Later in the evening, the Nest was used for a formal dinner dance to celebrate the installation. In the open house on Sunday, a buffet banquet was served at the house for visiting Phi Psi members.

Norm Minnick, local president of the new chapter, stated, "Our chapter at Bowling Green is growing rapidly. There are 140 students, all in Ohio State and Bowling Green, Ohio. Places outside were for the use of members only. The house is in a convenient location, and the house will be used by students for many years to come."

Schwarz Presents Lecture Series

Professor Emest John schwars, former history professor at the University of Illinois, is presenting a series of three lectures on "The State and the City." The lectures are being held at the University of Illinois, Champaign-Urbana, at 8:30 p.m. in the University Union. The series will continue on Oct. 28 and 29.

The Key, with Sally Spole as its patron saint, opens its season today, and all those present will be privileged to attend.

An all-campus election was held on Oct, 7, which will determine the six seats in student council for the coming year. The election was held at 8:30 p.m. in the University Union.

The Alpha Epsilon Pi fraternity is hosting a dance tonight in the Nest. All those interested are invited to attend.

Chemistry Bldg Near Completion

A 200-room residence hall for upper-class students is nearing completion on the north end of the campus. The residence hall, which will be named "Gables," is being constructed for 200 students.

The main feature of the residence hall will be a large lounge room, which will be equipped with a large screen television, a piano, and a variety of games and recreational facilities. The lounge will be open to all students on a regular basis.

The residence hall will also include a large study room, a large kitchen, and a large laundry room. The kitchen will be equipped with a refrigerator, a stove, and a sink. The laundry room will be equipped with a washer and dryer.

The residence hall will be completed by the end of the year, and the students will be moved in shortly after that.
June is majoring in secretarial science and has earned the rate of Staff Sergeant. He attained the campus’ highest office after having served illustriously as a member of the governing body.

He is an active member of Phi Delta Theta, national service fraternity, and Omicron Delta Kappa, national honorary fraternity. As Campus Dynamo, Daifcnau will represent the ROTC of the college at all official functions. Besides being a student, Daifcnau works part time for the city of Bowling Green, has a full class schedule, and maintains a wife and a full-time daughter.

His election as Senate president was the outstanding event of his college career according to Daifcnau. He realized he was coming from a drab 6-5 slump when notified of his victory. A dull Sunday afternoon suddenly became brighter; his burdens were lighter.

Daifcnau graduated from Youngstown Chaney High School. Upon graduation, he became an active member of Uncle Sam’s Air Corps, where he served in France, Germany, and Japan. Soon after graduation, Daifcnau will receive a commission in the regular Army.

Shorter Skirts Frowned Upon

By CAROL CARSTEN

"No! No!" is the cry of college students against the fashion leaders who propose returning to the middle-of-the-knee skirt length.

The calf-length skirts are more graceful and add sophistication to one's figure. They are also more comfortable and can be adapted to almost any type of weather. The knee-length skirts are more sensible and more practical. They also add a touch of modesty to one's appearance.

**Shucks—I blew in when I should've blown out!**

Play the poor fellow! He's been making all those trick cigarette tests you've been reading about! He's taken one puff of this brand—one sniff of that. A quick inhale of cigarette "A"—a fast exhale of cigarette "B"—and he's still confused! Seriously, isn't the sensible way to test a cigarette to smoke pack after pack, day after day?

That's the test Camel asks you to make—let the Cigarette Test Committee, Bowling Green State University—only Camel customers—regularly for 30 days. Your "T-Zone" brand—any Camel—will show you the real proving ground for any cigarette. After you've tried Camel as your regular smoke, you'll know why...
