Orchestra To Close
On Ambitious Note
Bowling Green State University's Symphony Orchestra will close one of the most ambitious seasons in its history Tuesday, May 22, at 8:30 p.m. in the University Auditorium. Ann Marley, pianist, will be the soloist.

Gerald McLaughlin, conductor of the 50-piece orchestra, has arranged for much better works as the "Water Music Suite" by Handel; the "Concerto No. 4," "Symphony No. 6," and "Concerto A" in G Major (for piano and orchestra) by Beethoven; and the "Symphony No. 5," (A Symphony for Piano) by the young American composer, Don Gillis.

Miss Ann Marley, pianist and soloist, is a member of the University music faculty. She received her graduate degree from Northwestern University at the Conservatory of Music. She has studied with Harold Van Burton. Miss Marley has also studied with Ed- wen Fischer, eminent pianist of Berlin, Germany.

Of the five concerts that Best ton wrote for piano and orchestra, the "Concerto No. 6," the "Imperial Concerto," has a high rank in music literature. The "Symphony No. 5" by Best ton was given its radio premiere by the National Broadcasting Company, New York, in 1937. The Symphony makes one feel that the composer was Berlin, Germany.

The concert is open to the public, free of charge.

Deadlines

Deadline To See
Advisers May 25

A $40,000 renovation project will be begun on Monday, May 22, shortly after the flood for the four-year music faculty. The Admissions Committee has set the date to begin the renovation of the building that will include the fourth floor. The third floor of the building will be remodeled in the future.

A new entrance lobby and additional laboratory and practice space for the physics, biology, sociology, and botany departments are a few of the features planned for the new construction of the building. A fourth floor, which is presently occupied by the Art Department, will contain a new entrance lobby and additional laboratory and practice space for the new construction of the building.

Reconstruction is presently scheduled to be completed near the end of September.

College of Business Administration

athercotrubo, librarian.

Reconstruction is presently scheduled to be completed near the end of September.

College of Education

A $40,000 renovation project for the full term is expected to be completed by May 22, according to John Marley, chairman of the department. Ann Marley will be soloist in her first concert.

Romeo Opens Wednesday

Wepler, Evans Give
Voice-Piano Recital

Two students from the Department of Music will be featured in recital Tuesday, May 21, 8:30 p.m. Wepler, Evans give Voice-Piano Recital. Miss Wepler, a sophomore piano major from Waterville, will be accompanied by Winifred Winters, a freshman from Cambridge, Ohio. Miss Wepler is a student of Ann Marley, a member of the University faculty.

Romeo and Juliet, one of immortal Will Shakespeare's most loved plays, will open tonight at 8:15 in the Main Auditorium. It is the first performance of the season.

Tickets for the production are on sale in front of the Auditorium from 10 a.m. until 5 p.m. and from 1 p.m. to 4 p.m. daily.

The tragedy is the story of a young couple who fall in love with each other at first sight in spite of parental differences. The differences stem from a feud of many years' standing.

Sweet Flowers Prevail

Sweet flowers prevail nearly every day in the University's campus. Seven contest, 40 candidates will be chosen, four finalists from the orchestra. Romero and Juliet, following a production of the play, will open tonight at 8:15 in the Main Auditorium. It is the first performance of the season.

Tickets for the production are on sale in front of the Auditorium from 10 a.m. until 5 p.m. and from 1 p.m. to 4 p.m. daily.

Letters To

The Editor . .

Through this medium of communication the Student Senate Committee, would like publicly to thank the staff of Alpha Phi Omega for another worthwhile service to Bowling Green State University. With their diligent work of this past Saturday the next week has its books on the outside again.

Although they are in dire need of repair they do all the necessary work on the outside. We sincerely hope that the student body and our college mates of the Air Force will conduct a personal clean-up campaign.

Thank you, Alpha Phi Omega, for all your helpful labors.

Problem Help Is Specialty
Of New Student Secretary

By HILBERT BLACK

"Broad shouldered" is a term that could very easily be applied to Evelyn Pond, new Student Senate secretary.

"Take your problems to Evelyn, she's the girl to straighten them out." Any first floor resident of Kohl Hall may utter these words to her roommate, and it would be good advice for Evelyn is very ready and willing to lend a helping hand, or sympathize with any problem a student has.

Coming to Bowling Green from Hamilton, O., a town about 25 miles north of Cincinnati, Evelyn attended Hamilton High School and was graduated in 1949. At that time she was student editor and was unable to attend college classes for one year during her senior year was president of the 4-H-Y cabinet.

