Summer Enrollment Decreases; Grad School Shows Increase

Enrollment for the summer session has reached the mark of 1,350 students enrolled in the Graduate School of the University. The total falls slightly short of last year's record-breaking enrollment of 1,584.

Veteran enrollment has slumped about a one per cent since last summer. There are 467 veterans as compared to 769 last year and 796 in the summer of 1948.

Sixty-four new veterans have entered the University for the first time. Last year there were only 40.

Most of the new veterans are enrolled in the Graduate School.

Partial explanation to the sudden drop in veteran enrollment is the fact that many veterans pay their own way during the summer in order to save their eligibility on the G.I. Bill. Another point to be considered is that the G.I. Bill has expired for many veterans and they are no longer considered in the count by the VA Office.

The Graduate School's enrollment must be made to total a figure of 119. Last year the total enrollment was 90.

No Classes Monday, Tuesday Next Week

Classes will not be held Monday and Tuesday of next week, it was announced Tuesday morning by the President's Office. This means a four-day holiday from classes.

The bulletin from the president read: "I have just had my attention called to the Monday classes which are scheduled to be held before the Fourth of July holiday. Over the years this situation has happened before and it has been customary for us to substitute the Saturday immediately following the Fourth of July for the Monday preceding the Fourth. This will give us a long weekend followed by four interrupted days of class. Both students and faculty are asking for this same consideration this year. It seems reasonable to us that we make this modification.

"Please announce to your classes that there will be no classes Monday, July 3, and work will be scheduled for Saturday, July 8."

First Blind Veteran
Graduated In June
By FRED TOOD

Robert C. Oberhouse, 25-year-old blind veteran, graduated June 9, from the College of Liberal Arts, to become the first albino student to receive a degree from this university.

A sociology major, Mr. Oberhouse was given all tests and exams orally and was furnished a person by the government to read him his lessons. He had attended college winter and summer since September, 1948.

He was elected chairman of the Blind Veterans' Asst. Ohio branch, last July. Mr. Oberhouse's interest in this organization has led him to run for office on the National Board of Directors.

Formed in 1944, the BVA is made up of approximately 1500 blind veterans. It's purpose is to educate and assist handicapped veterans in finding a useful and satisfactory place in society. It is also concerned with the education of blind children.

Mr. Oberhouse is looking forward to the state meeting of the BVA in Hamilton, July 15-16, when possible legislation affecting the organization and its purposes will be discussed. An outing for members is also anticipated.

He has altered previous plans to go to Baltimore; instead he intends to spend the summer mainly on BVA work. His vacation, thus far, has included "some fishing, but not much fish," and more time at home with his 4-month-old son and wife, Louie.

Mr. Oberhouse "enjoyed his college career and received the fullest cooperation from the University faculty." He would like to find a position with some state, or private, rehabilitation or welfare agency.

The ceremony was the first of its kind since the ROTC unit was organized two years ago.

Mr. Oberhouse "enjoyed his college career and received the fullest cooperation from the University faculty." He would like to find a position with some state, or private, rehabilitation or welfare agency.

**Summer Social Events Slated**

**Bulletin**

Because of a last-minute change in scheduling the Fourth of July holiday, weekend social events will be changed. The Friday and Saturday orchestra dances will be cancelled.

Friday and Saturday movies, "It's a Great Feeling," and "The Lady Vanishes," will be shown as a double feature Thursday at 7 p.m. in the Main Auditorium.

Phyllis Yergin, social committee chairman, announced that a tentative schedule of social events for the summer has been arranged.

At least one orchestra dance has been scheduled for each week of the summer term. Orchestras will be brought in from Toledo and the surrounding area. Several street dances are scheduled, but the exact dates have not been selected.

It is anticipated that a Farewell Formal will be held on Aug. 5. The dance was a great success last year and plans are being laid to make the dance possible again this summer.

Some of the better movies scheduled are: "Debbie Rides Again," with James Stewart, to be shown on Friday, July 1; "The Tech- nicolor fantasy, "All Baba and the Forty Thieves," which will be featured on Friday, July 8; and "Last Days of Pompeii," on Saturday, July 15.

Trackmen Cop Two Firsts At Delaware Meet

Bowling Green's track team completed its 1950 spring schedule June 10, at Delaware, by competing in the All-Ohio College Meet. The Falcons took two individual championships and finished fourth as a team.

Frank Kilgore and Stan Weber copped the two individual championships for Bee Gee triumphs in the mile run and the discus throw. Baldwin-Wallace took the team title for their fifth straight All-Ohio College track and field championships, while Miami finished second for the sixth consecutive year. B-W took four first places to lead in blue ribbons, with Stan Keel leading the way for the winners with the high point total of 11 on two firsts and a fifth place.

Baldwin-Wallace stepped off the mile in 4:30.6, to defeat Powell of Miami by 0.4 second. Kilgore lowered his personal record of 4:28.6, to defeat Powell of Miami by about 5 yards. Kilgore's time set a new university record in the mile run, breaking his own record of 4:38 he had posted at Miami University earlier this year.

In the last event of the day, Stan Weber heaved the discuss 141 feet 2 3/4 inches to cop first place.
