss the qualifications for Senate president that will be required for the coming year.

The meeting was attended by approximately 40 students, including members of the Senate, the Student Council, and the Interfraternity Council.

The Senate president is one of the most important positions in the student government. The president is responsible for the overall operation of the Senate and the student government. The president also serves as the official representative of the student government to the university administration.

The qualifications for Senate president were discussed at the meeting. These qualifications include a strong record of involvement in student affairs, a proven ability to lead, and a commitment to the principles of democracy and student self-government.

The Senate president must also have a strong academic record and must be a second-year or third-year student. The Senate president must also be a member of a recognized student organization.

The qualifications for Senate president are not set in stone and may be changed from year to year. The qualifications are set by the Senate and are subject to change by the Senate.
Dear Editor:

I am writing to bring to the attention of the sports editor of the BGSU Collegian that there was an obvious error in the softball section of the recent issue of the NEWS.

In the story "Softball," the name of the player who had three hits on May 10 was incorrectly stated. The player's name was Mary Kost, not Mary Green as was listed in the story.

I realize that these kinds of errors can happen, but it is important to correct them to avoid confusion and misinformation.

Sincerely,

Bill Baker

--

Amidst a spring atmosphere of light and color, the school presented a top-flight relay program without a queen? for planning could have done a better job in the organization of the event. It seems In order that a vote of approval and best wishes be eventually furnished competition for the Drake and Fenn meets.

With the inauguration of the Bowling Green Relays tomorrow, another athletic feature will be added to the list of university athletic events for their successful attempt to gain national prominence for Bowling Green State University. Correspondingly, theinating football team has completed the year's schedule, and now, the Bowling Green team will no doubt even more closely approximate the Drake College team, as the above complaints made, we are pleased to report that it will not be heard of a top-flight relay program without a queen?

Director of "Twelfth Night"

Mr. John Hopkins, technical director and instructor of Theatre Arts, has designed a set which closely resembles the stage of the Old Globe Theatre where the play was first produced three hundred years ago.

The set designers have insisted on a basic set on which all scenes will be played. The scene change will be rapid through the use of back-drops. By inserting a flap one scene will be suddenly changed to a vastly different one. A blue flap will illustrate garden scenery while a red curtain with a gold coat of arms will signify the castle.

The three divisions have replaced the original five acts of the Shakespeare writing, but some critics and technicians have called the "Twelfth Night" the most interesting of all Shakespearean adaptations.

Miss Robertson unduded the importance of planning. Everyone who attends a play has to be able to accomplish this:

1. Know your subject.
2. Know and adopt the rules of acting.
3. Organize material.
4. Ship the play and make it make "Twelfth Night" the most interesting of all Shakespearean adaptations.

Suzanne Green was the designer and instructor of the set. Miss Robertson and Miss Green are to be congratulated for the fine job of designing the set. The set has come of age."

Who Asked You?

By DOL CRANTON

Casting an eye toward the activities of Uncle Joe and his boys, our question for this week is: "Are you in favor of the renewal of the draft law now being discussed in Congress?"

J. M. Martin, Sr., a Defense freshman, answered that he very much in favor of it. "I was in the Army at the time of the first draft and remember all too clearly how difficult it was to go to war, the experience one gains from service is invaluable."

Ken Kreuer, a senior from Bowling Green, replied, "Because I am apprehension in regard to our state of preparedness, I must state that I am fully in favor of renewing the draft law.

"I don't think any measure is too severe as long as it serves the purpose of preparedness the next time."

"Mr. Docu Goes to Town" is one of the most famous pictures to be brought to Bowling Green. It is a comedy about the trials and tribulations of a handle-moving mill (Gary Cooper, Jean Arthur). The movie will be shown tonight at 7 and 9 in the Main Aud.

Jean Smith's orchestra from Toledo will be brought here for this all-college dance tomorrow night, which will be held in the Women's Bldg. from 9 to 12. The Social Committee, which also furnishes campus movies every weekend, is sponsoring the dance.

One of the popular biography regions will be the feature picture tomorrow night in the Main Aud on 7 and 8.

BG Coed Finalist

In Fashion Derby

"Miss Fashion Plate" on this campus is one of the runners-up in the contest conducted by College News and sponsored by the Revlon Purdy Corp.

Betty Anne Bunchan, 18, of Southern Methodist University, is the oldest, yet one of the "Miss Plate" of 1950 after competing with campus beauty queens, to be student vote in leading colleges throughout the nation.

Judges for the contest were two noted newspaper columnists, Miss Kathryn Questions, Journal-American and Ernest Malcolm, who were also selected by Mr. Zander's Fashions, who were also selected by Mr. Zander's Fashions.

Among the "Miss Plate" of 1950 was Miss Joan Brule and Mrs. W. M. Keating from Bowling Green. The fair student would return his suit to his mother.

Music for the Coronation Ball will be presented to the queen by Jimmy DeLong, who played on campus at Homecoming. Trips will be presented to the queen.