In conjunction with her work she hopes to raise student interest in the Senate's operations, and to keep the student body informed as the Association of Women Students.

Michigan Normal Retains BG Relay Class A Superiority

By BILL GREENHILL
Michigan Normal walked away with all the honors in the second annual Bee Gee Relays last Saturday as they took nine firsts and broke four records.

Bowling Green could take only one first place as the Hurons held their fees to four firsts, each taken by a different school.

Vince Streoud, Jim Gerber, and Frank Kilgore made up the winning high jump relay team that jumped a total height of 16 feet. The team tied the record set by Baldwin-Wallace last year.

In the Class "B" Division, Kalamazoo College scored an upset for the hounds as the Bulldogs snatched the title in the distance medley relay. Bowling Green took the title in the distance medley, two miles and shot put relays.

Two new field marks were set Saturday as John Kline of Fostoria snatched the other first in the high jump with a 6'7" mark three inches better than the old mark by Baldwin-Wallace. Beloit (Wis.) tied the record set by Baldwin-Wallace last year.

The tennis team, which experienced a 14-13 record, meets Wayne when the grid lines, supporting a 6-3 record, meet Toledo for the second time, having beaten them once.

The BG tennismen were scheduled to play Ohio Northern last Thursday, but the weather man said no. The squad will enter the most fresh from its first win, a 7-0 shutout over Lawrence Tech.

FINISHING THE HECTIC distance relay for Michigan State University is Jim Merritt.

Softball Results

Andy Calls Meeting

All boys who expect to be out for the baseball team and squad will meet in 103MG at 7 p.m. Wednesday, May 2. This includes all members of the varsity squad, of the freshman squad, and anyone else who is interested.

Home Ec Club Meets

Pi Epsilon, home economics honorary, will meet Wednesday, May 16, at 7 p.m., in 104 PA.

The Official Bowling Green State University Ring approved by the Student Senate will be on display in the Well Wednesday, May 16, Thursday, May 17 and Friday, May 18 from 9 to 11 a.m. and from 1:30 to 4 p.m.

BELIEVE IN YOURSELF!

Don't test one brand alone...compare them all!

Unlike others, we never ask you to test our brand alone. We say...compare PHILIP MORRIS...match PHILIP MORRIS...judge PHILIP MORRIS against any other cigarette!

Then make your own choice!

TRY THIS TEST!

Take a Philip Morris and another cigarette. Then, here's all you do:

1. Light up the cigarettes. Take a puff...don't inhale...and savor the smoke coming through your nose.

2. How do you rate the flavor of the cigarette and the other cigarette?

3. Notice that Philip Morris is definitely less irritating, DEFINITELY MATURE.
Is Everybody Having Fun?

In the supporting roles are: Abe Benzine, Trojans' manager; Ted Stello, re- 
resenting the sports press; Larry Miller, managing editor of the Hou- 
Playhouse this summer.

Len's Class: Prof Myrick

During the survey, 200 students were asked, "Which member or members of the faculty do you feel contributed most to your college education?" 150 answered this question. The responses were tabulated, and the results are shown here.

Hollander, Mary Lee, secretarial assistant, in the Office of the Registrar, is the first of the members of the faculty listed. She received the top rating for her efficiency and the helpfulness of her assistance to students.

John Maragakes, associate professor of business administration, received the second highest rating. He is known for his ability to inspire students to work hard and succeed.

James Liedtke, professor of biology, received the third highest rating. He is known for his ability to make complex concepts understandable to students.

Jerry Klevcr, chairman of the Department of English, received the fourth highest rating. He is known for his ability to challenge students to think critically and creatively.

David A. Murray, professor of history, received the fifth highest rating. He is known for his ability to make history come alive for students.

James Liedtke, professor of biology, received the sixth highest rating. He is known for his ability to make complex concepts understandable to students.

Michael D. Thompson, professor of mathematics, received the seventh highest rating. He is known for his ability to make mathematics interesting and relevant to students.

Avery Johnson, professor of chemistry, received the eighth highest rating. He is known for his ability to make chemistry come alive for students.

William E. Smith, professor of physics, received the ninth highest rating. He is known for his ability to make physics come alive for students.

James Liedtke, professor of philosophy, received the tenth highest rating. He is known for his ability to make philosophy come alive for students.

 Influences of the faculty on students were also investigated. The results are shown here.
