New Charity Drive Inaugurates Contest for BG Ugly Woman

A new contest, possibly a tradition, came into existence Wednesday night with the announcement that this year there will be an Ugly Woman Contest, along with the usual Ugly Front of the Ad Bldg. The climax of the drive will be an Ugly Woman Contest, along with the usual Ugly Front of the Ad Bldg.

Both will be held during the week of the Combined Charity Drive, Nov. 4 through 11. It will be a street carnival, held both in front of the Ad Bldg. and on the street.

The drive on the Ad Bldg. will maintain a booth in the carnival. The maximum expenditure for an organization on this drive will be $15.

At the Wednesday night meeting of representatives from the Greeks, residence hall and independent groups, to discuss the plans for the drive, it was also announced that another organization, the Displaced Persons Project, has been added to those sharing in the drive.

No other drive will be allowed on this campus year.

The goal of the drive is primarily two dollars from each student. This figure was requested and was carefully asked of the students that the drive would be fair and that the committee feels that if everyone meets the quota, a larger net contribution than ever before can be realized.

Each organization is asked to submit a minimum of two posters. The group with the most points will place first; second and so on. A permanent plaque may be earned in this manner: 10 points for each poster; 15 points for representatives to committee meetings; 10 points for committee meetings attended; 5 points for the most net amount; 15 points for second in net amount.

One hundred percent donations from Greek sororities amount to 20 points; 80 percent equals 15 points; and 50 percent participation makes 10 points. For each group of five individuals outside of their respective organizations, 10 extra points.

Posters are to be submitted to Yvonne Wright at the Phi Kappa Al- pha house before Oct. 25. Plans for the booth will be given to Delta Delta Delta and the Delta Gamma house.

The Displaced Person Project, unanimously included in the previous meeting as a separate group, is to be announced at a future date. The group will be used for one year of a college. Any money left over will then be placed in the scholarship fund for the following year.

Taft Hits At Democrats

Bowling Green republicans heard their candidate for sen- ate, Robert Taft, lash out Wednesday evening at the "rubber-stamp Congress" that the laborites are attempting to put in office.

Before a capacity audience at the Bowling Green High School Auditorium, Senator Taft, seeking re- election, said that the laborites in Washington are dutying their constituents, going behind the scenes to put their political candidates in the Senate.

Taft said that as far as he was concerned, the laborites are getting a majority vote in the Senate. He then left the Senate for the fall going against it and not the people.

He said our present State De- partment bureau of labor statistics is a direct result of the laborites in Washington.

Thoughtlessness . . .

Once a few thoughtless and careless groups have caused the majority of the students to think in terms of what was formerly unseen under ideal circumstances. This thing, it is Chicago Park, on this side of the Mesquite River, which is leased to the whole University.

Reasons for the ban are as follows: during a recent hayride. . . .

Bowling Green State University has Socialistвед that the amount of that splendid group of good will and friendship is decried throughout all levels, and to that cause it is founded the missions of dispensing friendship and promoting international cooperation.

As a result of the committee's recent collection and analyzing techniques, the following lists of students were compiled as original research:

- Daigneau, president of the Student Senate, Delta Tau Delta house, or another. We want to reach those who do not do so for one reason or another. We feel that there are so many people with ability to write who do not do so for one reason or another. We want to reach those people.

MORE TROUBLES at Toledo University. In fact, so much trouble that our writer referred to Coach Bob Snyder's hosts to secure his newspaper crying order. Reports are that this week's visit from the University of Chicago will mark the end of Snyder's year. Not because of bad football but because of a lack of funds. In fact, so much trouble is there that the university is considering an immediate decision to terminate the program.

Frosh from our great Toledo Bowling Green Gridiron will travel to Mt. Pleasant, Mich., where they will meet the great University of Michigan, 2 p.m., Oct. 20, on the Alumni Field. It is possible that the Gridiron may prefer the Falcons in the past and all the Michigan warriors have to show for this season is two losses out of 10 games played this far.

Whether Coach Bob Augustin can field his team at full strength depends on how fast he can back Bob Gwen and Mike Blagg. The team hasn't been entirely healthy in this first game.
