- **Rec Center open 10 active years**

- The student recreation center celebrated its 10th anniversary on March 1, growing from a small student-oriented organization to a facility with a reputation as a model for student recreation centers nationwide.

- The student recreation center was established in 1989, with the mission of providing a safe, healthy, and enjoyable environment for students to engage in a variety of recreational activities. The center has grown to include a variety of facilities and programs, including a weight room, cardiovascular equipment, swimming pool, and a variety of social and recreational activities.

- The center has also received numerous awards and recognition for its excellence in providing high-quality recreational services. In 2010, the center was named the national Recreational Sports Facility of the Year by the National Association of Intercollegiate Athletics.

- The center has also been the site of numerous campus and community events, including Greek Week, homecoming events, and community fitness classes.

- The center is currently a member of the National Intramural-Recreational Sports Association (NIRSA), which is a professional organization for recreational and intramural programs in higher education.

- The center is committed to providing a safe, healthy, and enjoyable environment for students to engage in a variety of recreational activities, and continues to grow and evolve to meet the changing needs of students.
