Sigm Phi Omega will be among the 150 national fraternities entering the University this December when they will be installed as a chapter of Sigm Phi Spellen.

The announcement was made to the members of SPO at a Founder’s Day banquet Wednesday night.

Sigm Phi Omega was founded Nov. 1, 1948 by Warren Ransler, and 14 pledges in SPO which has David Hostetler. Nov. 1 is also To Arrive In December Sigma Psi, Russell Bresien, vice president; Edwin Galey, secretary, and Bob Taylor, historian.

195 National Chapters
Sigm Phi Epulum, which had its beginning at the University of Richmond, is thirty-eight in order of founding of the 195 national fraternities, but is fortieth in membership and rank in number of chapters. There are 196 active chapters throughout the country. Sigm Phi Omega is a chapter of the National Interfraternity

Seven Area Chapters
Area chapters of Sigm Phi Epulum are at Tüdela, Ohio State, Miami University, Ohio Northern, Ohio Wesleyan, Cincinnati, and Bowling Green. Advisors of Sigm Phi Omega are Robert Rich e y and Stanley E. West of the school, and William Wetherbeke of the foreign language department.

Installation Plans Tentative
Plans for the installation week and had not been completed as of yet. Sure to be included, however, will be the actual installation ceremony on Saturday afternoon, banquet that evening, an open house on Sunday afternoon, and dinner at Saturday night. Guests will include the installation team, many of the national officers and visiting members from nearby chapters of Sigm Phi Epulum.

Top Women
Seven top women students will be given recognition at the安装 Ceremony on Saturday.'].
New Tradition...

This week and in succeeding weeks, in other words, the beginning of several traditions. It is impossible to say how long these will last, or how well received they will be. However, it can be said that they are good and should grow and become useful to all of us.

The two main functions are, the Migration Day and the start of the Charity Drive. Included within these two main activities are the Sunday worship, the University, the Painted Pig, the migration and the drive.

The Charity Drive is important for the simple reasons that it helps two groups, the charities and the student body. By contributing to the drive to the extent asked, the student body will on the average pay less individually to charter this year than ever before. However, collectively, the student body will contribute more than ever before. It is merely a matter of everyone doing his bit instead of relying on the "other person" to take care of it.

The Migration Day, originally conceived and promoted by the Press Club, should be carried on to not only foster better relations between sister schools, but to also raise Bowing Green above the level of some period,瘐mal student groups that live in the narrow and limited confines of their own campus.

A college degree is only as good as the school it comes from, and that school is only as good as its public relations. To date, Bee Gee has good public relations, but, they can always be improved upon, and Migration Day is one of the better ways of doing it.

University Offers 21 New Courses

Twenty-one new courses are being offered by the university this semester in 11 different departments.

For star gazers, there's mathematics 102 or elementary astronomy, with junior and senior students as the teaching assistants. The major American writers may be of interest to English students.

A Glance At The Long And Short Of It
By DELILAH HOLT

It looks like the long flowing
tresses are coming back in
this fall. A little longer than
the seemingly overnight
trend back to the shorter
bobs, but undoubtedly
they are coming back.

Why this trend back to the
long hair styling? There are
several answers, but the most
important reason, as far as
this author is concerned, is
ness.

It seems that the stronger
sense of opinion that flowing
looks conducive femininity. Short
hair tends to be less flattering in
lines to a girl's features, besides,
it's harder to get hold of, thus
frustrating our national "caremanish"
campus Romances. Nothing could
be nicer on a campus on a windy
day than to see . . . long, flowing
hair blowing in the breeze.

Our fashions of yesteryear
a girl with longer hair as compared

Kappa Delta Wins First Place Award
Kappa Delta took first place in
this year's Charity Drive poster
contest. Second place went to Delta Gra-
ma, and third to Alpha Phi. The basis
of eligibility, appropriateness
of designs and originality, and
general neatness were the factors
warding the trophy which will be
presented to the winners at the
three winners. First place
receives 26 points; second, 20; and
third, 15.

