Bowling Green State University is getting its customary summer face-lifting. The new construction going on, renovation of some buildings, and addition of new rooms in the dormitories is under way.

Concerning new construction, President Prout said that an addition to the Phi House on West Wooster St. is under way. The addition will be the new dormitory for Phi Men. Construction continues on the Phi House, which is now being planked.

On Aug. 7, bids will be advertised for the new Sigma Rho Tunnel connecting it is "pretty隧道" and the Chemistry Building and the Music Building. However, work on the Music Building was slowed by the lack of suitable material, he added.

Graduate Exams This Week-end

The graduate record examinations, which were advertised for yesterday, will take place in the Chemistry Building and the Music Building. They will be in the Well Tuesday, Thursday and Friday, July 11; Thursday, July 13; and Monday, July 17, from 11 to 12:30 with Arch B. Conklin, dean of students, in the morning. They may be taken with correct reading in the afternoon.

At an interview yesterday with a certain duck lady at the Urschel property. The old ace of Newbury will be eventually abandoned to make way for new construction.

President Prout said that work on the Chemistry Building and the tunnel connecting it is "pretty隧道" and the University in the autumn will take place.

Mr. Miles attended the examinations on Wednesday. He said that the new dormitory will be more comfortable, but instead it's disgusting. "I knew things had come to a pretty pass. These people run the college administration this summer. It's simply disgraceful. I have a hard enough time raising my little ducklings—under normal conditions five in all—under normal conditions.

A few days ago, a few thousand miles away, a stone was hurled into the whirlpool of world affairs. The "play" was heard all over the world—it was the Korean War. Immediately the ripples were felt by Americans everywhere. Especially young Americans felt the tide of war feelings. After only five short years of peace—peace filled with the wrangling of the peace-makers—we again find ourselves threatened with a loss of our liberty. In the drugstores, the bars, the classrooms could be heard crude ironical jokes.

"Got your old uniform all pressed up, foe?" asked one ex-serviceman. "Sure," answered Joe. "I'm all set; I sent my old sarge a birthday card last week."

But under the jocularity ran an undercurrent of fear. Only those who had seen service few expressed any wish to go back and fight again. But fewer doubted—at least to themselves—that if the situation demanded they would serve again.

WOODED YOU KNOW IT?
Is this Spruce, tree, tree, tree?
No, this is Walnut, fir, fir, fir.
Sorry, wrong lumber.
(Ed. That's oak.)

HOW NOT TO DIE OF OLD AGE—LESSON TWO: Always race with locomotives to crossings. Engineers like it; it breaks the monotony of their jobs.

WEDDING BELLES: More middle-aislers of June and early July. For the most part, it's that old refrain, "After Graduation Day." Newly married are: Carol Miller and Jim Pence, Jean Ruth Lake and Ralph Scott, Wanda Mermer and Carroll Tschiegg, Marilyn Dempsey and Chuck Klyce, and Lois Fullmer and Edward Giffars.

NIGHT HOWL:
Somebody's sandals are pinching tonight;
Somebody's boring the one on his right;
Others are getting some blisters and bills,
Headaches and hiccups and jitters and chills,
Crowded as sardines, or herded like sheep,
Losing directions and tempers and sleep;
Searching like mad for a bench in a park,
Taxi for hire, or a witty remark;
Rushing from Broadway to Village and then
Turning around just to rush back again . . .

Someone, however, is reading her books,
Saving her strength, not to mention her looks,
Quietly sitting, both sale and alone,
Perfectly poised—for a leap to the phone I
borrowed from Alyce Hamilton

BABES IN ARMS: Jay Rogers Allen was born to Mr. and Mrs. Paul R. Allen of the University Apartments on Sunday, June 25, in the Fremont Hospital.

QUERY: Came across the following lines in a sample test. Can anyone tell me how the rest goes—or the name of the poem from which they came?
"And yet, these Christs who die upon the barricades,
"God knows that I am with them, in some things."
I'll buy a very large cold glass of lemonade for anyone who can identify those lines.

HARD DAY AT THE OFFICE: It's the little things of life that cause the most worry. A man can usually find his own house at night; it's sometimes harder to find the keyhole.

Classic Shown Here Saturday
Hollywood's classic "Last Days of Pompeii" will play in the Main Auditorium at 8 p.m. Saturday night. The picture is a re-release of one of the film capital's most spectacular productions.

Some of the scenes in the picture are the most violent and dramatic ever captured on film. Many critics feel strongly this picture is one of the all time greats.

Friday's movie will be in technicolor, starring Maria Montez, Jon Hall, and Sabu in "Ali Baba and the Forty Thieves."

Play Underway This Week
In All-Campus Intramurals

The summer intramural program, under the direction of Dick Mulvaine, got under way Monday evening with three games of high pitch softball.

Twelve teams have entered in the softball league, with play scheduled for each night except Friday. The teams were split to form two leagues, the American and the National.

The American League teams will play on Monday and Wednesday evenings, with the National League competing Tuesdays and Thursdays.

All games will begin at 6:15 p.m. on the designated field. No games are to be used and there will be no base stealing. Two players may be fielded by each team at game time.

Great interest was shown in golf where there are over 35 men vying for the Men's Singles crown. Play began Monday, and 36 holes must be completed by Friday, July 14. All scoresheets must be signed by an official other than the person playing.

In tennis play 25 entries are competing for the Singles Tennis Championship. Play began Monday, and the final play scheduled for Friday, July 14. Eleven teams have submitted entries for the Doubles Crown. Tennis play in both instances will determine winners through elimination tournaments.

Softball schedules for the coming week are: Thursday, July 11, Old Timers vs. Ramblers, diamond 1; Rockies vs. Fagi Boys, diamond 3; Church Street Scholars vs. MIS, diamond 1; M & A day, July 17, Raiders vs. Calverte, diamond 2; 419 Club vs. Skiddillkates, diamond 1; EX House vs. Rogge's Rogues, diamond 2; Tuesday, July 18, Old Timers vs. Fagi Boys, diamond 3; Ramblers vs. MIS, diamond 1; Rockies vs. Church St. Scholars, diamond 2.

The full schedule for the softball play is posted on the bulletin boards in the south-west corner of the Men's Gym, in the lobby across from the gym, and in the corridor north of the bookstore in the Administration Building.

The Cleveland Browns, who will invade Bowling Green July 23 for their preseason training, were the only champions in the old All-America Conference.

Waterloo's professional basketball team will be well represented by ex-Bowing Green basketball players this year. Charlie Share, Leo Kahlan, John Payak, and Stan Weber have signed with the Hawks. The Waterloo team is in a new league and will probably play some of their games in the Toledo Sports Arena this winter.

Mac Otten, another graduate of BOWLING Green, will play in the new league and will probably play some of their games in the Toledo Sports Arena this winter.

The also-rans in the National League—the New York Giants, Chicago Cubs, and the old Chicago Cubs—will have a good fight for last place honors, with the Reds probably canceling themselves the "worst of the worst.

The Detroit Tigers will probably hold their lease on first place until middle August, then will watch as the rushing Boston Red Sox pass them and the rest of the field.
