Council hears an updated report from Cultural Diversity Committee

The College of Education and Allied Professions honored four of its staff as their professional leadership at a reception March 29. Awarded were (from left) Ladda Stanage, assistant professor of political science; Helen M. Underhill, administrative assistant to the dean; Robert Smith, director of University Union; and Jimmie R. Green, director of the University Union.

The Cultural Diversity Committee has completed the report for the development committee for the plan. Chanin said the report should be submitted to the committee for consideration as part of the Cultural Diversity Committee. The committee said the report must be complete by the University General Education Committee as a general education course.

Because the plan must be approved by the General Education Committee. The committee said that the plan must be submitted to the committee for consideration as part of the Cultural Diversity Committee. The committee said that the plan must be complete by the University General Education Committee as a general education course.

McKenna elected to ASUP council

Dr. Frank McKenna, political science, was elected to the National Council for the American Political Science Association (ASUP) for the 1980-81 academic year. The election is the result of a national election of ASUP members from Region VI, which includes Ohio, Indiana, Michigan, and Wisconsin. McKenna will serve as a representative of the Ohio and Indiana regions.

The world is coming to BG campus

Professors waited 15 years for book to be published

Sometimes it takes years to see the fruits of one's labor. Such is the case with Professor Michael Mandish, who has waited 15 years for his book on AIDS to be published. The book, titled "AIDS and the Media," is scheduled to be released in June.

Tornado watch will take place in all University buildings on April 5

A tornado watch will be in effect for all University buildings on April 5, due to the threat of severe thunderstorms. The watch will be in effect from 10 a.m. to 10 p.m. on April 5.
COUNCIL HEARS AN UPDATED REPORT FROM CULTURAL DIVERSITY COMMITTEE

Aguinaga Council heard an updated report from the Cultural Diversity Committee at its meeting last week. The report discussed the progress of the committee in addressing diversity issues within the university community. The committee highlighted the importance of fostering an inclusive environment and outlined their plans for upcoming events and initiatives. The council praised the committee’s efforts and expressed support for their continued work in promoting diversity and inclusion.

McKenna elected to ASPA council

Dr. Frank McKenna, political science, was recently elected to the American Political Science Association (ASPA) Council. McKenna is currently serving as the chair of the department of political science and has been actively involved in the ASPA for several years. His election to the council is a significant achievement and marks his continued leadership in the field of political science.

Kappa Delta Chi pi chapter observes 50th anniversary

The Kappa Delta Chi Pi chapter, established in 1964, celebrated its 50th anniversary last week. The chapter’s activities included a banquet, where members shared memories and honored the many contributions that have been made to the chapter over the years. The event was a great opportunity for members to come together and celebrate their long-standing tradition of excellence.

Avid runner to speak at Firelands College on April 10

Dr. George Sheehan, a renowned medical professional and author, will be speaking at Firelands College on April 10. His lecture, titled “Sky Fitness,” will discuss the benefits of fitness and the importance of maintaining an active lifestyle. Dr. Sheehan is a popular speaker and his insights will undoubtedly inspire students and faculty alike.

Professors waited 15 years for book to be published

Sometimes it takes years to see the fruits of one’s labor. This is especially true for Professor Marsden, a world-renowned expert in his field. After many years of hard work and dedication, his book on the topic of mushrooms finally saw the light of day. The book was compiled over a period of 15 years and required a great deal of patience and persistence. Marsden’s efforts have paid off, and his book is now available for all who are interested in the fascinating world of mushrooms.
Island Myths/Debary, a junior in the School of Nursing program, signed union employee Donny Saks in a March interview. She is one of many students who have raised concerns over her treatment and are fighting for their rights. The union's goal is to ensure that all students are treated fairly and that their voices are heard.

Sessions offered on PERS and social security

Heads of the Public Employment Retirement System (PERS) are ready to meet with PERS members on social security. The meeting will take place on the campus and is an opportunity for employees to express their concerns about the retirement system. Please join us on April 28 and 27.