Members were Prof. Eunice Eri-
ger, Prof. Robert Bone, and Hen-
ry Gresham.

"Bar None" Tops Social
Inaugurating Christmas Living Emphasis Week for another
social event will be the "Bar None" dance sponsored by the Student
Social Committee. It will
start from 9 to 11 p.m.

The Social Committee will be the
host for the square dance
to be held in the Women's Gym
at 7 p.m. The event will feature
and the Charity Drive poster contest.
Winners were selected on the
basis of the judges' criteria.
Judges were Prof. Eston Krie-
gie Dietrick, Ed Gaily, Paul Mook,
and Dr. and Mrs. E. Eugene Dickerman.

The only questionable starters are the performers in the line. Doug looks good. Bob Russ as he has done all season. The Orange, an all-Ohio candidate, is once again ready to cut enemy operations. Brilliant play diagnosis from his unit was a big factor in Bee Gee's halt to the Falcons. Norb Cowan, who has traveled at passes this year and the ground game is unimpressive 29 per cent of their gains this season. Dick Pont leads the crew with 228 N. Main Phone 34392 Free Pickup and Delivery (anytime)

The Falcons Enter Game Decided Underdogs

COACH BELLARD'S 33-MAN CREW ready to go for the all-campus crown. But these claims were made only after they had defeated Sigma Nu, which has one game left to play and a 5-1 record thus far. Sigma Chi finished third and Theta Chi fourth. A curious highlight was the fact that Delta Upsilon who finished in League I with two consecutive losses, something they haven't been able to accomplish yet this year. Their TU victory developed team spirit and not even a Louisiana team can stop DETERMINATION.

PHILIP MORRIS challenges any other leading brand to suggest this test

HUNDREDS OF THOUSANDS OF SMOKERS, who tried this test, report in signed statements that PHILIP MORRIS IS DEFINITELY LESS IRITATING, DEFINITELY MILDER!

1. Light up a PHILIP MORRIS and take a puff. Sip your coffee and s-l-o-w-l-y let the smoke escape through your nose. Easy, left? And now...

2. Light up your present brand and do the same thing. Notice the differences. The PHILIP MORRIS team which Baldwin-Wallace ran out of tolerance in the meet, even Frank Roper, the third man to cross the finish line. But these claims were made only after they had defeated Theta Chi, 21-7, Tuesday for their seventh straight victory. After all the play-offs are taken care of, the PHILIP MORRIS team will battle the Frankie champions for the all-campus title. Sigma Chi's closest rival was Phi Delta Theta, who was second for the season.

Wolverines Wallop Falcons

As McKeen Beats Crosten

Don McKeen, Michigan University's great two-miler, showed the Bowling Green hares how it was done Tuesday when he paced the Wolverines to a 19.41 victory over the Falcons at Michigan U. Michigan U. does not field a varsity cross country team and therefore took the meet more as a practice session than as regular season's meet. In winning the race McKeen turned in an impressive time of 19:41 over the 4.1 mile course. Bee Gee's Marv Crosten took a close second while tying his record of 21:29 set here two weeks ago in the State meet. The course was a repeat layout which included the quarter mile hill which was repeated three times during the meet. Lee Patz was second for the Wolverines.

Sigma Chi Win 7th; Grab Title

Phi Delts, SAEs, Phi Psis Lead League II; Phi Fraternity Touch Football Team can lay claim to three things this week: 1. Undisputed championship of Fraternity League II; 2. a well balanced football team; 3. A good chance to cop the all-campus title. But these claims were made only after they had defeated Theta Chi, 21-7, Tuesday for their seventh straight victory. After all the play-offs are taken care of, the Phi Delts and Phi Psis will battle the Frankie champions for the all-campus title. Sigma Chi's closest rival was Theta Chi, who was second for the season.

From the Sidelines

By Jim Duerk

IT'S THE general opinion of those who witnessed the Toledo-Bowling Green game that Bowling Green was really "My football game" and that what it takes to win a game is called. In touch football, the pass is the most important play.
